A note from the principal:

Dear Bulldog Family,
Tuesday evening we will be hosting our February Parent Engagement Night. We will be discussing the importance of student engagement in activities beyond the foundation curriculum. I have invited several students to speak and demonstrate some of the knowledge and skills that they have gained outside their core classes. I hope you all have an opportunity to attend. Finally, good luck to all Jr. Beta members as they go to Great Wolf Lodge this week for state competition!

MMS MEDIA CENTER

Our parent engagement night for February will be focused on MISD Priority 1.3. This priority falls under priority 1 - Student Excellence, specifically, producing Life Ready students focusing on the whole child/Student Engagement/Emotional Well-Being. While we are very much concerned with the academic progress that our students are making, we are also cognizant of the many benefits of providing students with Extended Learning Opportunities, and Engaging Activities that take their learning beyond the classroom. Please come and join us as some of our students demonstrate some of the knowledge and skills they are gaining beyond the core curriculum!
