

## How to search for a book using the Destiny Online Catalog:

1. **Go to:** <https://iec.follettdestiny.com/>
2. **Click on:** [Ubah Medical Academy](#)
3. **Click on:** the **Catalog** tab at the top of the page.
4. Locate the “**Find**” box. This is where you will type in your search terms.

**Note:** the Title, Author, and Subject searches are most commonly used to find a book in the Media Center.

### **TITLE SEARCH:**

If you know the Title of the book you are searching for, type it into the “**Find**” box. Then click on the “**Title**” button. The Destiny Catalog will show you a list of all the books with that exact title and any titles similar to the one you are searching for.

Important things to remember when searching by Title:

1. Words do not need to be capitalized
2. Correct spelling is essential!
3. The words in the title need to be in the correct order
4. It is okay to type in only the first part of the title

### **AUTHOR SEARCH:**

If you know the Author of the book you are searching for, type the name into the “**Find**” box. Then click on the “**Author**” button. The Destiny Catalog will show you a list of all the books that are by written by this author that we have in the Media Center.

Important things to remember when searching by Author:

1. Words do not need to be capitalized
2. Correct spelling is essential!

### **SUBJECT SEARCH:**

If you want to find a book on a specific topic, you will want to search by Subject (*what the book is about*). Type the word(s) of your Subject into the “**Find**” box. Then click on the “**Subject**” button. Destiny Catalog will show you a list of all the books that the Media Center has on this subject.

Important things to remember when searching by Subject:

1. Words do not need to be capitalized
2. Correct spelling is essential!
3. Use as few words as possible
