

POB Bond 2025 Request for Community Feedback

February 14, 2025

Hello and Happy Valentine's Day.

The POB Board of Education has requested the District develop and send a survey to the community to gather feedback about the 2025 Bond. Below is a QR code and link to this survey. The feedback from this survey will be discussed during upcoming Board of Education meetings and will inform the next steps the District will take to address the space needs and infrastructure repairs/updates that are required. All responses are anonymous.

The survey takes less than 10 minutes to complete, and **all responses are anonymous**. You'll have the opportunity to submit your thoughts, read others' perspectives, and rate ideas.

We will be including the invitation to this survey on the front page of the winter newsletter arriving the first week of March. It will also be posted on the District's Facebook page and website. Feel free to share the link with other residents in the community.

Thank you in advance for your participation. For our POB School families, enjoy the February recess.

Sincerely,

Dr. Mary O'Meara

Superintendent of Schools.
