

BRONZE NAVIGATION TRAINING

BILTON HIGH SCHOOL
SATURDAY 1ST MARCH 2025

Hi all

This is the information you need for the Bronze navigation training day. Please have a read through all the information listed below ☺

You will need to fill out the attached medical consent form and hand this into school by FRIDAY 28th FEBRUARY 2025. Without the parental medical consent form, you will be unable to take part in the training.

For the navigation day on **Saturday 1st March 2025**, we will all meet by the Primary school at 12 Dog Ln, Napton on the Hill, Southam CV47 8LT. With parking available at the pub opposite (Napton Victory Club). The car park and village are only small, so please try to drop off and pick up students quickly and car share wherever possible. This will help minimise traffic and disruption to the local community ☺

• **Teams 1-4 please arrive at 08:30hrs**

• **Teams 5-8 please arrive at 09:30hrs**

The Saturday will be a navigation training walk around the surrounding area. Teams will walk with an instructor, where they will be taught all the relevant skills and will also get to lead different parts of the route using a map and compass. This will enable them to safely complete their expeditions in the spring/summer.

Topics we will cover: Practical Navigation, Countryside Code & Emergency Procedure
