Message from our Department Directors

Dear Osseo Area Schools Community,
As summer approaches, we are excited to offer you a wide variety of enrichment opportunities through Osseo Area Schools Community Education. Whether you are looking for creative arts, STEM exploration, outdoor adventures, or skill-building activities, our amazing summer programs are designed to inspire curiosity, foster connections, and support lifelong learning for all ages.

Aligned with Osseo Area Schools' strategic direction, our programs create equitable access to high-quality learning, ensuring every participant feels valued and empowered. We are committed to strong community partnerships, providing engaging experiences that reflect the interests and needs of our diverse learners. From youth camps to adult enrichment, we aim to cultivate a sense of belonging and well-being while encouraging personal growth.

We invite you to explore our camp catalog to uncover a wide variety of opportunities that spark joy and learning this summer. Thank you for being an important part of our vibrant community! We look forward to seeing you in our programs.

Brian Siverson-Hall
Executive Director, Community Engagement
Carrie Cabe
Director, Community Education

15900 Weaver Lake Rd, Maple Grove

**Select camps are offered at Kidstop sites and other
district locations.*

Registration

Online: osseo.ce.eleyo.com

Call: 763-391-7242

In-Person: 11200 93rd Ave N, Maple Grove

Drop off, pick up and door location

Please park in the main parking lot and walk your student to the front door or into the building. Our experienced staff will greet you and direct you to the gymnasium so students can line up by camp. At the end of camp, please come to the front doors and your student will be released by their camp instructor. We will not send students outside to a waiting vehicle.

Skyhawks Tiny Tots Basketball

This camp is specifically tailored for young athletes who want to learn the game of basketball. Our progression-based curriculum emphasizes sportsmanship and teamwork while teaching the fundamental skills of passing, shooting, ball handling, rebounding, and defense. Join us for a fun and holistic basketball experience where fun meets skill development! Wear athletic clothing and shoes.

July 7-10 9-11 a.m. Ages 4-6
 \$119 Skyhawks

DASH T-Ball

Learn the important elements of throwing, fielding and catching, batting, and baserunning. The final day of camp is 'Game Day' when you showcase your skills in a game environment. Bring a water bottle and a baseball glove. Baseballs and bats are provided.

June 16-20 9-11 a.m. Ages 4-6
 \$115 DASH Sports Skip 6/19

Art Adventures for Little Hands

Young artists will explore painting, drawing, and crafts inspired by your favorite classic storybooks and famous artists. Your week at camp will include activities that foster creativity, critical thinking, and collaboration through engaging activities.

June 16-20 9-11 a.m. Ages 3-5
 \$145 Right Brain Curriculum Skip 6/19

Little Builders

Learners will explore construction, spatial awareness, problem-solving, and imaginative play through building houses, towers, bridges and other structures. Focus will be developing fine motor skills, social interaction, and problem-solving.

June 23-26 9-11 a.m. Ages 3-5
 \$145 Right Brain Curriculum Skip 6/19

Eric Carle Adventures I

Come along little explorers! Take an adventure through the wonderful world of Eric Carle books such as The Very Hungry Caterpillar, The Grouchy Lady Bug, and The Very Busy Spider. We will read a different story each day and then you will get to create various projects inspired by the stories.

June 23-26 9-11 a.m. Ages 3.5-5.5
 \$119 Lisa Alm-Plaziak

Shape Explorers

All about shapes! Learn about different geometric forms while engaging in activities like building structures, art projects, and design challenges, all while fostering your creativity and problem-solving skills in a fun setting.

July 7-10 9-11 a.m. Ages 3-5
 \$145 Right Brain Curriculum

Woodland Wonders

Explore the wonderful world of nature. Learn about wildlife through nature games, stories, themed art, and a nature hike to explore the woods around school. Learn about forest animals and protecting nature.

July 14-17 9-11 a.m. Ages 3.5-5.5
 \$109 Jessica Flygare

Pre-K Extreme Engineers

Experience new curriculum using LEGO® duplo bricks and LEGO® bricks. Let your inner-innovator skills soar as you build a car with a launcher, a boat, a spinning top using gears, a dog and much more. Includes creative thinking, inclusion, teamwork and fun. LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program.

July 14-17 9-11 a.m. Ages 4-5
 \$115 {YEL}

Super Duper Messy Art

Explore the messier side of art at this hands-on camp. You will get to experience messy as you create fantastic works of art. Paint, sculpt, scribble, and giggle your way to discovering mess making at its best. These are not projects to tackle at home! Dress for a mess!

July 21-24 9-11 a.m. Ages 3-6
 \$149 Kidcreate

Spy School

Beat boredom this summer and come to this spy school themed camp! You will complete spy school training, make fingerprints and discover the differences. Write mystery messages, learn an I Spy Game and discover items hiding all over the classroom. You will learn what it takes to be a spy through fun STEAM activities.

July 21-24 9-11 a.m. Ages 3.5-5.5
 \$109 Jessica Flygare

Little Chefs

You will learn about cooking in this fun, hands-on camp. Little chefs will learn about following recipes, learn about different food groups, get to make (simple no-bake/cook) recipes, make chef themed projects, and read stories related to cooking. Please indicate if you have food allergies (if any) when registering.

July 21-24 9-11 a.m. Ages 3.5-5.5
 \$119 Lisa Alm-Plaziak

DASH Sports Basketball Tykes

DASH Sports Basketball Tykes camps will give you an introductory experience to the great game of basketball through skill-based drills and mini-games. You will be taught how to dribble, pass, shoot, and play defense in a fun and positive environment.

July 28-31 9-11 a.m. Ages 4-6
 \$115 DASH Sports

Storybook Art

Make art come to life through some of your favorite books. Learn artistic techniques like drawing, painting and crafting while exploring imaginative words that will expand your literacy skills. We will read together, sing together, create together, and play together in this fun summer literacy art camp.

July 28-31 9-11 a.m. Ages 3.5-5.5
 \$109 Jessica Flygare

DASH Sports Soccer Tykes

DASH Sports Soccer Tykes camp gives an introductory experience to the game of soccer. The key elements of dribbling, passing, and shooting are both taught and practiced. Fun, skill-based games are played each day.

Aug. 4-7 9-11 a.m. Ages 4-6
 \$115 DASH Sports

Science Explorers

Come along on a summer science adventure. Roll up your sleeves as you do hands-on science experiments and learn the science behind them. Uncover scientific concepts, problem-solving skills, and use your curiosity and creative skills as you get immersed in science.

Aug. 4-7 9-11 a.m. Ages 3.5-5.5
 \$109 Jessica Flygare

Register at osseo.ce.eleyo.com or call 763-391-7242

Storybook Explorers

This interactive storytelling camp includes themed art activities inspired by your favorite picture books. You will develop and expand your language and vocabulary skills through the stories we read together.

June 16-20 1-3 p.m. Ages 3-5
 \$145 Right Brain Curriculum Skip 6/19

Over in the Jungle

Come along on a trek through the jungle to meet some truly amazing animals - from butterflies that flit, parrots that squawk, and sloths that creep, there are a lot of cute animals you will learn about along the way. Explore the jungle habitat through stories, art, games and more at this interactive camp.

June 16-20 1-3 p.m. Ages 3.5-5.5
 \$109 Jessica Flygare Skip 6/19

Creative Creatures

At this playful and imaginative camp, use your creativity to design and explore fantastical creatures through art, story telling, and play. Don't miss this camp that will be filled with fun while you create unique and whimsical creatures.

June 23-26 1-3 p.m. Ages 3-5
 \$145 Right Brain Curriculum

Life in the Pond

It's summertime and there's no better time to learn about all the critters that live in the pond! Jump right in and learn about pond habitat as you explore and investigate the pond ecosystem and the animals that live there! Water, frogs, ducks, and logs - oh my!

June 23-26 1-3 p.m. Ages 3.5-5.5
 \$119 Lisa Alm-Plaziak

Under the Sea

Under the Sea we go to learn all about the creatures who live in the Ocean. Sharks, starfish, shells and sand – you will explore them all through books, songs, sensory play and art creations! You will make cool shark hats, create a rainbow fish, and play with water, sand and shells.

July 7-10 1-3 p.m. Ages 3.5-5.5
 \$109 Jessica Flygare

All About Minnesota

Minnesota offers a wonderland of outdoor adventures. Explore all things Minnesota! Travel the state and learn about some of your state's greatest treasures through hands-on activities, exploring in your own backyard, and through stories about this beautiful state.

July 14-17 1-3 p.m. Ages 3.5-5.5
 \$109 Jessica Flygare

Little Journalists

Preschoolers "report" on fun topics using your drawing, photography, and simple writing skills. This camp will foster your creativity with age-appropriate topics and activities that spark your interest through storytelling and reporting skills.

July 7-10 1-3 p.m. Ages 3-5
 \$145 Right Brain Curriculum

Register at osseo.ce.eleyo.com or call 763-391-7242

Disney Adventures

Pack your bags and travel for an experience full of Disney fun! If you love all things Disney, this is the camp for you. Experience stories, singing, dancing, and fun activities. Includes many of your favorite Disney characters so let your imagination soar on this Disney adventure.

July 21-24 1-3 p.m. Ages 3.5-5.5
 \$109 Jessica Flygare

Eric Carle Adventures II

Explore your five senses with your favorite Eric Carle books! Enjoy Eric Carle books such as Brown Bear Brown Bear What Do You See, From Heart to Toe, and Polar Bear Polar Bear, What Do You Hear. You will learn all about your five senses and get to create various projects inspired by the stories.

July 21-24 1-3 p.m. Ages 3.5-5.5
 \$119 Lisa Alm-Plaziak

Games Galore

Gear up for exciting games and adventures at this camp. You will get moving while playing your favorite games both inside and outside. If you are energetic and love to be active, Games Galore is for you. Learn movement games as well as board games and card games.

July 28-31 1-3 p.m. Ages 3.5-5.5
 \$109 Jessica Flygare

Littlest Fans Art

This camp is packed full of fan favorites. From paper mache bowls, projects that glow-in-the-dark, and messy clay masterpieces, these are the Kidcreate projects our littlest students love the most! All are included in one very popular camp. This is the stuff you can't get enough of and is guaranteed to be an artsy good time.

July 28-31 1-3 p.m. Ages 3-6
 \$149 Kidcreate

Rainforest Journey Summer Art Camp

Embark on a vibrant creative adventure through the lush and diverse world of the rainforest at this summer camp. Come along on a rainforest journey and explore the beauty, mystery, and magic of the tropical ecosystems through a variety of art forms.

Aug. 4-7 1-3 p.m. Ages 3-6
 \$115 KidzArt

All About Animals

Slither, sprint, swing, and swim into this week of camp dedicated to animals, and their habitats, behaviors, and adaptations. You will enjoy animal themed stories, art, games, and play. There's so much to discover about the many animals that share this world with us.

Aug. 4-7 1-3 p.m. Ages 3.5-5.5
 \$109 Jessica Flygare

Preschool
 Children must be fully potty trained to attend preschool camps.

Lunch Bunch
 Bring lunch and a beverage and hang from 12-1 p.m. Adult supervision and activities will be provided.
 \$29/week

Let's Go Camping

Your week will start by creating a list of what you need to go camping in a tent. Each day we will go outside (weather permitting), set up tents, play camping games, sing camp songs, tell ghost stories, and more. By the end of the week, you'll be a pro at setting up your tent and have the skills you need to take your family and friends camping. Bring a small sleeping bag/blanket and pillow.

June 16-20 9 a.m.-12 p.m. Grades 1-5
 \$145 Erin Zimmerman Skip 6/19

Pokemon Power Lab: STEAM Adventure

Calling all Pokémon fans. Get ready for the ultimate summer adventure where you'll engineer, create, and tinker your way through amazing Pokémon-themed projects. Craft your very own light-up Pokémon card, build a marching Pokémon, or even launch a Pokéball contraption. Packed with STEAM-powered fun!

June 16-20 9 a.m.-12 p.m. Grades 1-4
 \$189 Tech Tac Toe Skip 6/19

TGA Golf Camp

TGA (Teach. Grow. Achieve.) provides high-quality golf instruction in a fun and supportive environment. With an 8:1 student-to-coach ratio, lower than many other youth sports, our experienced instructors not only teach golf fundamentals like full swing, chipping, and putting but also specialize in working with students to build confidence and sportsmanship. We provide top-notch equipment and training materials, so there's no need to purchase gear—just show up and enjoy the game! Whether you are new to golf or looking to improve, TGA makes it easy to learn, play, and love the sport.

June 16-20 9 a.m.-12 p.m. Grades 1-6
 \$259 TGA Skip 6/19

Anime Camp

Learn to draw and color your favorite Anime characters! Discover how to evoke humor through exaggeration, study basic facial anatomy and proportions, and take a detailed look at facial expressions. Learn how eyes can drastically define a character, how to draw a variety of hairstyles, and how to layer using colored pencils.

June 16-20 9 a.m.-12 p.m. Grades 4-7
 \$179 Blue Fox Skip 6/19

Snack
 Bring a nut free snack and beverage or water bottle each day.

Destination Mars: Rocketry

Launch and watch your very own rocket speed 300 feet into the air. Then take it home! Make and take multiple rockets of varying difficulty throughout camp. Use your rockets and airplanes to investigate basic aeronautical concepts including propulsion, thrust, lift, drag and more. Hypothesize about travel in outer space, how to get a United States astronaut to Mars and life on Mars. Bring two, 2-liter soda bottles (empty) for two different experiments. (Camp fee includes \$25 materials fee).

June 16-20 9 a.m.-12 p.m. Grades 2-5
 \$175 {YEL} Skip 6/19

Summer Spanish Camp

Vamos por la Galaxia! Let's go through the galaxy! Blast off into a Spanish adventure that is out of this world. Through astronaut role-play and rocket-themed crafts and activities, you will learn key vocabulary and phrases related to space, planets, and more. This fun, bilingual camp builds basic language skills and fosters a love for the cosmos. Basic conversation and Spanish vocabulary such as colors and counting will be incorporated. Camp includes interactive activities, Spanish vocabulary and practical conversation elements. Any level of Spanish experience welcome.

June 16-20 9 a.m.-12 p.m. Grades 1-5
 \$189 Futura Skip 6/19

Harry Potter Adventures

Dive into the magical world of Harry Potter at this fun and creative camp. Draw your favorite characters using a variety of art materials while listening to the Harry Potter story on audiobook. Learn the fundamentals of drawing through close observation and discuss basic drawing techniques while you practice, and have fun.

June 16-20 1-4 p.m. Grades 4-7
 \$179 Blue Fox Skip 6/19

TGA Tennis Camp

TGA (Teach. Grow. Achieve.) provides high-quality group instruction in a fun and engaging environment. With an 8:1 student-to-coach ratio, lower than many other youth sports, our experienced coaches are not only skilled in tennis but also trained to work with students, ensuring personalized attention and a positive learning experience. Through dynamic drills, rally games, and skill-building activities focused on groundstrokes, volleys, and serves, you will develop confidence and a love for the game. Plus, we provide top-notch equipment so there's no need to buy a racquet, just bring your energy and get ready to play!

June 16-20 1-4 p.m. Grades 1-6
 \$259 TGA Skip 6/19

Secret Agents

Your secret mission is to become the absolute ultimate code-cracking, crook-catching super sleuth assigned to any case. Use your powers of observation, scientific knowledge, write secret messages, and more. Put your detective skills to work and solve mysteries and crimes. You'll also participate in mock spy missions and learn about the skills and gadgets used by secret agents.

June 16-20 1-4 p.m. Grades 1-5
 \$145 Erin Zimmerman Skip 6/19

Back by Popular Demand Art Camp

Your wish is our command. We have taken our most popular and most requested projects and put them all together into one totally epic summer art camp. Create cute clay animal sculptures, sleepy sloths decked out in adorable flower crowns, and so much more. You will even tempt your sweet tooth while you sculpt some cool candy scenes, complete with frosting, colorful candy, and a Fruit Loop rainbow.

June 16-20 1-4 p.m. Grades K-5
 \$185 Kidcreate Skip 6/19

Glow in the Dark Engineering Lab

Get ready to light up your summer with awesome STEAM projects that glow in the dark! You'll discover the science behind both fluorescent and luminescent pigments as you create your own glowing masterpieces. From LED-powered flashlights to some underwater sea monsters and dazzling night lamps, this camp is packed with fun experiments. Take home a cool light-up project every day to show off your engineering skills.

June 16-20 1-4 p.m. Grades 1-4
 \$189 Tech Tac Toe Skip 6/19

DASH Sports Lacrosse Camp

Learn basic lacrosse fundamentals including stick handling, cradling, passing, and shooting, all in a fun, non-checking environment. This is a non-contact camp, helmets and gloves are not required but can be brought with and worn. Sticks and balls are provided.

June 16-20 1-4 p.m. Grades 1-6
 \$155 DASH Sports Skip 6/19

Lunch Bunch
 Bring lunch and a beverage and hang from 12-1 p.m. Adult supervision and activities will be provided.
 \$29/week

Art and Yoga

Join us for this unique camp that combines art and yoga. You will have fun starting your day with yoga poses followed by amazing art projects where you will draw, paint, collage, sculpt with clay and more. Each day you will play yoga games, use breathing and mindfulness techniques, and have fun unleashing your creativity. Wear comfortable clothes to camp.

June 23-26 9 a.m.-12 p.m. Grades K-5
\$195 Abrakadoodle

Kickers FC World Cup Soccer Camp

Join a very player-centered and high energy soccer camp where our focus is all about having FUN! Learn skills and games including dribbling, passing, controlling, shooting and small sided games. There will be a World Cup Tournament all week, where winners will lift the trophy at the end of the week. Themes throughout the week include: Monday: Brazil - Ball Mastery, Touch and Technique; Tuesday: Portugal - Passing Techniques; Wednesday: Scotland - Defending Principles; Thursday: United States - Attacking Principles. Coach Fergie will be the Camp Director for the week. Questions, please contact DOC@Kickersfc.org.

June 23-26 9 a.m.-12 p.m. Grades K-5
\$145 Gordon Ferguson

BriQ Auto Innovators

This is where the future of cars is built, one brick at a time. Using LEGO® Bricks, you'll design and construct a wide variety of cars, including wind-powered vehicles, high-performance drag racers, and cool rubber band propelled cars. Learn about the engineering and design processes and how to create environmentally friendly and efficient cars. LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program.

June 23-26 9 a.m.-12 p.m. Grades 3-8
\$139 {YEL}

Tie Dye Party (One-Day Friday Camp)

Learn all the tricks to making the perfect tie dye t-shirt. Pick your colors, then design a t-shirt that you can wear all summer long. Bring your own white t-shirt to camp.

June 27 9-11 a.m. Grades 1-5
\$49 Kidcreate

Games Galore - Outdoor Games

Stay active during games that include cooperation, teamwork, challenges, and fun. Play traditional games like kickball and dodge ball and learn new games you can play with 4 bases. Get competitive with yard games such as corn hole, croquet, Frisbee golf, tug of war, team relays, bocce ball, washer toss, obstacle races, and pool noodle Olympics.

June 23-26 9 a.m.-12 p.m. Grades 1-5
\$145 Erin Zimmerman

Minecraft Escape Room: Outsmart

Dig deep and explore puzzle-filled maps. Learn to use red stone mechanisms and programmed commands using Minecraft EDU to create the perfect Escape Map. You'll design fun puzzles, engineering traps to trick your friends, and make hidden rooms to hide your treasure! By the end of camp, you'll be able to show off your new adventure mapping, red stone, and command skills to your friends. No advanced knowledge required.

June 23-26 9 a.m.-12 p.m. Grades 2-6
\$199 Tech Tac Toe

Creators Studio: Cardboard Creations and More

Using cardboard, craft plywood, glue, duct tape, and paints, you will become the inventor as you sculpt and create mixed media art. From sculptures to paintings, you will work in both 3D and 2D. Mixed media arts is open-ended and a great imaginative medium!

June 23-26 9 a.m.-12 p.m. Grades 1-5
\$175 KidzArt

Skyhawks Flag Football Camp

Get ready to run, pass, and score your way to Flag Football success with Skyhawks Flag Football camp. Set to be an Olympic Sport in 2028, this camp emphasizes skill development, strategy, teamwork and sportsmanship. The camp will culminate with a “Game-Day” experience where you will have the chance to showcase your skills in a supportive and encouraging environment. Whether you’re a newcomer to the sport or an experienced player looking to refine your skills, this camp is the perfect platform to learn, compete, and have a blast on the flag football field. Wear athletic clothing and shoes.

June 23-26 1-4 p.m. Grades 1-5
\$149 Skyhawks

Epic Start Up Craze: Lemonade Stand and Beyond

Calling all future entrepreneurs! Take your creativity and business ideas to the next level at this camp. You’ll start by learning how to sketch, then use those designs to create your own branding products. From notebooks to stamps to gift wrap and stationery, you’ll explore how to turn your ideas into fun products. The final day of camp we will host a grand lemonade stand expo where you’ll showcase your creations by running your own “store” in the classroom!

June 23-26 1-4 p.m. Grades K-5
\$195 Abrakadoodle

Messy Masterpieces: Wild Art Adventure

Get ready to dive into a world of color, texture, and creativity. Messy art abounds in this camp where your imagination can run wild, and the mess is part of the fun. Make colorful creations with acrylic paint, explore texture with hands-on activities and create awesome nature-inspired art. Roll up your sleeves, dress for a mess, and let’s have fun.

June 23-26 1-4 p.m. Grades 1-5
\$175 KidzArt

Skyhawks Cheerleading Camp

Skyhawks cheerleading camp gives you the essential skills to lead the crowd and support the home team. Learn cheers, proper hand/body movements as well as jumping techniques. There’s no stunting, just a focus on fun while each cheerleader learns important life skills such as teambuilding and leadership. Your week concludes with a final cheer performance that parents are welcome to watch. Wear athletic clothing and shoes.

June 23-26 1-4 p.m. Grades 1-5
\$149 Skyhawks

Roblox Game Development

Learn to create and develop multiplayer games using the Roblox Studios Software. You’ll use an asset library to create a Capture the Flag game. By the end of camp, you will have a game ready to share with friends, and the skills and knowledge that are required to continue your exploration of game development.

June 23-26 1-4 p.m. Grades 2-6
\$179 Tech Tac Toe

Games Galore - Indoor Games

Dive into the exciting world of tabletop games as you explore the design principles, mechanics, and strategies behind various board games. Play your favorite board games like Clue, Monopoly and many others. You’ll play traditional card games like Crazy Eight and Spoons and learn new card games you can play with friends and family. Other activities will include games with dice, marbles, jacks and ping pong Olympics.

June 23-26 1-4 p.m. Grades 1-5
\$145 Erin Zimmerman

Moana 2 Musical Theater Camp

The ocean is calling once again. Create your own musical, choose your characters, and learn music and choreography from Moana 2. Learn how to properly speak your lines, block a scene, develop your character, and much more. You'll play fun and creative theater games throughout the week. Wear comfortable shoes and clothing. Friends and family are invited to a special performance on Thursday, July 10 at 11:30 a.m.

July 7-10 9 a.m.-12 p.m. Grades K-2
\$145 Mayer Arts

3D Printing: Jewelry Fabrication and Arts

Bring your own creations to life in this 3D printing class. The ancient craft of jewelry making is brought to the modern world using TinkerCAD and 3D printers. You will learn to build 2D and 3D models on the computer using CAD software. You will design and print a pair of earrings, a ring, or a pendant. You will bring home two of your 3D creations and other beaded creations.

July 7-10 9 a.m.-12 p.m. Grades 2-6
\$189 Tech Academy

Canvas Fun: Popsicle Party (One-Day Friday Camp)

Join us for a morning of fun and creative painting where you'll learn how to paint delicious-looking popsicles on canvas with acrylic paints. Learn some basic painting techniques and mix colors to create vibrant art.

July 11 10-11 a.m. Grades K-6
\$39 KidzArt

LEGO® Mathematics

Unlock the fun in math with LEGOS®. Explore fun math concepts by building LEGO® models with parameters and budgets. Use your critical thinking skills to solve problems and be creative along the way as you explore the engineering process. LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program.

July 7-10 9 a.m.-12 p.m. Grades K-5
\$215 Right Brain Curriculum

Stop Motion Animation

Discover what it takes to animate a stop-motion film. Learn the history of animation, paint an animation cell, create your own flipbook, and then design your own characters. You'll write and record a stop-motion short using paper cutout animation for your viewing pleasure.

July 7-10 9 a.m.-12 p.m. Grades 4-7
\$179 Blue Fox

Robotics Evolution

Work in small groups and build multiple robots with sensors, program them to complete tasks like delivering food, cleaning nature, or reuniting cute animal friends. {YEL!}'s Teach It! Practice It! Play It!® classroom method emphasizes the 21st Century Learning skills like STEM, teamwork, and problem solving. FIRST® does not sponsor, authorize or endorse this site or program.

July 7-10 9 a.m.-12 p.m. Grades 4-8
\$185 {YEL}

Robotics Scout Bots

Build and code space rovers to scout out Mars, the moon and other extraterrestrial environments. Then create a dragster and volcano alarm to learn some of the basics of computer programming. Learn robotics basics and build and program them while you incorporate scouting-like exploration and problem-solving challenges.

July 7-10 9 a.m.-12 p.m. Grades 1-5
\$139 {YEL}

Flipbook Art Camp

Unleash your creativity to explore the amazing magic of animation in this flipbook camp. Bring your drawings to life, transforming your simple sketches into captivating moving stories. This active STEAM camp combines art and science, revealing cool principles behind animation.

July 7-10 9 a.m.-12 p.m. Grades K-5
\$169 Young Rembrandts

Writing Wizards: Unleash Your Imagination

Let your imagination frolic, romp, and soar in this super fun art and creative writing camp. You'll create a mystical menagerie of creatures, plots, and settings while crafting your own illustrated storybooks.

July 7-10 1-4 p.m. Grades 2-5
 \$215 Right Brain Curriculum

Comic Book Creation

Learn how to create your own comic book. Discover how to design characters using basic shapes, examine facial expressions, study perspective, and then discover how to create pages that pop. Leave with a finished story you can share with your friends and family.

July 7-10 1-4 p.m. Grades 4-7
 \$179 Blue Fox

Skyhawks Basketball Camp

Get ready to dribble, pass and score your way to success with Skyhawks Basketball camp. This dynamic and engaging camp is crafted to enhance fundamental basketball skills, foster teamwork, develop game strategy, and promote the importance of fair play. Our experienced coaching staff is committed to providing a positive and inclusive environment where you can grow on and off the court. Whether you aspire to play at a higher level or simply hope to enhance your skills in a welcoming environment, this camp is the perfect platform for you to thrive in the exciting sport of basketball. Wear athletic clothing and shoes.

July 7-10 1-4 p.m. Grades 1-5
 \$149 Skyhawks

Wicked Musical Theater Camp

Take an adventure to Oz. Learn how to properly speak your lines, block a scene, develop your character, learn music and choreography from Wicked and much more. You'll also play fun and creative games throughout the week. Wear comfortable shoes and clothing. Friends and family are invited to a special performance on Thursday, July 10 at 3:30 p.m.

July 7-10 1-4 p.m. Grades 3-6
 \$145 Mayer Arts

Digital Music and Video Production

Become a digital music superstar. Create killer beats, remix awesome tracks, and learn to make music videos. No experience needed, just a love of music and videos. Use sound effects and video clips and then mix it all into a masterpiece. Learn how to create lyric videos where words come to life and music videos with video clips and special effects. Bring your own headphones and USB (at least 8 GB) to camp.

July 7-10 1-4 p.m. Grades 3-7
 \$169 Tech Academy

Coconuts and Crowns Art

Discover the beauty of Polynesia through drawing. You'll create original characters like a spirited island girl and cheeky coconut creatures, as well as some traditional Polynesian flower crowns. Illustrate breathtaking ocean scenes with Wa'a Kaulua boats and serene landscapes of island huts and native plants. This camp blends realism with cartoons using vibrant art materials.

July 7-10 1-4 p.m. Grades K-5
 \$169 Young Rembrandts

Lunch Bunch
 Bring lunch and a beverage and hang from 12-1 p.m. Adult supervision and activities will be provided.
 \$29/week

Woodworking Camp

Build a paddle boat, a bird house, a trophy stand and garden tote. Builders will learn to measure, cut, sand, paint and then take home each project they build. Learn how to use basic tools (hammers, nails, screwdriver, measuring tape, t-square and more). SAFETY IS OUR FIRST PRIORITY. No power tools will be used in class. Note: participants should be comfortable cutting using a small saw as well as using other hand tools. Students should wear clothes that can get paint on them.

July 14-17 9 a.m.-12 p.m. Grades 4-7
\$189 {YEL}

Summer fun and learning for families with young children

Looking for exciting and engaging ways to spend time with your little ones this summer? Discover Early Childhood Family Education (ECFE) classes through Osseo Area Schools! Our summer program offers exciting activities for families with children from birth to age eight. It's the perfect opportunity to learn, grow, and play together while making wonderful summer memories.

Summer class dates and locations

Classes run from July 8 to 31, 2025 at convenient locations across the community, including:

- Arbor View Early Childhood Center Nature Play Area in Maple Grove
- Willow Lane Early Childhood Center in Brooklyn Center
- Various community parks

2025 class offerings

We offer a bit of something for everyone. Explore nature, build friendships, and create lasting connections with options like:

- Baby Yoga: gentle stretches and bonding time for caregivers and their babies.
- Learning in Nature: discover the outdoors while learning through play.
- Birth to Five EC&FE: Fun and educational experiences tailored to young children.
- Community Connections: Meet other families and learn about valuable community resources.

Registration information

Online registration opens on Mar. 19 at bit.ly/ECFEOsseo or call our office at 763-391-8777.

- Language assistance for Spanish, Hmong, Vietnamese, and Russian is available at 855-938-0586.
- Language assistance En Español, Lus Hmoob, Bằng Tiếng Việt available at 855-938-0586.

Fall class information

Too busy for summer classes? If your summer feels too packed with activities, don't worry! We have many fall class offerings starting in Sept. Visit bit.ly/ECFEOsseo in Aug. to view our fall class catalog and find the perfect experience for your family.

Early Childhood Screening

Have a child who just turned three? It's time for Early Childhood Screening! This free, simple check-up looks closely at your child's development, growth, and learning. Screening helps to identify strengths and areas where support might be helpful before they begin school. Schedule an appointment or learn more at bit.ly/EC_Screening.

Preschool and PreK: Get ready for school!

Is your child turning three or four by Sept. 1, 2025? Enroll in our Preschool and PreK program for the 2025-26 school year. Our experienced teachers provide a caring, play-based environment where children build the social and academic skills they need to succeed in kindergarten and beyond. Learn more and view class options at district279.org/preschool. Come join the fun!

About the program

Continue to develop your academic skills, make friends, and grow your love for learning at Osseo Area Schools Camp ROCKS! Academic Adventures. It’s so much fun! You’ll be busy, actively learning with a focus on standards in reading, math and science. This is top-quality summer education taught by the best Osseo Area Schools teachers. A lower staff to student ratio provides plenty of time for teacher attention and hands-on fun. Enjoy robust math and reading lessons, media center time, experiments, phy-ed, and weekly on-site special presenters!

Student recommendation

Students must be recommended into the program by their teacher and meet one of the following criteria:

- Behind in school work
- Below grade level in reading and/or math
- Learning English
- Need social interaction
- Teacher recommendation based on other needs or circumstances

What’s included?

- Breakfast and lunch
- New weekly on-site presenters
- Hands-on science
- Daily reading and math lessons
- Daily phy-ed and movement
- Media center time
- Family open house
- Sports day in July
- Large general education bus **if** you qualify **and** your address or daycare address is within Osseo Area Schools boundaries.

Dates, locations and times

- Monday-Thursday, June 23-July 31 (no camp 6/30-7/4)
- Birch Grove School for the Arts - 8:15 a.m.-2:45 p.m.
- Weaver Lake: A Science, Math & Technology School - 8:15 a.m.-2:45 p.m.
- Zanewood Community: A STEAM School - 9:15 a.m.-3:45 p.m.

Supports and services

Camp ROCKS! is offered through Osseo Area Schools Community Education and is not part of district regular educational programming curriculum. Camp provides limited nurse and behavioral supports. General education buses only (no Special Education busing provided). Teacher-student ratios are based on staff availability. We do not provide 1 on 1 support for students.

Camp structure and safety

A typical day at Camp ROCKS! looks similar to a regular school day but with a bit of summer flair. We reserve the right to modify the camp structure based on current ISD 279 health and safety protocols as well as construction schedules.

Enrollment details (enroll early!)

Enrollment Period: Jan. 21-March 21, 2025

Enrollments received in the Community Education office after March 21 will be placed on a waitlist and may not get into the program.

You must complete the entire enrollment form to qualify for Camp ROCKS!. If you are interested in this program, please speak with your student’s classroom teacher. **Not all students qualify.** Please do not enroll and take a spot from another family if you will be gone on vacation or are unsure if you can attend regularly.

Kidstop on-site enrichment camps

Ignite your summer at Kidstop with mind-blowing youth enrichment camps. A variety of optional, fee-based camps will be offered this summer for students in grades K-5 at all three Kidstop locations. We have been working diligently with the Kidstop staff to plan hands-on, engaging experiences for your student that will enhance their summer adventures. Camps are planned around the Kidstop field trip schedule as well.

Watch for more details in the coming weeks through your Osseo Area Schools Peachjar account. Our Kidstop camps have been very popular in the past because they take place on-site in a safe, secure and familiar environment. As always, the camps will be offered on a first-come, first-served basis so we encourage you to enroll sooner than later. Camp options include amazing STEAM-based “fun while learning” options.

If you have questions about our Kidstop enrichment camps, please call 763-391-7242 or email at communityeducationye@district279.org. A complete list of options will be posted through our Eleyo online enrollment portal at osseo.ce.eleyo.com sometime in late March. Check back for some amazing opportunities!

For information about Kidstop and the summer care program, please email CeCares@district279.org or call 763-585-7281.

Tie Dye Party - Friday only

Learn all the tricks to making the perfect tie dye t-shirt. Pick your colors, then design a t-shirt that you can wear all summer long! Bring your own white t-shirt to camp.

Get ready for a thrilling journey where science meets secrecy, and every discovery holds the key to unlocking hidden knowledge.
 Aug. 1 9 a.m.-12 p.m. Grades K-6
 \$55 Kidcreate

”Summer camps are the place where friends are made, memories are created, and dreams take flight. It is a place where every day is an adventure waiting to be discovered.”

-Anonymous

Lunch Bunch

Does your child want to take a morning and afternoon camp and needs a place to go for lunch? Or do you need an extra hour before or after camp? We offer a fee-based cold lunch program for students in Camp ROCKS! Mini Camps. Students must bring a bag lunch and beverage and we will provide the adult supervision, social time, and games. Students can also bring a book or electronic device if they wish to use it during lunch, however we are not responsible for missing or damaged personal property. Sign up for the weeks you need. For students in grades K-8. Offered at Weaver Lake: A Science, Math & Technology School.

June 16-20 (skip 6/19)	\$29	12-1 p.m.
June 23-26	\$29	12-1 p.m.

July 14-17	\$29	12-1 p.m.
July 21-24	\$29	12-1 p.m.
July 28-31	\$29	12-1 p.m.
Aug. 4-7	\$29	12-1 p.m.

Child and Babysitting Safety

The Child and Babysitting Safety (CABS) program from the American Safety and Health Institute gives everything you need to know for safe and successful babysitting. The YouTube “vlogger” style presentation of the video brings a youthful and high-energy spirit to the program content, and the colorful magazine format of the student book makes learning fun. From getting started with your own business, to working with parents and children, to key safety, caregiving, and first aid tips, CABS will help set you up for babysitting success. You must attend the entire class and also complete achievement of the core learning objectives to receive certification for two years. Baby dolls, bottles and the diaper supplies are provided. Offered at Maple Grove Middle School.

Lion King Kids

Lion King has captivated audiences around the world, and now you have the opportunity to produce this one-of-a-kind musical. Bring the African savanna to life with Simba, Rafiki and unforgettable characters as they journey from Pride Rock to the jungle and back again in this inspiring, coming-of-age tale. Lion King Kids features classic songs from the Broadway musical and the animated feature film, including “I Just Can’t Wait to Be King,” “He Lives in You,” and “Hakuna Matata.” Lion King Kids is for students who enjoy singing, dancing, and creating characters and a great opportunity for any student who wants to work to make something special. All students receive a part in the musical. Space is limited to 50 students who must be pre-registered before the first rehearsal. The BEAT (Bunce Educational Adventure Theater) provides trained theater staff who lead your student through an experience that promotes problem-solving skills, cooperation, leadership and self-confidence. Auditions for lead characters will be held on the first day. Offered at Maple Grove Middle School. There are performances on Saturday, June 28 at 2 p.m. and 7 p.m. Costumes are provided, students provide base layer.

June 10-13, 17-18, 20, 23-27	1-3:30 p.m.	Grades 6-9
\$195	The BEAT	

Youth Bicycle Repair and Bike Maintenance

This class is great for the new rider or the rider that is on the mountain bike team. Learn basic bike set-up and identification, shifting adjustments, brake adjustments, safety check your bike, as well as many other helpful tips and tricks. Bring your bike or even a family member’s bike. This is a great way to tune up your bike. Offered at Maple Grove Middle School.

Private Guitar Lessons

Guitar lessons are offered at Weaver Lake Elementary. If you want to learn to play the guitar or continue learning, sign up with Brandon Wells who has over thirty years of experience playing guitar and bass. He teaches all styles of music from rock, classical, jazz, metal, blues, country, folk, praise and worship, and pop as well as just a basic approach that's applicable for any style of music. Music theory and interpretation, note reading, composition, music appreciation and music therapy are all a part of his teaching program, which gives you the tools you need to play guitar, learn the music you love and express your creativity. He has been teaching private lessons since 1997. Brandon taught at Champlin School of Music, Schmitt Music and Pitchfever Music Academy. All guitar lessons are 30 minutes. Lessons take place at Weaver Lake: A Science, Math & Technology School.

Shaolin Kung Fu

Shaolin Kung Fu is the oldest and original martial art, and preferred style of the film industry. Learn traditional Kung Fu in a fun, relaxed atmosphere. Shaolin Kung Fu and Kid Fu are a great whole body aerobic workout that improves cardio, flexibility, strength, balance, weight loss, cognitive ability and memory, fine motor skills, confidence, self-esteem, balance, and coordination that last a lifetime. These active classes are full participation, non-competitive, and designed to develop skills at your pace and abilities by focusing on exercises and repetition to improve techniques. Learn and develop traditional kicks, punches, forms, self-defense and advance sparring techniques, board breaking, traditional instruments, and more. Earn degrees from beginner through black sash. You are eligible to test and earn through your black sash. Instructor Shifu Robert Mehus is a certified fourth degree Black Sash who started his Kung Fu training in 1982 and has substantial training experience under a renowned Shaolin Fighting Monk. Shifu Mehus has over 35 years of teaching experience. Offered at Maple Grove Middle School.

Skills Boost Camp: Small Group Tutoring

Skills Boost Summer Camp offers the reinforcement needed for your child to review skills learned, build skills, and gain confidence in reading and/or math. Taught by district teachers, this is the perfect way for your child to get ready for the school year. This skill refresher course is much cheaper than hiring a tutor or enrolling in a private center!

Reading Rocket

Give your reading skills a rocket boost. Your child will be assessed at the first class to provide individualized practice along with group instruction in key focus areas like prediction, questions, clarification, summarizing, phonics and more to assure reading success at each level.

Second Scoop of Math

Take a dip and enjoy a Second Scoop of hands-on math. Fun and engaging lessons focus on key skills in number sense and operations, fact fluency, equations, place value and so much more. Your child's skill levels are assessed at the first class for continued progress using individualized and group instruction.

All classes will take place at Weaver Lake: A Science, Math & Technology School.

Grades 1 and 2 (July 28-31)

Reading Rocket	9-10:30 a.m.	\$59
Second Scoop Math	10:30 a.m.-12 p.m.	\$59

Grades 1 and 2 (Aug. 4-7)

Reading Rocket	9-10:30 a.m.	\$59

Grades 3 and 4 (Aug. 4-7)

Reading Rocket	9-10:30 a.m.	\$59
Second Scoop Math	10:30 a.m.-12 p.m.	\$59

Snack
Bring a nut free snack and beverage or water bottle each day.

1:1 Private Tutoring

Our goal is to provide students with the additional support needed for academic success. Academic Tutoring is offered at a variety of times and locations to best meet you and your student's needs. If you are interested in getting the process started, simply contact us and we will send you the enrollment packet. From there we will contact you, line up a tutor, and begin the scheduling process.

Tutoring Philosophy

We will connect with you about your student's academic needs, personality, learning style and interests before matching him/her up with a tutor. Every effort is made to provide a tutor that will work well with your child to establish an effective one-on-one relationship. If you are not happy with your tutor, contact us and we will discuss whether changing the tutor is a viable option.

Tutoring Expectations

We do not "guarantee" grades. We do guarantee the tutor will do their best to teach the subject matter in a way that is most effective and your student can understand. Tutoring is a two-way street. Your child should be open to improving and willing to ask the questions they may be too shy or embarrassed to ask in class. That is why one-on-one tutoring is so effective. Our philosophy is that no question is too dumb to ask; it's okay to say "I still don't understand that" and we know that not everyone is going to grasp material the first time around. Patience is key for all parties involved because tutoring is a partnership.

Enrollment Information

For more information, call or email us at 763-391-7242 or communityeducationye@district279.org.

About Safeway Driver's Education

Safeway Driving School was selected by Osseo Area Schools and the Community Education department to provide teen driver's education in the schools. Safeway is the largest driving school in MN, instructing over 7,500 students per year. It has been an A+ rating with the Better Business Bureau (BBB) and is a BBB Accredited Business. Safeway has approximately 65 experienced instructors that have been background checked by MN Dept of Public Safety. Program is designed for students who are 14 1/2 to age 17.

In-person classroom training

Class consists of 10, three-hour lessons. Each lesson is independent and can be taken in any order. If a lesson is missed, you can make it up when and where it is convenient at another Osseo Area Schools class or at a Safeway classroom. Materials are provided in class. Lesson calendars and locations are on Safeway's website at safewaydrivingschool.com.

Online classroom training

Each lesson is independent and can be taken in any order. If a lesson is missed, you need to make up the exact lesson you missed. You need a device such as an iPad or laptop. Program includes materials and they must be picked up prior to the start of your online classes at the Educational Service Center: 11200 93rd Ave N, Maple Grove 55369. If your student is more than five minutes late logging in, they will not be allowed to participate in that day's lesson.

Behind-the-wheel

Behind-the-wheel training consists of three, two-hour private lessons which can be scheduled online or by calling Safeway's office at 651-351-9150. Pick-up and drop-off is scheduled for home, school or work. Training is done in a white car with Safeway's "Student Driver" graphics.

Registration and payment options

You can pay the full \$440 upfront when you register, or you can pay \$280 at registration and \$80 at each of your first two behind-the-wheel sessions.

Phone: 763-391-7242
 Online: osseo.ce.eleyo.com
 In-person: 11200 93rd Ave N, Maple Grove 55369

Schedules *(all sessions are 10 lessons)*

Park Center Senior High: An IB World School - Room 138

Session 1	July 7-18	1-4 p.m.
Session 2	July 21-Aug. 1	9 a.m.-12 p.m.

New! Self-paced classroom training

Experience the flexibility of learning at your own pace with Safeway Driving School's NEW Self-Paced, Online Driver's Education program. Designed for today's busy students, this state-approved course offers the same comprehensive 30-hour curriculum as the traditional in-person classes but allows you to complete your coursework independently. This class is online and will be completed via an online portal. Your portal link and your login information is emailed to you by Safeway Driving School. You will need a device such as an iPad or laptop. Complete your 30-hour course on your own schedule, working up to 3 hours per day. The program can be finished in as little as ten days or over the full 6-month enrollment period. Lessons must be completed sequentially to ensure a structured learning experience. Classes are available online 24/7, Monday through Sunday. Safeway Driving School will email login credentials and instructions to both the student and parent/guardian (if applicable). **Make sure both emails are on file and are checked regularly.** Enrollment includes your behind-the-wheel lessons. You have one year from the final date of your classroom session, or your fifteenth birthday (whichever comes later), to complete your six hours of behind-the-wheel instruction. Once you enroll through Osseo Community Education, you will receive a registration email with login instructions for the online portal. Use an email address you check regularly to avoid delays in accessing the course.

New course features:

- Engaging curriculum with short videos, interactive quizzes and games, and lectures.
- After-hours technical support available 24/7.
- Curriculum support via chat and phone, Mon-Fri from 9 a.m.-5 p.m.
- Extend your enrollment by an additional six months for a \$50 fee if needed.

Policies:

- If you transfer from an in-person class to a self-paced class you must start from Lesson 1. If you transfer to an in-person program your progress will transfer also.
- Fees are refundable or transferable if the course has not been started.
- Once the "Start Course" button is clicked, no refund is issued for the classroom portion of the fee.

FUN & CREATIVITY COLLIDE AT CAMP INVENTION

LEARN MORE AT [INVENT.ORG/CAMP](https://invent.org/camp)

Camp Invention

This is one of our most popular summer camps and fills quickly! It's a high-energy, interactive and creative camp. Camp Invention fully challenges you to inspire creativity, problem-solving, team work, innovation and confidence.

Enroll now before spots fill!

Location	Weaver Lake: A Science, Math & Technology School 15900 Weaver Lake Rd, Maple Grove
