Parental/Guardian Consent Form

We are sending this parental consent form to inform you and to request permission for your child's photo/image and personal identifiable information to be published on the district and/or school's web site or local media.

As you are aware, there are potential dangers associated with the posting of personal identifiable information on a website since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as educators do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Pursuant to law, we will not release any personal identifiable information without prior written consent from you as parent or guardian. The personal identifiable information we are asking to use may include first, middle, and last name; photographs or images; grade; and school.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal of your child's school, and such rescission will take effect upon receipt by the school.
