

NEWS FROM THE NEST

DECEMBER 2024

FROM THE PRINCIPAL

Dear Families,

We're looking forward to a fun and festive December!

Winter Testing will begin soon, marking one of three times we assess throughout the year. We're eager to celebrate the academic growth your child has made so far!

Winter sports are kicking off this week. As a reminder, if your child is here to watch the game/match please remind them that they need to be sitting in the bleachers watching.

Mrs. Thome and the children have been practicing tirelessly and are ready to shine during their performance on Friday, December 6th, at 2:00 PM. We can't wait for you to see their hard work come to life!

As we approach the end of December, classes have exciting activities planned. Look out for more communication about these events in mid-December.

Thank you for your continued support and for helping us make this a fantastic first semester. We're so grateful for our amazing community of families!

Warm regards,

Claire Kayton, Elementary Principal

NURSE'S CORNER

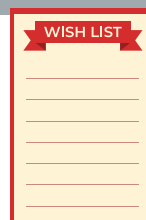

This month's nurse visits will focus on dental health for your students. Christmas break is a great time to get those cleanings scheduled! Here are some reminders!

- *Kids should be brushing twice a day & flossing daily
- *It is important to take care of those baby teeth as they can cause problems with permanent teeth
- *Students who have poor dental health are 3 times more likely to miss school
- *Dentist visits should be done every 6 months from the first tooth for life
- *Brush for 2 minutes, this needs to be a formed habit, time your child's routine
- *Replace your toothbrush every 3 months

A smile is one of the first things noticed about a person, let's help Boone Central Elementary students have the best smiles around!
