ACADEMIC RESULTS 2024

“ As a community, we have developed an environment and culture in which our students are supported to perform to the very best of their ability. This underpins our record of academic success as a school, and we take pride in the hard work, enjoyment, and inspiration, which is to be found daily as a result. Our curriculum is focused on enabling every student to access subjects and courses which challenge, inspire, and prepare them for their chosen post-school destination. By drawing on the best of what both A Level and Scottish SQA Higher qualifications have to offer, we are able to provide real flexibility of choice and approach in our Upper Sixth year. This ensures that our students are able to move forward with confidence that they are ready for the next stage. ”

CELEBRATING MERCHISTON'S ACADEMIC RESULTS

In today's competitive and global workplace, it is important that your son leaves school having achieved the very best of which he is capable, equipped for his next step.

This booklet showcases the formidable academic performance of our boys. Here are some of the key facts and figures:

- 83% of students attend 1st choice university
- 15% of A-Level results were A*
- 100% pass rate
- 47% of GCSE results were Grade 7 or above
- 90% of grades at GCSE were 9–4

To be fully prepared for the next stage, your son will also need social and life skills in abundance. These are, of course, much harder to measure in a booklet. We hope you will visit us, meet the boys and let them tell you what they have gained here, above and beyond their academic success.

MOVING ON

Many of this year's leavers will be taking up places at top UK universities — the destinations are shown on the following pages. Some of these pupils will be taking time away from their academic studies to experience living and working overseas as part of their gap year. Their careers at Merchiston prepare them well as they embark on their future study; we equip them not just with the results they require to follow their chosen path, but also with essential life skills.

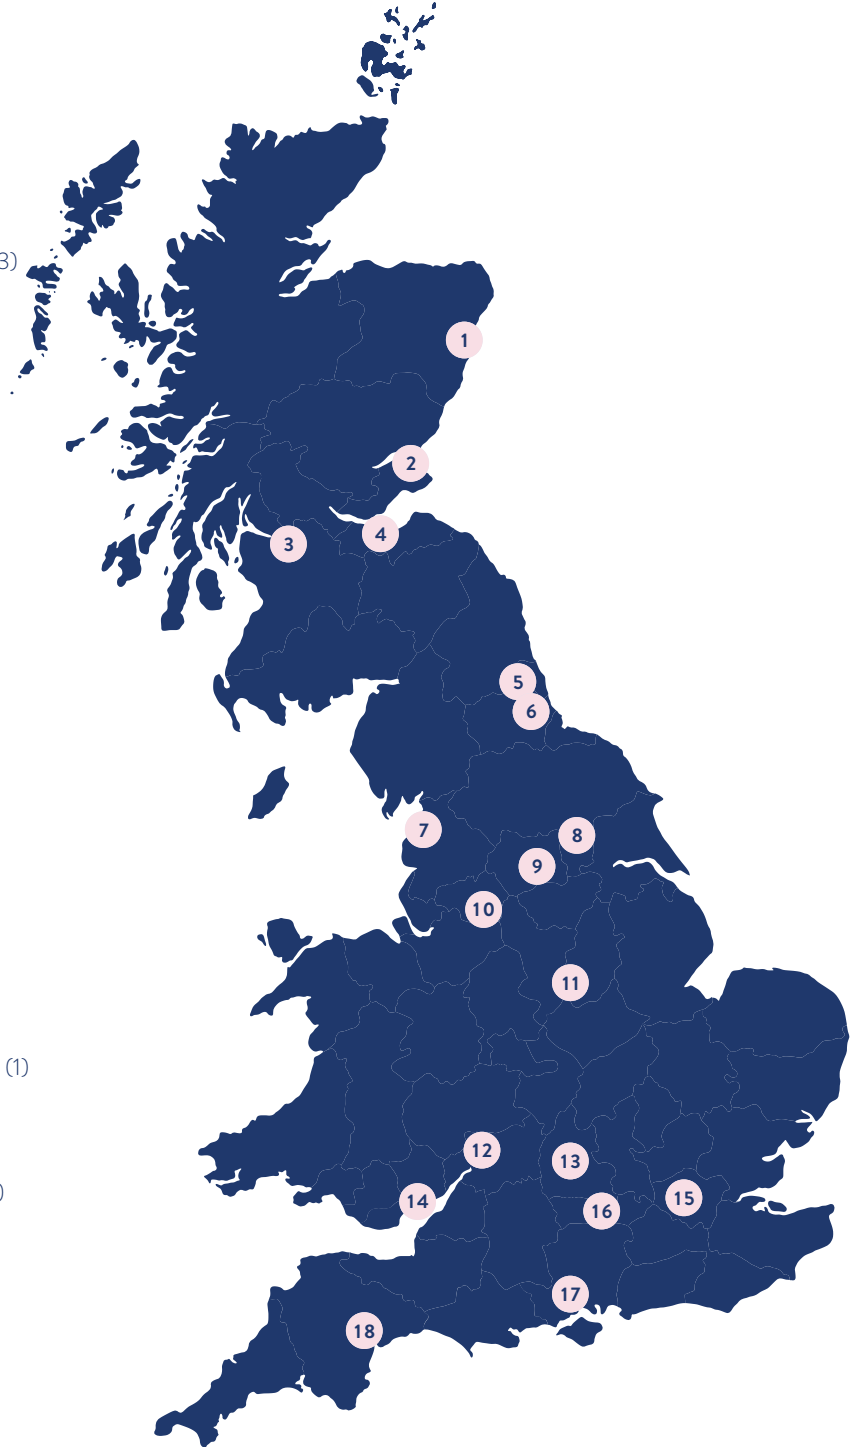

“ Teachers in the Maths Department are not only flawless in teaching, but also good at being mentors! You all stunned me, as I had not come across any teacher like you in Hong Kong. ”

“ Whatever they are harnessing in terms of my son’s enthusiasm for learning, if you could bottle it you could make a fortune – they have generations of experience teaching boys and know what makes boys tick. ”

PARENT

“ We place significant trust in Merchiston when recommending it as an outstanding senior school option for boys. Former pupils who go on to Merchiston never fail to impress when they return to visit, either as senior school pupils or beyond school leaver age. Merchiston succeeds in stimulating, challenging and inspiring boys to achieve their potential and readies them for an ever-changing and increasingly complex world. ”

LIAM HARVEY – *Headmaster, St. Mary’s Melrose*

“ Merchiston provides an outstanding, progressive all-round education, supporting boys to achieve academically and to develop as people, fully preparing them to meet the challenges of being a young man in the twenty-first century and ready to contribute to the communities in which they live. ”
