Background of the School District:

The Egg Harbor City School District consists of two public schools. The Egg Harbor City School District is a rural school district located in Atlantic County, New Jersey. The District serves approximately 578 students between grades Pre-K through 8th grade. The District has approximately 110 employees, of which approximately 95 are full and/or part-time certified teaching positions.

SCOPE OF SERVICES (TECHNICAL CRITERIA)

This Request for Proposals for Physical Therapy Services seeks to contract with therapist(s), companies, or agencies to provide services for the district. Proposals submitted will be considered to provide services and evaluations for public school students.

The vendor will provide the described services of Physical Therapy on location in the school district.

All students are to be seen as per times and durations as set forth in their IEPs/504s. There are no exceptions to this rule.

- All evaluations and reports are to be signed, scanned and attached to the email as a PDF file;
- All hard copies of 504 evaluations or reports are to be sent directly to the requestor, the Supervisor of Special Services.
- All hard copies of evaluations and reports are to be sent directly to the Child Study Team;
- All testing materials should be attached to a hard copy and mailed to the requestor, not to the Office of Special Services.
- All evaluations are to be completed and provided to the requester no later than 14 days after assignment receipt;
- All evaluations shall be written in accordance with the regulations set forth in New Jersey Administrative Code, in a style approved by the individual licensing bodies. The district may provide sample copies upon awarding of the contract. All reports must be printed on corporate letterhead. Both vendor and evaluator must be easily identified on the submitted report. All submissions must have signature of evaluator.
- This time frame allows sufficient time for the CST to review and, subsequently, provide a copy of this assessment to the parents/guardians of the students no fewer than (10) days prior to a scheduled I.E.P. meeting per **N.J.A.C. 6A:14-3.8**.

Continuity of Service:

Continuity of services to students by the assignment of a single therapist to work with a specific student is extremely important. Therefore, the provision of assurances that such continuity of therapists' services shall occur, (barring unforeseen emergencies), is a necessary element of any vendor's proposal submission.

SEMI-Medicaid Reimbursement Activity:

EHCBOE participates in the SEMI Medicaid Reimbursement program managed by the State of New Jersey. Therefore, as per State regulations, all services provided shall be entered into the PCG database. Training shall be provided at the start of the school year. A New Jersey License as well as Department of Education Certificate is required for therapist's time to meet MEDICAID reimbursement requirements. No unlicensed evaluators or therapists are to be assigned to work with EHCBOE students.

Note: All such data shall be entered no later than thirty (30) days following the end of any service month. Failure to meet this requirement shall cause the subsequent payment for services to be delayed until this error is corrected. Continued failure shall be reason for contract cancellation.

Companies/Individuals will provide the District with a list of employees, copies of required licenses and/or certification,

contact information (phone number and email), location and monthly updates of information based upon changes of employees' caseload.

Performance:

Providers working for the district are expected to perform all duties in a professional manner in accordance with board policies. It is the responsibility of the vendor to review pertinent policies with their staff.

District evaluations of providers shall be made available to the district as deemed necessary.

The district reserves the right to request a change in therapist should a violation of board policies occur.

Miscellaneous:

In order to assure absolute avoidance of any appearance of impropriety in the Evaluation-Therapy process, it is the intent of the district to segregate the Providers who are conducting the Evaluation of a student from the Providers of Therapy for the same student in the awarding of the contracts.

Qualifications of Respondents:

Certificates, Licenses, Criminal Background Check: All professional staff assigned to conduct any of the above-listed services, shall be in possession of all appropriate and current certificates of eligibility as well as New Jersey Licenses, as awarded by a New Jersey State agency (DOE, DHS, etc.), charged with such responsibility, or professional licensing entities, as appropriate. Whether providing Evaluation or Therapy services, all therapists either self-employed or employed by a Clinic or Agency shall have a "current" status in the **New Jersey Department of Education Approved Agencies and Clinics** official website. This requirement applies to any vendor with (3) or more employees only. All therapists working with students shall possess a current and active criminal background check.

Providers are to be knowledgeable specifically in the philosophy and principles of Physical Therapy and be licensed and certified in order to advise the Supervisor about the nuances of learning and behavior of children.

Sufficiency of Staff:

Any provider submitting a proposal for a specific school population, shall provide assurances that it has sufficient personnel to meet the initial assignment as well as the ability to meet the increasing population to be served as students are identified for services in the ensuing months of the school year. Implementation of services must occur within two (2) weeks of received referral. In the event that a therapist leaves, a replacement must occur within one (1) week of leave.

Attendance of Staff:

All agency personnel are expected to sign in at assigned building on a daily basis. Reporting time for agency personnel will be the same as the contractual start time for district employees in that building.

All missed therapy sessions due to therapist absence must be reported to department supervisor within forty-eight (48) hours, and made up within thirty (30) school days (except in cases of prolonged absence).

Notification of Absence:

In the event of an absence, therapist must notify the Department of Child Study Team/Special Projects AND assigned school building personnel via email before the start of the school day.

Specialized Equipment and/or Materials:

While the Department shall provide classroom space and, where necessary, specialized rooms and/or equipment, any such additional needs, arising from newly identified students, experience or research, shall be made known to the Supervisor of Special Services or designee, immediately so that the appropriate steps for the purchase of such items shall be processed. There shall be no post-purchase reimbursement to any Provider for any deviations from this requirement.

References:

All individuals or Agencies shall submit no fewer than three (3) references from a school, clinic or hospital administrator/supervisor/Director of Special Services attesting as to the quality and scope of services rendered.

Contract Period:

The term of contract will be from **July 1, 2024** or a date after July 1st, as determined by the State of New Jersey and the EHCBOE Board of Education, continuing through **June 30, 2025**, including and or all Summer Sessions/Extended School Year (ESY) which may be scheduled.

Coordination of Activities:

All activities for the procurement of the contract will be coordinated through the office of the Director of Special Projects.

Fee Schedule/Payment

Per hour proposals must be submitted for providing the services for each item listed below:

Billing for the above listed services shall be an hourly rate for the final report. All proposals are required to confirm that fact when the rate is stated. If there are any anticipated deviations from this procedure (e.g. missed scheduled appointments in a Provider's office), such must be stated in the submitted proposal explaining the service and/or reason for any additional billing beyond the report itself.

All fees for service shall be paid in the billing cycle one month following the service delivery. All bills for payment shall be submitted on the forms provided by the Board of Education and must be accompanied by the Service Verification forms, signed by the parent or school staff member, and shall appear as a full hour and prorated for time segments other than 60 minutes.

Service Verification:

All vouchers submitted in support of a request for payment, must have attached a *Verification of Service*, provided by the vendor, which has been signed by either a school administrator, or the child's parent or guardian. Each therapy session billed must show the name of the person who conducted that session, especially when there is an absence or leave. In those instances, where a report is generated and received by the district, that assessment shall be considered equivalent to this form. In the case of an evaluation, a copy of the evaluation must be included with the invoice as proof of service. Group sessions must include the name of all students on the service verification form. All completed forms must be remitted to the Director of Special Projects for approval for payment.

Procedural Expectations:

The following are part of the additional procedural expectations attending to the awarding of a final contract:

- Unless Vouchers for Payment are received in the Office of Special Services by the first (1st) of the month following the billing (or the first business day after if the first (1st) is a weekend or holiday) payment by the district will be delayed.
- Upon receipt of a contract and the commencement of service, NO SERVICES NOT SPECIFIED IN THE AWARD MAY BE PROVIDED. IF SUBMITTED, SUCH PAYMENT SHALL NOT BE MADE. There are no exceptions to this absolute requirement.

- All Vouchers for Payment for services to non-public schools (sectarian and non-sectarian) located in Egg Harbor City are to be on separate Vouchers as well.
- Every Voucher must identify the school in which the service was provided. For those rare circumstances where services are provided at home or at a place of business, a separate Voucher must be submitted bearing that information.
- Services are provided **only** on days listed in each school's calendar
- Services are not provided on the days when schools are closed due to inclement weather. Any charges incurred during

inclement weather days will not be paid by EHCBOE.

Note: The district shall not pay for any missed appointments or therapy scheduled. In the event that a Therapist is absent, a session must be rescheduled within 30 days. In the event that a student is absent, the District will not pay for a make-up session.

Make up sessions must be noted on all Service Verification Forms.

In rare cases, compensatory services may be approved. Be cautioned that the District will not pay for any compensatory services that are not approved in writing by the Office of Special Services. All compensatory services must be billed on separate Service Verification Forms.
