Greetings Maltby Parents,

March is Reading Month...

We are once again planning an exciting March Is Reading Month for our Maltby Bullpups with a career focus to give our students some exposure to the multitude of career pathways they can pursue when they get older! We have parents coming in to discuss their careers in "Hot Seat" interviews and some fun career pathway activities scheduled for the students in our Media Center.

BAS School Calendar Family Feedback Survey...

Parents, please take a minute and fill out our BAS School Calendar Family Feedback Survey for 2025/2026 and beyond – the county has asked Brighton to consider starting one week earlier in order to better align our shared programs across the county. Thank you!

[BAS School Calendar Family Feedback Survey Fall 2025](#)

Upcoming NWEA Assessments...

Our 5th and 6th graders will start the Spring round of NWEA assessments the week of March 3rd. Students take Reading and Math assessments over 2 weeks in their classrooms. These assessments are computer designed and provide some outstanding student growth information for parents, students, and teachers. Both assessments take about an hour for students to complete. We are planning on sending home results in early April. If you would like more information on NWEA assessments, please access our Parent Guide to [NWEA](#) on the Maltby website under Parent Resources.

Parent Information Night for Incoming 5th Grade Parents...

Our annual Parent Information Night for incoming 5th grade parents will be held on Thursday, February 27th at 6:30pm. If you have an incoming 5th grade student please plan on joining us for our parent orientation where we will be presenting information on scheduling, curriculum, Encore classes, lockers, lunch, bussing, and much, much more!!

Please note this event is for parents not students- thank you.

Parking Lot...

Please remember our [parking lot](#) is a right-turn only exit- thank you.

PLEASE if you have a student that walks home- reinforce the need for them to cross at the crosswalks AND Look both ways before crossing!!

Kind Regards,
Mr. Brenner
Mr. Aten

The McKinney-Vento Act

Brighton Area Schools is part of a consortium dedicated to supporting students in temporary living situations. Through this program, students receive financial assistance for educational needs, housing referrals, access to clothing and other essentials, general support, and technical assistance. To ensure compliance with federal law, all school staff are asked to help identify students living in the following situations: emergency shelters or transitional housing, motels/hotels, cars, parks, public spaces, shared housing due to loss of housing or economic hardship, or temporarily with a non-parent or guardian.

Our district's homeless liaison is Starr Acromite, and each building has trained staff members ready to provide support. Our consortium contact at the Livingston Educational Service Agency is Candice Olrich.

For more information or assistance, please contact your building principal or Starr Acromite at 810-299-4040.

Cell Phones at MIS

In accordance with the Brighton Area Schools Cell Phone policy, our students at MIS are permitted to bring their cell phones to school. We recognize the necessity and importance of family communication, but unfortunately ringing cell phones and the temptations of new games, cameras, and the technology that accompanies cell phones can present a

distraction for your student and/or others in their classes.

Therefore, at MIS our students:

Turn off cell phones at the beginning of the day and place them in their backpack. Refrain from texting friends or parents during school hours.

Utilize the main office phone to contact parents in the event of an emergency.

We have had great success in keeping Maltby a distraction-free learning environment by following these procedures. In addition, we ask that parents please refrain from calling or texting their student during the school day.

Any messages of an emergency nature can be relayed to students through the front office at 810 299-3600.

Please call before 3:05pm to ensure your child receives the message!

Thank you!
