## **REQUEST FOR LOCAL NON-COUNTABLE ABSENCE for Co-Curricular, Athletic, or Religious Event**

**Absences will be recorded as family business (B) unless this request has received prior administrative approval, 10 school days prior to the date of the event. Completed requests will be reviewed to determine if they are eligible for a non-countable absence.**

We recognize that students participate in outside educational opportunities that have a positive effect on future education or goals. In order for an absence to be non-countable locally, the absence must be a high level event for which the student has been selected using stringent qualifying criteria and all the conditions below must be fulfilled. Examples of high level events at which you will perform:

- Olympic competition
- National performance in which you qualified
- Lincoln Center performance

Chronic Absenteeism: NJ DOE state code identifies a very short list of days that are recognized by the state as excused. State-excused absences shall be as follows: (1) Religious observance, (2) Participation in observance of Veterans Day, (3) Participation in district board of election membership activities, (4) Take Our Children to Work Day; (5) College visit(s), (6) Closure of a busing school district that prevents a student from having transportation to the receiving school; and (7) Attendance at a civic event, one day per school year for students in grades six through twelve, pursuant to N.J.S.A. 18A:36-33.2.

Any absences that do not fall into the above categories count towards the state criteria for chronic absenteeism.
