

**KEY POINT
ACADEMY**

Dear Key Point Academy Families,

We are excited to introduce a new referral program as a token of appreciation for our Key Point Academy community! Effective February 15th, 2025, families who refer a new family to KPA will receive a \$500 tuition credit once the referred student(s) have been enrolled for at least two months.

How It Works:

- If you refer a family who enrolls immediately, you will receive the \$500 tuition credit after they have completed two full months of enrollment.
- If you refer a family for the 2025-2026 school year, your tuition credit will be applied in November 2025, once the referred student has been enrolled for two months (August–October).

Referral Program Guidelines:

- The \$500 tuition credit is awarded per referred family, not per child. If a referred family enrolls multiple children, only one \$500 credit will be applied.
- The referred family must list your name on their enrollment application at the time of registration for the referral to be valid.
- Retroactive referrals (i.e., referrals made after the new student has already enrolled) will not be accepted.
- Only one referring family can receive credit per new family enrolled.
- Tuition credit is non-transferable, non-refundable, and cannot be exchanged for cash. It can only be applied toward tuition at Key Point Academy.
- If the referred family withdraws before completing two months, the credit will not be awarded.

There is no limit to how many families you can refer, making this a great opportunity to share what you love about Key Point Academy while also benefiting from tuition savings.

If you have any questions or would like to submit a referral, please contact Mrs. Murillo at headofadmissions@keypointschools.com.

As always, we thank you for being a valued part of our KPA community.

EDUCATING TODAY, PREPARING FOR THE FUTURE.
