To any voter who continues to reside at the residence address to which this notice was sent or who no longer resides at the residence address, please mail or personally deliver this postage pre-paid card to the Commissioner of Registration. If you do not return this letter, then at any election held subsequent to the date of this letter, you may be required at the polls to affirm or confirm your address before you are permitted to vote, and if you do not vote in an election after 2 Federal General Elections, your name may be removed from the registry of eligible voters. If you have changed residences from this County to a different County in the State, you must re-register with that County in order to retain your right to vote. If you have been automatically receiving Mail-In ballots, such mailings are now suspended.

To be completed by each registered voter in the household.

Please complete the information below so that we may update the Camden County registry of eligible voters list.
