

V5 Independent 2025-26 Verification Worksheet

Your 2025-26 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your spouse (if married) reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete all sections and sign this worksheet and submit the form and along with required documents to the financial aid office. We may ask for additional information if necessary.

A. Independent Student's Information

Student's Last Name	Student's First Name	MI	ID Number
Student's Street Address (include apt. no.)			Student's Date of Birth
City	State	Zip	Student's Email Address
Student's Phone Number		Student's Alternate or Cell Phone Number	

B. Independent Student's Family Information

Family Size includes the following:

- The student.
- The student's parents (or stepparent, if applicable), even if the student is not living with them. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family
- The student's siblings if all of the following are true:
 - They live with the student's parents (or live apart because of college enrollment);
 - They receive more than half of their support from the student's parents; and
 - They will continue to receive more than half their support from the student's parents during the award year.
- Other persons if the following are true:
 - They live with the student's parents,
 - They receive more than half of their support from the student's parents, and
 - They will continue to receive more than half their support from the student's parents during the award year.

The provided criteria for "dependent children" or "other persons" mirror the requirement that family size align with those the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S. tax return at the time of completing the 2025-2026 FAFSA. As a result, the parent should not include any unborn children in the family size.

If more space is needed, provide a separate page with the student's name and ID number at the top.

C. Independent Student's Income Information to Be Verified – Complete either 1. or 2.**1. Verification of 2023 Income Information for Student Tax Filers**

Important Note: The instructions below apply to the student and spouse (if the student is married). Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2023 or had a change in marital status after December 31, 2023.

Instructions: Complete this section if the student and spouse filed or will file a 2023 IRS income tax return(s). As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2023 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

If 2023 income tax return information for the student (or spouse, if applicable) was not transferred via the FA-DDX and considered verified, the student should provide the institution with a **2023 IRS Tax Return Transcript(s) or a signed copy of the 2023 income tax return and applicable schedules.**

****Please see last page for instructions to obtain a 2023 IRS Tax Return Transcript.**
