# P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

**WHAT IS THE P3 CAMPUS ALERT APP?**
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

**HOW TO ACCESS THE APP**
**Send reports over web or internet**
You can also download the P3 Campus app for your mobile phone
**Apple Store**
**Google Play**

**HOW TO SEND A REPORT**
To send reports over the internet, go to **www.p3campus.com**
To send a report from your phone:

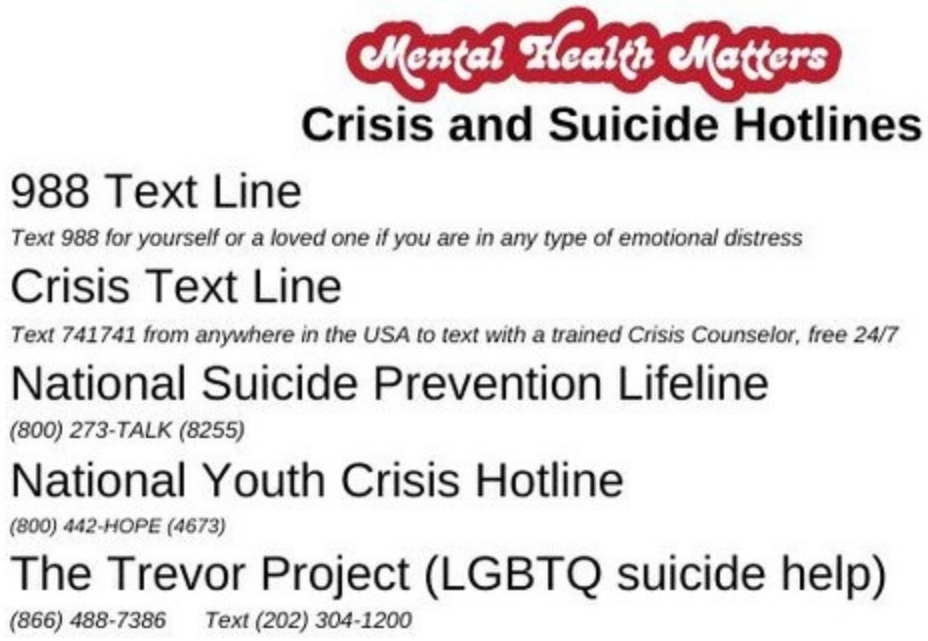

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

**HOW ALERTS ARE HANDLED**
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r

## Colorful Creel

**By Rose Holloway**

Mrs. Emily Creel is loved by many students and is a wonderful, colorful, and spectacular teacher.

Mrs. Creel was a third-grade teacher for a while, but for the 2024 -2025 school year she switched to fifth grade. She joined Mrs. Whitney Holmelin and Mrs. Denise Canneto in their three-way split as a science teacher.

"I used to teach fifth for a long time and I like the content I teach," she said.

"I like fifth grade more than any other grade. Don't tell third grade ha ha," she joked.

Mrs. Creel said she enjoys having some of the same students she has taught before.

She added that her favorite thing to teach is Earth science.

Her favorite activity that she has ever done with her students is creating experiments to help them learn while having fun. As you can see Mrs. Creel is a great, fun-loving teacher who loves every single student she has ever had.

Participants show off their amazing creations during the Balloons Over Broadway event.

## Bountiful balloons fly high

**By Aaron Reyes**

Mrs. Brandi Baker, a second-grade teacher, hosted the Balloons Over Broadway event at N.E.S. on Nov. 21, 2024.

The event was based off off the book also named *Balloons Over Broadway*.

N.E.S. students marched through the halls to show off their amazing floats.

Unique characters floated by including Bluey, Sonic the Hedgehog, and Stitch.

Students from every grade were very supportive and admired the participants' floats.

Overall, the Balloons Over Broadway event was a fun and delightful time.

## In a world filled with noise, find solace inside the pages of a book

**By Kylie Perez**

During this year's book fair, nearly 1,000 books were sold and purchased by N.E.S. students.

Many students came to the book fair with a card in hand, ready to read their favorite authors.

Book fair allows kids a chance to see new books, fun pencils, pens, and keychains.

Ms. Carlie Jamison looks forward to this every year because she gets to see the students excited about reading.

She loves that they are able to get really good and interesting books that they can read at home or anywhere.

"I love it when I can see the joy on their faces," she said.

The Scholastic Book fair was created on October 22, 1920.

Ms. Jamison has been doing it for the last four years.

When asked if there is anything she would change, Ms. Jamison said, "I would want books to be cheaper."

## Amusing Alanah

**By Maddy Gaedchens**

Introducing the very funny 6-year-old Alanah Matthys.

Did you know that she loves to tell jokes and is such a good jokester? When sitting down with the newspaper club, she made the whole room explode with laughter from one of her jokes. Her joke of the day was, "What is a hyena's favorite cookie? A *Snicker*doodle!"

Speaking of laughter, Alanah has a joyful laugh that makes everyone else laugh with her. When she isn't telling jokes, she likes to sing, and her favorite song is *Heat Waves* by Glass Animals. Alanah also loves playing creative shrinking games with her friends.

One thing about this amazing young lady is that she was born blind. When asked about how she reads she responded with, "I read with raised dots. It's called Braille."

Alanah is also a master at using her rhinestone bedazzled cane.

"It is all blinged out," she said.

This cane helps her be more independent and move around the school.

Her favorite part of school is a fire drill. "The noise sounds so funny, I laugh," she said. Her favorite subject is science. When she grows up she wants to be a "Bubbleologist. That's someone who learns all about bubbles," she explained. And with that, Alanah kicked off a game of invisible bubbles, tossing them to the newspaper staff.

## Buzz ... Here I come, the Spelling Queen Bee

**By Rose Holloway**

And the winner of the N.E.S. Spelling Bee is ... Me! Also known as Miss Rose Holloway.

As I walked up to the microphone, I was extremely scared that I would mess up, but I persevered through it all.

One thing about me, when I'm really anxious, I smile too much. As I waited for my turn, I twiddled my fingers to calm my nervousness.

When it was my turn in the first round, I almost messed up on the word blanket due to the extreme butterflies flying around in my stomach.

The first round took the longest amount of time for sure. Everyone was still in the contest, but the rounds became faster as more people got out. Soon enough it was down to me, Julian Orozco, and Brooklin Leger. Brooklin had gotten out first and then Julian. Soon, I was the only one left on the bench.

Before I could receive my trophy, I had to spell one more word -- the challenge word! The challenge word was … phantom. Once I had spelled the word correctly, there was this short period of time where nobody said anything, also known as an awkward silence! Then the crowd went wild. I was handed my trophy by none other than Principal Ms. Ann Price herself. We took like a million pictures after that. Then Julian, Brooklin, and I got another thick set of words to study for the district spelling bee held on Feb. 6. After this crazy experience, I feel it was extremely exciting that after four years of trying, I finally won the school spelling bee!

Here I am, the N.E.S. Spelling Bee winner, with runner-up Julian Orozco. On Feb. 6, I placed third in the district spelling bee.

## Snowy Shenanigans

**By Kylie Munguia**

On the morning of January 21, we awoke to snowflakes falling down.

This caused a complete stop to Crosby I.S.D. and allowed students to get a wee (three-day) break from school.

It was really exciting to play in the ice-cold snow. Especially since it hardly ever snows in the Houston area.

So of course, the students of Newport played in the snow! Brrr!

Did you make a snowman? A snow angel? Or maybe you did something unique.

## Christmas movie delights at P.V.O. event

**By Kassandra Herrera**

"Twas the night before Christmas break, and everyone was gathered nearby, as they watched the movie in the gym full of Christmas surprise."

The last school day before Christmas break, students and parents gathered to watch *The Santa Claus*, a Christmas movie event sponsored by the elective team and the N.E.S. P.V.O. The movie was about a young boy and his father who found that Santa Claus had fallen off the roof and the dad had to put on the suit and take on the role of a new Santa Clause

Fifth-grade student Braelyn Rogers said the movie was wonderful, fun, and exhilarating.

Each summer, we welcome a group of teen volunteers behind the scenes to engage directly with the artifacts, stories, and people of the space program. We are seeking enthusiastic youth with a passion for space exploration for summer 2025.

Students must be 13-17 years of age by May 27, 2025, and commit to volunteering for 3 full weeks between May 27 and August 8. Weeks do not have to be consecutive.

Program Highlights:

- **Personal and Professional Development:** In-depth training, instruction, and guidance to ensure success in facilitating hands-on activities and giving short talks. Work with educators to inspire explorer campers. Develop skills that will pay off throughout their scholastic and professional careers.
- **Stellar Benefits:** Complimentary access to Space Center Houston when not volunteering, discounts on events, unique experiences, and much more!
- **Valuable Volunteer Hours:** Opportunity to earn over 100 hours certified for the President's Volunteer Service Award.
- **Unique Experiences:** Meet interesting people from international guests to key members of our historic space program.
- **Lasting Memories:** Opportunities to collaborate with their peers and crew, test new ideas, and receive awards and recognition at special volunteer events.
