## SAT/PSAT Day - March 5

In 2 short weeks, **all** 9th, 10th, and 11th grade students will be participating in our school day SAT/PSAT. 12th grade students will have asynchronous work posted that morning and should not report. Please ensure students charge their Chromebooks the night before the test and bring both their Chromebook and charger to school that day. School counselors will be doing Digital Readiness Checks next week so students will get more information at that time, which will also be available in their grade level Schoology groups.

## JDG Service Project

Brandywine High School's Jobs for Delaware Graduates (JDG) students brought fun and smiles to the residents of Foulk Living with a Casino Day! As part of their school-based service project, students created a lively atmosphere filled with games and connection. A great example of service learning in action!
