- Read at least 30 minutes every day outside of school time.
- Provide my parents or the adult responsible for my well-being with any notices or information received from my school.

## Parents Will:

We, as parents, will support our children's learning in the following ways:

- Supervising punctuality.
- Ensuring assignments are finished.
- Engaging in relevant educational choices for my children.
- Encouraging beneficial utilization of my child's free time.
- Keeping myself updated on my child's education and maintaining open communication with the school by promptly reviewing all notifications from the school or the school district.
- Participating, whenever possible, in policy advisory committees such as the School Improvement Team, the Title I Policy Advisory Committee, the School Support Team, or other relevant school advisory or policy groups.
