## Integrated Project-Living Without Limits

The screenshot shows a web browser window with two tabs labeled 'Integrated Project- 11th Grade'. The address bar shows the URL 'sites.google.com/lbschools.net/linked-learning/home?authuser=0'. A navigation bar contains links to YouTube, CANVAS, NETFLIX, StudentVUE, STUDENT PORTAL, HEALTHCARE, Dashboard-LBCC, certification, College Board - Si..., and Mail - Anelisse Ba... The main header of the site is 'Integrated Project- 11th Grade' on the left and a navigation menu with 'Home', 'Anatomy', 'APUSH', 'English', 'Sports Medicine', 'Documentation', and 'ABOUT US' on the right. The background image is a wooden walkway with railings leading into the distance. The title 'War in Pieces' is centered in large white font, with 'Living Without Limits' below it in a slightly smaller white font. A paragraph of text is centered below the title: 'Our Health and Medical integrated project will investigate the history and implementation of prosthetics in allowing people with amputations the ability to enjoy a good quality life as well as participate in professional level athletics. The investigation will be completed by integrating various subjects including History, English, Anatomy and Sports Medicine.' At the bottom, the names 'Isabella Valdivia, Anelisse Barron, Emily Anguiano' are listed. A small circular icon with the number '1' is in the bottom left corner.
