

# 2024 - 2025 GOVERNING BOARD PRIORITIES & GOALS

## TEACHING & LEARNING

- Engaging and effective **science program**
- Monitor implementation of newly adopted evidence-based **ELA instructional materials**
- Utilize the full potential of our **new facilities** to increase their viability as a resource
- Develop an initial set of policies governing the use of **technology and AI** in the classroom

## WELLNESS & SAFETY

- Prioritize the advancement of the **Multi-Tiered Systems of Support (MTSS)** framework to meet the needs of each and every student
- Make informed choices regarding the enhancement of **physical safety** on both campuses

## COMMUNITY & COMMUNICATION

- **Educate the parent community** about the District's new ELA curriculum
- **Broadcast** to the parent and rising parent community regarding the **“whats” and “whys”** of the District's academics, reputation and dedication to the highest level of education

## FINANCE & RESOURCE ALLOCATION

- Maintain a **healthy reserve balance** with **appropriate resources available** for contingencies and **deferred maintenance**
- Evaluate current reserve structure and determine the **appropriate reserve level** for the District

## PVSD BOARD OF TRUSTEES

Aimee Armsby, Board President  
Robert Bauer, Clerk  
Janeen Poutre  
Kimberley Morris Rosen
