2025-2028 COMPREHENSIVE PLAN THE WEST CHESTER WAY

The West Chester Area School District is committed to fostering excellence in education and community collaboration through the goals of our 2025–2028 Comprehensive Plan. This iterative process will involve ongoing assessment and refinement to ensure alignment with the needs of our students, staff, and community. **We're on the road to creating a brighter future together.**

Guiding Questions:

What patterns are we working to create and disrupt to design future-ready opportunities for all students to help them succeed in school and life?

What new opportunities will our students have three years from now that will help them succeed in school and in life?

1

Student Learning and Readiness

Ensure all students are equipped with the resources, support, and skills they need to succeed academically and in their future endeavors.

2

Engaged, Well-Rounded Students

Develop the whole student by offering diverse opportunities in academics, social engagement, and emotional growth.

3

Community and Family Connections

Strengthen partnerships with families and the broader community to create a supportive environment for student success.

4

Effective Adults and Systems

Ensure every student is supported by caring, skilled adults and that the district operates efficiently and sustainably for long-term success.
