PREAMBLE

This Agreement is entered into this March 25, 2024, between the District School Board on behalf of the Salem-Keizer School District 24J, herein referred to as the "Board" or "District", and the Salem Keizer Education Association, herein referred to as the "Association".

ARTICLE I ASSOCIATION REPRESENTATION AND RIGHTS

A. Recognition and Status of Agreement

1. The Board recognizes the Association as the exclusive bargaining representative of the following:
 - a. All licensed teachers, counselors, nurses, school psychologists, physical and occupational therapists, audiologists, speech language pathologists, and social workers employed by the District, herein referred to as "employees". Excluded from this subsection are substitutes.
 - b. As defined in ORS 342.815, temporary teacher means a teacher employed to fill a position designated as temporary, or experimental or to fill a vacancy which occurs after the opening of school because of unanticipated enrollment or because of the death, disability, retirement, resignation, contract non-extension or dismissal of a contract or probationary teacher.
 - c. References in other provisions of this agreement to the term "employees" are intended to apply to all groups of employees within the bargaining unit, including teachers. However, references to the term "educators" are intended to apply only to those employees listed above in Section A.1.a of this Article.
2. Questions of unit determination and/or clarification shall be resolved through the negotiations. If the parties are unable to reach agreement, such disputes shall be referred to the Employment Relations Board.
3. The intent of this Agreement is to set forth and record herein the basic and full agreement between the parties on those matters pertaining to employment relations, which includes, but is not limited to: matters concerning direct and indirect monetary benefits, hours, vacation, sick leave, grievance procedures, and other conditions of employment.
4. There shall be signed copies of the final Agreement for the purpose of records. One shall be retained by the District and one shall be retained by the Association.

B. Association Leave

1. Leave Days

The Association shall be allowed up to 65 (sixty-five) days of leave per year for members of the bargaining unit to carry out the statutory duties of the Association as exclusive representative in collective bargaining, contract administration, grievance processing during the life of the contract, and related activities bearing a direct relationship to labor-management relationships between the Association and the District. Such leave shall be granted upon request of the Association President or Vice President. The Association shall be billed for substitute costs for each day of actual substitute usage.

2. New Employee Orientation Association Leave

- a. The Association shall be allowed up to 30 (thirty) days of leave per year for the Association to meet with new employees. This leave may be used in increments of one (1) hour. Such leave shall be granted upon request of the Association President or Vice President. The Association shall be billed for substitute costs for each instance of actual substitute usage.

- b. Within 30 (thirty) days of a new employee's hire date, the Association shall be entitled to one period of at least 60 (sixty) minutes, but no more than 120 minutes, within the new employee's contract day to meet with the employee in accordance with Article I, Section C. If there is not a period of at least 60 (sixty) continuous minutes within the new employee's contract day for this meeting, then this may take place in two separate meetings of at least 30 (thirty) minutes. If the Association Representative must leave their own worksite to meet with the new employee, the Association Representative shall use leave in accordance with Article I, Section B.2.a.
- c. The Association shall have a period of at least 60 (sixty) minutes, but no more than 120 minutes, to meet with new employees during District scheduled new employee orientations. For orientations where the number of new employees exceeds 15 (fifteen), the minimum amount of time shall be 90 minutes. This time shall be paid time for new employees. The requirement of Article I, Section B.2.b above, shall be considered satisfied for new employees attending District scheduled new employee orientations.
- d. The Association shall track time used under this section and provide the District a report of Association Leave time used in a digital file format. The report will be sent to the District within 10 (ten) business days the month following the month any Association Leave time was used. The report shall include the Association Representative name, time used, and date of usage.

3. Association Officers' Leave

- a. Upon request by the Association prior to June 1, the District will grant the Association President and Vice President a leave of absence without pay for their term of office. Such leave guarantees return to the same position or to a comparable position. Upon return to a District position, the SKEA President and Vice-President shall be placed on the salary schedule at the level which they would have achieved had they remained actively employed in the District. Furthermore, the SKEA President and Vice-President shall accrue all benefits in the same manner that they would have accrued benefits had they remained actively employed in the District. This unpaid leave shall be for the President and Vice-President to carry out the statutory duties of the Association as exclusive representative in collective bargaining, contract administration, grievance processing during the life of the contract, and related activities bearing a direct relationship to labor-management relationships between the Association and the District.
 - i. If the Association President and Vice-President are on a full-time release they may resign from their Association position at any time for any reason. The District will place the employee in a position comparable to their previous District position within 60 days of notice from the Association.
 - ii. In the event that the President or Vice President resigns from the full-time release position for a qualifying OFLA/FMLA medical leave, the District will comply with all state and federal leave laws and will apply their compensation per District policy and state and federal leave laws.
 - iii. The Association shall reimburse the District the total cost (salary, payroll, and fringe benefits) of the average teacher's salary for that year as determined on the October 1 scatter gram of the teacher salaries from All Funds or the actual President's salary, whichever is less.
- b. The Association shall reimburse the District the total cost (salary, payroll, and fringe benefits) of the Vice President's salary.

- c. The District agrees to process the differential salary provided to the SKEA President and Vice President by the Association as a part of the President's and Vice President's salaries which the Association currently reimburses and is now processed by the District. It is understood that this proposal will not result in any added costs for the Employer, and the Association agrees to hold the Employer harmless from any legal liability that might result from this contractual provision.

C. Association Activities

1. Interschool mail facilities, including the email system, may be used by the Association to communicate with bargaining unit employees regarding (1) collective bargaining; (2) grievances and other disputes relating to employment relations; and (3) matters involving the Association governance and business. District policy and practices governing computer and email usage shall apply.
2. Association representatives may meet with bargaining unit members outside of the workday without limit. The Association may use school facilities for those meetings so long as they do not interfere with the District's operations.
3. Once monthly, an Association representative may request to be placed on the agenda of a regularly scheduled building led meeting even if the meeting includes some professional development, or for District-wide meetings held for non-classroom-based educators and professionals (such as meetings of psychologists, librarians, Student Services staff), for the first 15 (fifteen) minutes of an a.m. or last 15 (fifteen) minutes of a p.m. meeting, or as agreed upon by the Association representative and the building administrator. The District will approve the request and administrators will not remain in attendance at the Association meeting unless invited.
4. In addition, on request, an Association representative shall be allowed to make brief announcements and respond briefly to questions during professional meetings.
5. Association representatives may meet with educators during the workday whenever educators are not responsible for student supervision or attending other District-directed activities.
 - a. Permissible time for Association access during the workday includes:
 - i. Non-student contact time before or after the student instructional day starts, so long as the educator is not responsible for student supervision or otherwise engaged in a District-directed activity.
 - ii. Educator preparation time or other similar "educator-directed" time, including "educator-directed" time on grading days and in-service days, with the educator's permission. Educators who choose to meet with the Association during their preparation period shall not be entitled to additional compensation for lost prep time pursuant to Article X, Section B.
 - iii. The educator's duty-free lunch.
 - iv. For non-classroom educators and professionals, such as "teachers-on-special-assignments," counselors, librarians, Special Education case managers and specialists, time expressly scheduled for a work activity (such as a previously scheduled classroom observation, class observations, and meetings with parents or other educators) may not be used for Association work and Association access time

is limited to 90 minutes per day.

- b. Association representatives may not meet with educators during “District-directed” activities or while supervising students.
 - i. “District-directed activities” include but are not limited to staff meetings, PLC/Data Team meetings, and IEP meetings. If an Association representative seeks to meet with an educator when a District-directed activity is scheduled (unless previously arranged or covered as Association release time), the District has no obligation to release the educator.
 - ii. “Student supervision” includes instructional time and assigned duty time but does not include other time when a student may “drop-in” to an educator’s classroom at the educator’s discretion.
 - c. Association access during the workday may not unreasonably interfere with an educator’s ability to complete work-related tasks. Administrators will be encouraged to communicate directly with Association representatives if they have concerns. If the concerns are unresolved, then they may be addressed in labor management meetings.
 - d. Association representatives do not need to seek permission before entering a District building but agree to provide advance courtesy notice when appropriate. In addition, they will sign in and out of the building as directed by office staff.
6. Authorized representatives of the Association will be designated by SKEA and may include Oregon Education Association or National Education Association employees, volunteers and retirees. However, any Association representative entering school buildings will be subject to whatever background check and/or policies which are generally required for adults entering a District building who are not working directly with students. In addition, prior to having access to the building, the Association will provide the District with the names of authorized volunteers and retirees in advance. Authorized Association representatives will be provided with visible SKEA identification by the Association.
7. The Association may be required to reimburse the District for any reasonable and significant costs incurred by the District as a result of Sections C.1 and C. 2 of this Article. Additionally, the Association agrees to hold the District harmless from any damage awards or litigation expenses which might result from implementing Sections C.1 and C.2 of this Article.
8. Appropriate Association representatives shall be allowed release time without loss of compensation when required by the District to meet with District personnel on matters relating to grievances that have been filed or scheduled negotiations.
9. Association Meetings: Association Representative Assembly and SKEA Board of Director meetings shall be placed on the District calendar. The District shall not schedule any "required attendance" meetings for representatives at a time that would conflict with the nine (9) Association Representative Assembly and/or nine (9) SKEA Board of Director meetings to be held during each year of this contract. If an Association representative is working hours that would extend beyond 4:00 p.m. on the date of a scheduled Representative Assembly meeting or Board of Director meeting, the representative shall be given "release time" beginning one-half hour prior to the scheduled start time of the Association meeting so that the member can attend the meeting.

10. Upon request, the District agrees to furnish the Association with readily available public information for utilization as the exclusive collective bargaining representative. The Association agrees to reimburse the District for actual costs incurred in development and delivery of such information.

11. Union material may be distributed to staff mail boxes during non-student contact time.

D. Joint Advisory Committees

1. The Association President shall make Association representative appointments.
2. The parties mutually agree on the importance of collaboration and dialogue related to the establishment and modification of policy. To that end, the District and Association shall convene a Policy Advisory Committee comprised of no more than two (2) Association members each from the Student Behavior, Evaluation, Report Card, and the Technology committees. This group will meet no fewer than two (2) times annually to discuss and provide recommendations on changes to policies and/or district-wide systems pertaining to their committees, not including enterprise software systems. Discussion undertaken by this group shall be limited to topics covered by the Student Behavior, Evaluation, Report Card, and Technology committees. Meetings of this policy review body will not substitute for meeting requirements of the committees in Section D.5 of this Article.
3. Unless otherwise stipulated in Section D of this article, Joint Advisory Committees shall meet at least two (2) times annually. The Professional Development Committee shall meet a minimum of three (3) times per year. See Article IX for Sick Leave Bank meetings requirement. The parties must mutually agree to additional meetings.
4. Joint Advisory Committees will have the authority to make recommendations to District Leadership and any other authorities granted to specific committees by this Agreement.
5. Salem Keizer Education Association representatives shall comprise half (or proportionate share) of the District staff representation on each of the following Joint Advisory Committees:
 - a. Calendar Committee;
 - b. Student Behavior Committee
 - c. Evaluation Committee
 - d. Report Card Committee;
 - e. Professional Action Committee for Education (PACE)
 - f. Sick Leave Bank Committee (see Article IX)
 - g. Sabbatical Committee (See Article VIII, Section A.7)
 - h. Technology Committee
 - i. Early Career Educator Committee
6. There shall be at least one Salem Keizer Education Association representative on the:
 - a. Safety and Security Committee

- b. Labor Management Committee
7. Professional Development Committee
- a. Salem Keizer Education Association representatives shall comprise half of the Professional Development (PD) Committee.
 - b. The Professional Development Committee has authority to make recommendations to District Leadership regarding PD plans for the future.
 - c. In addition to PD recommendations, this Professional Development Committee may review feedback from professional development sessions and recommend PD strategies to District Leadership.

ARTICLE II DISTRICT FUNCTIONS

- A.** It is recognized that the Board has and will continue to retain the rights and responsibilities to operate and manage the school system and its programs, facilities, properties, and activities of its employees, EXCEPT AS LIMITED BY THIS AGREEMENT AND APPLICABLE STATE LAW.
- B.** Without limiting the generality of the foregoing (paragraph "A"), it is expressly recognized that the Board's operational and managerial responsibility includes:
1. The right to determine location of the schools and other facilities of the school system.
 2. The determination of the financial policies of the District, including the general accounting procedures, inventory of supplies and equipment, procedures, and public relations.
 3. The determination of the management, supervisory or administrative organization of each school, or facility in the system and the selection of employees for promotion to supervisory, management, or administrative positions.
 4. The maintenance control and use of the school system properties and facilities.
 5. The determination of safety, health, and property protection where legal responsibility of the Board or other governmental unit is involved.
 6. The right to enforce policies, rules and regulations now in effect, and to establish new policies, rules, and regulations from time to time not in conflict with this Agreement.
 7. The direction and arrangement of all the working forces in the system, including the right to hire, suspend, discharge, or discipline employees.
 8. The creation, combination, modification, or elimination of any teaching position.
 9. The determination of the size of the working force, the allocation and assignment of work to employees, the determination of policies affecting the selection of employees, and the establishment of quality standards and judgments of employee performance.
 10. The APPROVAL AND AUTHORIZATION of the processes, techniques, methods, and means of teaching, and the subjects to be taught.
 11. The right to schedule classes and assign work loads and to APPROVE AND AUTHORIZE textbooks, teaching aides, and materials.

Nothing in the Agreement shall limit in any way the District's contracting or subcontracting of work or shall require the District to continue in existence any of its present programs in its present form and/or location, or on any other basis.

ARTICLE III

GRIEVANCE PROCEDURE AND JUST CAUSE

A. Grievance Procedure

1. Definitions:

Grievance: A claim by an employee or the Association based on the interpretation or application of this Agreement.

Grievant: The employee, group of employees, or the Association that alleges a violation of this agreement.

Days: Working contract days. Weekend or vacation days are thus excluded.

Immediate Supervisor: The individual who has the administrative authority to resolve the grievance.

Employee: Any member of the bargaining unit.

2. General Provisions Related to Grievance Procedures:

- a. Whenever possible, grievances will not be heard during the working hours of the grievant. However, should investigation or processing of any grievance require that an employee be released from their regular assignment, the employee shall be excused without loss of pay or benefits.
- b. The Board acknowledges the right of the grievant to have the Association grievance representative and/or legal counsel present in the processing of a grievance at all levels, and no employee may be required to discuss any grievance without such representation and/or counsel.
- c. All documents, communications, and records dealing with the processing of a grievance shall be filed in the grievance file, which shall be maintained apart from the personnel file, along with any statement the employee may wish to make.
- d. Nothing contained in this grievance procedure shall prevent any individual from initiating a grievance against the District even though the Association may not support them. The number of days indicated at each step shall be considered as maximum. Time limits may be extended by mutual consent of both parties. The parties shall make every reasonable effort to expedite the processing of grievances filed near the end of the school year.
- e. Procedures may terminate at any level if the grievant so indicates in writing or fails to pursue their grievance within the specified time limit. Such termination shall be without prejudice and shall not establish precedent for future grievances.
- f. When a grievance is filed that similarly affects an identifiable group of employees, the Association shall have the right to process the grievance on behalf of such employees. The grievance shall be sufficiently specific to allow the District to respond without need for research on each employee allegedly harmed. In processing the grievance, the Association shall follow all contractual procedures, including the informal discussion.
- g. In accordance with the Association's responsibilities to provide fair representation for all employees, at the Association's request, the District will provide to the Association information needed to process each grievance, provided the Association will pay the cost of preparing materials not readily available.

- h. There shall be no restraint, interference, discrimination, or reprisal on any employee choosing to use, or refrain from using, this procedure for resolution of grievances, nor shall there be any restraint, interference, discrimination or reprisal exerted on any witness or others who might be a party to, or contribute to, the solution.

THIS SECTION IS NOT GRIEVABLE BUT ANY VIOLATION OF ORS 243.672 MAY BE ADDRESSED BY THE ASSOCIATION FILING A COMPLAINT WITH THE EMPLOYMENT RELATIONS BOARD.

3. Levels of Grievance Procedure

- a. Level One: Informal Discussion: Within 30 (thirty) days of the time the grievant first had knowledge or reasonably should have had knowledge of the action upon which the grievance is filed, they will discuss the grievance with the immediate supervisor, with the objective of resolving the matter informally. If the grievance involving the interpretation or application of this Agreement is filed by the Association on behalf of a group of employees who work in different locations or the grievance is related to the interpretation or application at a level that does not involve a direct supervisor, the Association may have the informal discussion with a Human Resources (HR) representative. The grievant or the Association will let the immediate supervisor or HR representative know prior to the meeting that the purpose of the meeting is to discuss an informal grievance.
- b. Level Two: If the grievant is not satisfied with the disposition of their grievance, they may file a written grievance with their immediate supervisor or if applicable, a HR representative. If the written grievance is not filed within 35 (thirty-five) days after the act or condition on which the grievance is based becomes known to the grievant, the grievance shall be considered as waived. This written grievance shall set forth the specific grounds upon which the grievance is based, the contract clauses involved, and the remedy requested. The immediate supervisor or HR representative shall communicate their decision in writing within 10 (ten) days to the grievant.
- c. Level Three: If the grievant is not satisfied with the disposition of their grievance at Level Two, or if no decision has been rendered within 10 (ten) days, after the grievance was delivered to the Supervisor or the HR representative, the grievant may, within 10 (ten) days, request in writing that the Association submit the grievance to arbitration. A copy of each request shall be delivered to the District. If the Association so determines, it may submit the grievance to arbitration within 10 (ten) days after receipt of a request by the grievant.
- d. Limited School Board Level: For grievances alleging a violation of Articles XVI and/or XVII only, if the grievant is not satisfied with the disposition of their grievance, they may file an appeal in writing to the Board within 15 (fifteen) days of the Level Two response. Any hearing conducted by the Board shall be in executive session. The Board shall render its decision within 20 (twenty) days of the hearing or, if no hearing is held, within 30 (thirty) days of receipt of the relevant documents. For these grievances, the decision of the Board shall be final and binding. The decision may not be appealed to arbitration.
- e. Within 10 (ten) days after such written notice of submission to arbitration, the District and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Employment Relations Board (ERB) by the Association.

The arbitrator so elected shall confer with the representatives of the District and the Association, and hold hearings promptly and shall issue a decision. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall have the power only to interpret this Agreement and determine if it has been violated. The decision of the arbitrator shall be submitted to the District and the Association, and shall be final and binding on both parties.

4. General Provisions related to Arbitration:

- a. The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the District and the Association. Any other expenses incurred, including the cost of witnesses, shall be paid by the party incurring the expenses.
- b. No issue whatsoever shall be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place following the execution date of this Agreement, and no arbitration determination or award shall be made by the arbitrator which grants any right or relief for any period of time whatsoever prior to the execution date of this Agreement.
- c. The arbitrator shall not have the authority to reinstate an employee who has been dismissed or whose contract has not been renewed.

B. Just Cause

1. The Association has recognized in another section of this contract the right of the Board to establish and enforce rules and regulations, not in conflict with this Agreement and to discipline professional employees for violation of these rules and regulations. However, no employee will be disciplined without just cause and unless the generally accepted rights of due process are protected. Employees accused of violating rules and regulations calling for disciplinary action shall have written notice of the charges.
2. Section B, Just Cause, does not apply to the dismissal or non-extension of a contract or probationary teacher or the non-renewal of a probationary teacher's contract (such matters are excluded because they are governed by the Fair Dismissal Law), nor does it apply to assignment to or retention in Differential (extra duty) or Teacher Leader assignments.
3. The dismissal or termination of employees not covered by the Accountability for Schools for the 21st Century (the Fair Dismissal Law, ORS 342.805-955), shall be governed by the following:
 - a. Employees not covered by the Fair Dismissal Law who have not completed three (3) years continuous employment with the District are not subject to the just cause standard. They shall be given a written copy of the reasons for dismissal, and upon written request within 15 (fifteen) calendar days, shall be provided a hearing pursuant to the provisions of ORS 332.544. Upon request of the employee, Association representatives shall be allowed to attend the hearing. The decision of the School Board on the matters presented at that hearing shall be final.
 - b. Employees not covered by the Fair Dismissal Law who have completed three (3) years continuous employment with the District may appeal a dismissal to arbitration under the same standards and terms and conditions as set forth in ORS 342.905(6). The arbitrator

shall determine whether the facts relied upon to support the statutory grounds cited for dismissal or non-extension are true and substantiated. If the arbitrator finds these facts true and substantiated, the arbitrator shall then consider whether such facts, in light of all the circumstances and additional facts developed at the hearing that are relevant to the statutory standards in ORS 342.865 (1), are adequate to justify the statutory grounds cited. In making such determination, the arbitrator shall consider all reasonable written rules, policies and standards of performance adopted by the school district board unless the arbitrator finds that such rules, policies and standards have been so inconsistently applied as to amount to arbitrariness. The arbitrator shall not reverse the dismissal or non-extension if the arbitrator finds the facts relied upon are true and substantiated unless it is determined, in light of all the evidence and for reasons stated with specificity in their findings and order, that the dismissal or non-extension was unreasonable, arbitrary or clearly an excessive remedy.

- c. Article III, Section A.4(c) will not apply to this section.

ARTICLE IV RATES OF PAY

A. Professional Compensation

1. The salary schedule for employees covered by this Agreement shall be set forth in Appendix A of this Agreement. The base schedule will be increased by 6.25% in fiscal year 2023-2024, effective January 1, 2024 and 3.5% in fiscal year 2024-2025.
2. Upon the date of ratification of this Agreement, active employees shall receive a one-time \$6,000 recognition and retention stipend. This stipend shall be paid out within 10 working days of ratification of this Agreement. Employees whose FTE is greater than or equal to 0.5 FTE shall receive the full \$6,000 stipend and employees whose FTE is less than 0.5 FTE shall receive \$3,000. Employees on a non-protected leave of absence for more than six (6) months are ineligible for the stipend. Employees on a paid administrative leave will receive the stipend upon reinstatement.

B. Pay Column Change

1. An employee who completes course work which qualifies them for a change from one training level to another during the year, shall submit evidence of satisfactory completion to the District by September 15th or February 15th at 5:00 p.m. The employee's salary shall be adjusted accordingly, effective on the first day of the month following approval of evidence by the District.
2. For registered nurses, licensed occupational therapists, licensed physical therapists, speech/language pathologists, social workers, athletic trainers, and audiologists, advancement on the salary schedule may be based on Continuing Education Units (CEU's) equivalent to college credit. In order to substitute CEU's for college credit, ten (10) clock hours of CEU's will equate to one (1) quarter hour of college credit. Employees must provide a certificate of completion as verification for each clock hour submitted. The certificate must indicate the number of clock hours and identify subject area and date of attendance. Employees may submit up to 240 clock hours of CEUs by the September and February deadlines as stated in Section B.1 of this Article. This cap only applies to CEUs earned since the last submission deadline and not CEUs previously earned and not yet submitted.

C. Administration of Differential Schedule

1. The Differential Schedule (Appendix B) will provide compensation for employees assigned to continuing tasks which involve the supervision of students and which occur outside the normal teacher day.
2. The Differential Schedule is organized by activity type. A Range number has been assigned to each activity grouping for reference purposes, unless otherwise indicated. Under the Range is the percent (Differential Factor) of compensation to be received from an assigned Step. Steps 1 through 16 below the Differential Factor represent pay column BA+0 hours on the regular licensed salary schedule. All differentials in Appendix B are factored from the BA+0 hours and the applicable step.
3. An employee will not necessarily be at the same step of the differential schedule that they are on the salary schedule.
4. Movement from one step to the next until the highest step is reached shall be automatic. An employee on the schedule whose performance is less than satisfactory may be relieved of their differential assignment.

5. The following considerations will govern the placement of an employee newly appointed to differential assignments on the schedule.
 - a. Each sport or activity will be considered unique. (Example: an individual appointed as a basketball coach who has coached football for several years, but has never coached basketball, will be considered as an inexperienced basketball coach.)
 - b. An individual moving from an assistant coach position in one sport to a head coach position in the same sport, or from middle school in one sport to senior high in the same sport, will be placed in the new differential range using a ratio of every two (2) years of experience equaling one (1) year of experience at the new level.
 - c. Prior experience will be evaluated to determine placement on the differential schedule. Full credit will be given for comparable coaching experience in other districts.
6. Except for the compensation schedules, the Collective Bargaining Agreement shall not apply to extra-duty assignments: Extra-duty assignment shall be considered supplementary to an educator's basic contract and compensation or to other employees' compensation. Only District educators who have an extra-duty assignment(s) have rights to the grievance procedure (Article III of this Agreement) related to their extra-duty assignment. The District shall have no obligation to continue such assignments, compensation, or activities beyond the term of the extra-duty contract or assignment. However, it is understood that the District retains the right to assign extra-duty as it deems necessary.
 - a. In the event an employee does not complete the differential assignment, they shall receive no compensation for that part of the assignment not actually worked. Any monies paid to them for such non-work time shall be repaid on a per diem pro-rata basis. Unless the employee has resigned the position, the employee shall be compensated no less than the sum of \$150.
 - b. When two (2) or more positions are consolidated, pay shall be seventy-five (75%) of the total pay of the positions consolidated. Example: an individual who coaches both the boys' and girls' senior high gymnastics will be compensated at the differential factor of 16.0 ($2 \times 10.5 = 21$; $75\% \text{ of } 21 = 16$).

2. Most work of these staff should be accomplished inside the contracted work week. This differential is intended to compensate for additional leadership responsibilities and time spent completing paperwork and attending IEP meetings beyond the normal workday. If days are required beyond the contract year, compensation will be provided.
3. Special Education staff who are directed to act as the District Representative (DR) in an IEP meeting, in accordance with district policy, will be eligible for additional earnings if the meeting is held outside the contract day for a student for whom they are not the case manager.
4. Staff who schedule IEP meetings will make every effort to avoid scheduling meetings outside the normal contract day. The District will make efforts to provide a substitute, if one is available, for meetings during the contract day.

1. Effective January 1, 2024, classroom teachers who are assigned to work as a teacher in a bilingual setting in which the second language is a requirement of daily instructional delivery shall receive a differential of 8% per year based on the rate of MA+0, step 4. This does not include world language teachers. The differential will be pro-rated to match the teacher's bilingual or dual language-assigned FTE. For employees whose FTE is less than 0.50 in their Dual Language role, they will receive a 4% differential. (NOTE: SKEA will drop its grievance over this provision, contingent on paying all impacted members of the grievance the full 4% dual language differential, as of April 2023).

51-100	3%

2. When an ELL Facilitator reaches the cap of 150 students on their caseload, another ELL Facilitator will be added to the school. Schools with multiple facilitators will divide the student caseload as evenly as possible so that each facilitator has approximately the same number of students they are responsible for in a given building. In the event another facilitator cannot be hired, the cost of the differential for the unfilled facilitator position will be used to pay for a substitute teacher to allow release time of an existing ELL Facilitator to complete the work due to the additional student caseload according to the ELL Facilitator Caseload Chart (Appendix C). Once an additional ELL Facilitator(s) is (are) in place, substitute time will be reduced or will no longer be issued to the ELL Facilitator(s) accordingly.
3. ELL Facilitators shall be paid for three facilitator meetings; first year facilitators will be paid for one additional meeting for the purpose of ELL Facilitator orientation. If additional meetings are offered during the school year, facilitators may attend, but will not be required nor paid for attending additional meetings.

J. Site-Based Demonstration Teachers

1. A differential will be paid to a licensed teacher who takes on the duties of a Demonstration Teacher in certain school sites. The differential will be 7% based on MA+0, step 4.

K. National Board Certification or Doctorate Degree

An employee who holds national board certification or a doctorate degree granted by an accredited college or university shall receive a one-time stipend of \$1,000. If the employee is less than full-time, the stipend shall be prorated based on the ratio of the employee's FTE.

2. Employees may seek tuition reimbursement for completion of Continuing Education Units (CEU's) on a prorated basis within their area of licensure. In order to substitute CEU's for college credits, 10 (ten) clock hours of CEU's will equate to one (1) quarter hour of college credit. Employees must provide a certificate of completion as verification for each clock hour submitted. The certificate must indicate the number of clock hours and identify subject area and date of attendance.
3. In addition, the District shall provide tuition reimbursement for courses it requires employees in the District to complete.
4. Employees may submit to the District for reimbursement receipts for memberships to recognized professional organizations associated with the employee's work responsibilities. These reimbursements will be limited to no more than \$100 annually and will count towards the employee's overall Tuition Reimbursement as outlined in Section C.1 in this article. A list of organizations will be agreed upon by the parties through the Joint Advisory Committee on Professional Development to submit to the District for approval each year.

ARTICLE VII EMPLOYEE BENEFITS

A. Insurance

The maximum District contribution for plans selected will be \$1,400 for the 2023-2024 insurance year and \$1,500 for the 2024-2025 insurance year.

1. If the premium for the plans selected exceeds the maximum District contribution per employee per month as of October 1 of any year, the excess shall be withheld through monthly payroll deduction. The Association may notify the District in writing prior to December 1 of any year of intent to change benefits and/or carriers specified in Section A.1 of this Article above, in order to maintain the premium at or below the maximum District contribution. After timely notification, Association requested changes shall be made effective January 1 of the same school year.
2. The District shall contribute a portion of the insurance premium for employees who are scheduled to work less than full-time. The District's contribution shall be prorated based on the ratio of the employee's scheduled workweek to the normal full-time workweek. Provided, however, that with regard to employees who are scheduled to work twenty hours per week or less, the District need not make a contribution, unless the carrier certifies that the employee shall receive a prorata benefit in return for the prorata contribution.
3. A Section 125 Plan shall be available to all unit members for utilization of eligible expenses from pre-tax dollars.
4. The District will contribute \$100 a month to all eligible employees' Health Savings Accounts (HSA).

B. Two Employees Employed by the District Benefit (Formerly "Two on Contract")

When married couples or domestic partners are both employees of the District, they may elect to combine their full insurance contributions to pay their plan premiums. They may use up to the equivalent of insurance contribution caps for both employees. The following is required to qualify for this benefit:

1. Both the employee and spouse or domestic partner work for the District.
2. Both the employee and spouse or domestic partner are both benefit eligible.
3. Both benefit eligible employees complete and sign a form enrolling in this benefit arrangement.

5. If the employee and/or spouse or domestic partner work part-time and receive a pro-rated District contribution, the District will pay up to 100% of the pro-rated contribution for each person.

6. Any premium amount not covered by the District contribution is paid by the employee.

C. Public Employees Retirement System Pickup

The District shall not withhold from employee's monthly salaries the contributions required by ORS 238.200; and shall continue to "pick up", assume, and pay a six percent (6%) employee contribution to the Public Employees Retirement Fund for the employee members then participating in the Public Employees Retirement System. Such "pick-up" or payment of employee member monthly contributions to the system shall continue until the termination of this agreement. Should the statutory established pick-up rate fall below six percent (6%), the BA+0 hours, Step 1, salary schedule figure shall be increased by one and one-half percent (1.5%) for each one percent the pick-up rate is lowered. The full amount of required employee contributions "picked up" or paid by the District on behalf of the employees pursuant to this agreement shall be considered as "salary" within the meaning of ORS 238.005 (8) for the purpose of computing an employee member's "final average salary" within the meaning of ORS 238.005 (12) but shall not be considered as "salary" for the purposes of determining the amount of employee contributions required to be contributed pursuant to ORS 238.200. Such "picked-up" or paid employee contributions shall be credited to employee accounts pursuant to ORS 238.200 (2) and shall be considered to be employee contributions for the purpose of ORS 238.005 to 238.325.

To protect confidentiality, any data which the provider transmits to the District shall be summary only. The Employee Assistance Plan will include individual and/or family counseling.

ARTICLE VIII LEAVES

A. Leaves with Pay

1. Sick Leave

- a. In accordance with provisions of ORS 332.507 and ORS 653.601, an annual 10 (ten) days of sick leave with pay shall be allowed each employee who is employed for a full school year. Eleven (11) days shall be allowed for each employee who is employed on an extended contract of 220-239 workdays per year, and 12 (twelve) days shall be allowed for each employee who is employed on an extended contract of 240 or more days per year. Sick leave not used shall be cumulative without limit, and may be used at a future time subject to the following conditions:
 - i. An employee who serves for a fraction of the school year or school day shall receive benefits on a prorata basis.
 - ii. The sick leave in Section A.1(a) of this Article will apply to the illness or injury of the employee and their qualifying family members. Qualifying family members include the following: spouse, domestic partner, child (including adopted, stepchild, foster child), domestic partner's child, parent, parent-in-law, domestic partner's parent, grandparent, grandchild, and any individual whom an employee has or had an in loco parentis relationship as defined under ORS 653.601.
 - iii. The District may require certification by a health care provider as a condition of allowance of sick leave if it appears that an employee may be falsifying or abusing sick leave privileges. Certification that an illness or injury prevents an employee from carrying on the employee's duties will not usually be required unless the employee is absent in excess of 10 (ten) consecutive contract days. The District may contact an employee prior to the 10th (tenth) day to provide information about other leave provisions that may apply to their situation.
 - iv. Sick leave will be frontloaded to an employee after the employee has worked one full day in a new contract year. Exceptions may be made for employees who experience a need for leave on the first day of work due to unforeseen circumstances (e.g. on the job injury, emergency situation, etc.). An employee who is scheduled to work, but is unable to report to work shall be allowed to use their accrued sick leave from previous year(s).
 - v. If medical evidence indicates the employee could return to duty, and fails to do so upon written request, the employee may be subject to discipline up to and including dismissal.
 - vi. If an employee exhausts their sick leave prior to earning that year's sick leave and ends their employment, the District will require the employee to reimburse the District the time that was paid, but not earned for that year from their final payroll. This does not apply to an employee who takes an unpaid leave as long as the employee returns to work for the District.
 - vii. An employee shall not consider sick leave as a right which allows absence at any time for other than personal disability resulting from illness or injury, or that of a family member, and sick leave shall not be considered as available upon separation of employment, either in time or in dollars.
 - viii. At the time of original employment or subsequent reemployment by the District, an employee who was previously employed in an Oregon school district shall be credited

with unused sick leave, up to 75 days, accumulated in and reported by such prior district or districts; provided, however, that:

- a) In the calculation no single sick leave day will be counted more than once.
 - b) Such sick leave will not be credited to the employee's account until the employee has completed 30 (thirty) working days with the District.
- ix. Sick leave will not be earned during a period when an employee is on leave without pay.
- b. An employee on sick leave shall not engage in any other form of employment during the usual hours of service to the District without obtaining the approval of the District prior to the start of such employment.
 - c. The absence of an employee, because of illness or accident, for which they receive compensation from the District workers compensation insurance carrier, shall be considered as sick leave. Such compensation for the time lost (but not disability settlements) shall be deducted from sick leave compensation paid to the employee by the Salem Keizer School District. However, the amount of sick leave time charged against the employee's sick leave account shall be only that portion of each day for which the employee is actually compensated by the District.
- Example: An employee received \$10 per day compensation during an absence. Their regular salary is \$20 per day. Assuming that the employee has sufficient current or accumulated sick leave to cover the period in question, sick leave pay from the District would be \$20 minus \$10 per day for each day that the insurance carrier compensated the employee. The sick leave time deducted from the sick leave account would be 10/20 of one day for each day the employee is absent and compensated by the insurance carrier.
- d. On each payday each employee will receive a payroll advice noting the current sick leave balance reflecting the most current timekeeping. However, the District reserves the right to adjust the balance based on final timekeeping should there be a timekeeping or calculation error that is later discovered.

2. Paid Family Medical Leave Insurance

- a. For purposes of administering Oregon's Paid Family and Medical Leave Insurance (PFMLI) program, the District has the option to change to or from a state plan and a state approved equivalent plan provided employee contributions with an equivalent plan do not exceed the amount that an eligible employee would otherwise be required to contribute with a state plan. PFMLI will run concurrently with OFLA/FMLA.
- b. Employees must make the decision to run their paid leave accruals concurrently with PFMLI when providing notice of their foreseeable leave to the Leaves department. Employees will enter the amount of their accruals they want to use in the absence management system and will be subject to payroll deadlines. If advanced notice is not possible due to an emergency or unforeseeable event, the employee must notify the Leaves department as soon as possible.
- c. If an employee's PFMLI leave is extended, the employee will be allowed to modify their paid leave accrual election at that time. Any wages paid to an employee based on the employee's paid leave accrual election will be final and not subject to a repayment or restoration of accruals.

3. Bereavement Leave

- a. Bereavement leave with pay, not to exceed five days per bereavement, shall be granted to each employee due to the death of a family member. Family member shall be defined as parents, parent in-law, spouse, domestic partner, child (including foster, adopted, step-child, and a child whom the employee stands in loco parentis), grandparents and grandchildren, brother and sister (including step-brother and step-sister), uncle, aunt, nephew, and niece. This leave may be entered by the employee through the normal absence reporting system. Employees are required to identify the relationship to the employee in the system. The purpose of this leave is to allow the employee the necessary time to attend the funeral and to take care of other necessary arrangements. The District may request documentation to support an employee's bereavement leave if it appears that an employee may be abusing the leave.
- b. The District will run this contractual bereavement leave concurrently for employees who elect to utilize the state leave. Employees require approval for state leave by the Benefits and Leaves Department. If employees access bereavement leave through state leave laws, employees have sixty (60) days from the date they have knowledge of the death of the family member to utilize the leave.

3. A full-time employee shall have a regular workweek of 40 hours a week and a part-time employee shall be assigned work proportionate to their assigned time as compared to employees in the same job category.
4. In the event an employee’s total FTE is between 0.90 and 0.99 FTE, their FTE will be automatically rounded up to 1.00 FTE by the District, for the purposes of compensation, benefits, scheduling, and all other rights defined by this contract.
5. Travel time during the workday will be considered paid time and is part of an employee’s workweek; travel time is not prep time.
6. Lunch for part-time employees will be paid for each day in which they are assigned to work more than 4 hours.
7. The limits in Sections A.8, A.9, A.10, A.12, and A.13 below in this Article shall apply to the district’s management and use of time within an employee’s assigned workweek.
8. For Elementary PE Specialists, this table illustrates the maximum number of assigned classes achievable only if no other duties during the student instructional day have been assigned. Additional assigned responsibilities during the student instructional day, outside of classes, will result in an employee having fewer assigned classes. PE class limits will be as follows:

40 hours/week	no more than 48 30-minute classes	1.0 FTE
30 hours/week	no more than 36 30-minute classes	0.75 FTE

For each additional period for an employee at 1.0 FTE, an additional 0.20 FTE shall be allocated.		

14. Instruction of advisory/homeroom will not be included as a class in the above schedules as long as it is for no more than one hour of total time per week.

15. In the event the District intends to adopt a schedule other than those described in this section, it will notify the Association of the intended revised schedule and will bargain upon demand according to the law.

16. For secondary classroom teachers who sell their prep period to teach (an) additional course(s) for greater than one week, their FTE shall be calculated as illustrated above. For periods of one week or less, compensation for such lost prep time is described in Section C of this Article.

B. Workweek and Workday

1. The normal workweek shall be Monday through Friday no more than 40 (forty) hours per week including a 30-minute duty-free lunch period each day. Employees starting and release times may vary, depending on building and program hours. An individual worksite may establish an adjusted workweek schedule that includes one day per week with more than eight (8) hours and one day per week with less than eight (8) hours as long as the total hours for the week are still no more than 40 (forty). If a worksite establishes an adjusted workweek schedule it must be designated at the beginning of the schoolyear for the week(s) it will be utilized AND the schedule must allow for employees to complete all daily assigned supervisory duties prior to their scheduled end time. Full-time employees shall be on duty and available on the school site or site otherwise designated by their principal or immediate supervisor for such above period of time on days employees are to report to work.
2. If mutually agreed to by an employee and supervisor, daily work schedules may vary on an individual basis.
3. A supervisor may vary daily work schedules on an individual or group basis when in their judgment such variance is in the interest of the district. The supervisor shall provide at least 20 contract days' notice. The supervisor shall make a reasonable effort to consult with affected employee or employees before imposing a change in the employee's or employees' working hours.
4. For parent/family teacher conference days, twice annually the work week for school/program based licensed staff may be adjusted to include two 12-hour days. The following parameters exist for this adjusted schedule:
 - a. The 12-hour days can include an instructional day for the first day, but the second day cannot be an instructional day.
 - b. The two 12-hour days can include grading time as outlined in Article X.
 - c. Professional development time during 12-hour days per level shall be limited to the equivalent of one half-day and only can occur when one half-day of grading time total during the two 12-hour days exists.
 - d. Employee preparation time shall be 90 minutes on 12-hour days.
 - e. Employees shall have a second 30-minute mealtime on 12-hour days.
 - f. No meetings or other required tasks other than those specified here will take place during 12-hour days.
 - g. The day after two 12-hour days shall be a non-workday and the total assigned hours for the week will still be 40 hours.
 - h. Licensed staff who need to attend parent/teacher conferences for their children would be allowed to arrange time to attend conferences for their own children that is

least disruptive to the employing school's conference schedule.

- i. This schedule is intended for school/program based licensed staff who work directly with students. Staff who work in other departments or programs with no direct work with students can elect to operate on this schedule or maintain a regular schedule for their department or program at the discretion of the supervisor.

C. Employee Preparation Time

1. Employee preparation time is employee directed time to complete tasks related to their job responsibilities. The District shall not require an employee to schedule parent conferences, student conferences, or other District-identified duties during preparation time.
2. An employee who is required by the District to utilize preparation time for matters other than employee directed time or who does not receive their total allocation shall be compensated for their lost time as follows:
 - a. In the event an employee receives less than 30 (thirty) minutes preparation time the employee will be compensated for a full preparation period at their per diem hourly rate.
 - b. In the event an employee receives at least 30 (thirty) minutes preparation time the employee will be compensated for the lost time of their preparation period at their per diem hourly rate.
 - c. Employees who have 'sold their prep' for the duration of the term or on a non ad hoc basis will have their FTE and corresponding compensation adjusted as described in section A of this article.
 - d. If the employee's assignment is not addressed by a schedule in section A of this article, they will be paid their per diem hourly rate of pay for any preparation time sold.
3. School employees includes any employee assigned to work the majority of their workday in a school, including EDGE and other student-facing programs.
4. PRE-K: For student contact days, Pre-K full-time employees shall be provided no less than 60 (sixty) minutes each day free of other duties or responsibilities for utilization as preparation time. This time period shall be allocated in blocks of at least 30 (thirty) uninterrupted minutes.
5. ELEMENTARY: For student contact days, full-time elementary employees shall be provided no less than 300 minutes each workweek for five-day workweeks free of other duties or responsibilities for utilization as class preparation time. A minimum of 240 minutes shall be during student contact time. This time period shall be allocated in blocks of at least 30 (thirty) uninterrupted minutes. At least one such block shall be provided during each day during the period between the time when students are required to report to class for instruction in the morning and the time when students are dismissed from instruction in the afternoon.
6. MIDDLE SCHOOL: For student contact days, middle school employees shall have a minimum of one instructional period free of other duties or responsibilities for the purpose of preparation time. One block of middle school preparation time shall be 45 (forty-five) minutes or one full period, whichever is greater.

7. HIGH SCHOOL: For student contact days, high school employees shall have a minimum of one instructional period free of other duties or responsibilities for the purpose of preparation time. One block of high school preparation time shall be 48 (forty-eight) minutes or one full period, whichever is greater.
8. For middle and high school teachers on days when regular class time is reduced because of assemblies, half-day in-service, or grading time, an employee's prep time will be reduced proportionately to the reduction in each class period.
9. On days designated PSAT day or other alternate student schedule, and when the bell schedule is such that not every teacher has a preparation period during the student contact day, schools will designate a preparation period for teachers equivalent in length to a regular preparation period of the adjusted schedule and it must occur during the hours that would normally constitute the student contact day.
10. On days when the student schedule is adjusted for finals, all time that would be student contact time on a regular schedule shall be employee preparation time.
11. For professional development and in-service days, all school-based employees will receive a minimum 60 (sixty) minutes of preparation time instead of their regular workday allocation.
12. The District shall provide a portion of preparation time to an employee who is contracted as 0.50 FTE or more per week but less than full-time. The portion shall be prorated based on the ratio of the employee's scheduled workweek to the normal full-time workweek.
 - a. Such proration shall be in 30-minute blocks, but the provision that such blocks shall be provided during the student contact day shall not apply.
 - b. In the case of teachers sharing a position, however, preparation time shall be assigned to the position and shared as determined by the District.
13. All Special Education Resource Teachers (LRC) and Speech Language Pathologists (SLP) shall have at least 180 minutes weekly (based on a five-day week), for educator directed case management work. This time will be prorated for weeks less than five days in length. This time will be assigned according to the provisions in Section 14 of this Article.
14. The following definitions distinguish between employees who have assigned and/or scheduled preparation time, and those who receive preparation time which is unscheduled.
 - a. Assigned and/or Scheduled Preparation Time: Employees who are assigned classes and who prepare for daily coursework that requires grading and the assigning of grades to students. (Note: this includes LRC teachers, SLPs, and Reading Specialists.)
 - b. Unscheduled Preparation Time: Employees who support instruction and/or provide resources and services to students, but do not prepare daily coursework that requires grading and the assigning of grades to students.
15. Employees who receive unscheduled preparation time will use professional discretion when incorporating preparation time into their daily and weekly work schedule. This time will not be formally assigned or scheduled by the District. The employee should notify

their supervisor of their preparation time. If the employee is required by the District to attend to a business need during preparation time, they must do so. The employee will be required to adjust their preparation time to accommodate the change. If there is no way to adjust their preparation time, due to the timing or nature of the District need, the employee will be compensated for their lost preparation time as described in this article.

16. In case of unforeseen emergencies such as inclement weather or other delays, employees will be compensated for the time of the delay and will not be required to make this time up later in the year. These hours will serve as compensation for any lost preparation time during that day. This language is only for partial day closure and not for any full-day closure.

17. The District will provide the following extended contract days:

Media Teachers	5 Days
Teacher Leaders	2 Days
Special Education Case Managers	2 Days
School Counselors	4 Days

18. The District will provide up to a total of 180 days of substitute coverage for special education instructors who need assistance in completing special education documentation. Requests for assistance may be initiated by a staff member. The District will determine which requests will be approved.

19. When a licensed staff member is asked by an administrator to absorb students due to the absence of another licensed staff member, they will be compensated \$83.50 for the day. This assignment will be at least two (2) hours a day at the elementary level or at least two (2) class periods at the secondary level.

20. Preparation time is not applicable when an employee is voluntarily attending an out of district conference or meeting, on a field trip, or at Outdoor School.

D. Outside Employment

1. An employee may hold jobs other than with the District as long as they do not interfere with their contractual work responsibilities.

E. Elementary Class Loads

1. For the life of the contract the District will provide \$600,000 each year in an overload elementary classroom account.
2. The District and Association agree to establish an Elementary Class Ratio Committee (ECRC) to address concerns from educators. For the purposes of this Article, ratio is defined as elementary teachers to students at a given grade level band (K-2 and 3-5) and a given school. Additionally, we acknowledge that early planning and preparation are key to reducing class ratio issues in the fall. This Article establishes the ECRC.
3. The Association shall be afforded an opportunity to submit target class size and case load numbers and that information shall be printed in the District's Proposed Budget Book as an acknowledgement of the Association's recommendation.

F. Ratio Publication and Data Exchange

Not later than January 1, the District shall furnish the Association draft ratios for the subsequent school year. The District shall provide the Association with an opportunity to

provide input on the ratios prior to finalizing them as part of the budget process. The Association's input will be provided in writing and made available to the public with the budget committee documents. In the event that the District proposes an increase in ratios at any level, the Association will have the opportunity to provide written feedback that will be included in the budget committee materials as part of the budget adoption process.

1. Spring Committee

Planning each spring beginning in 2024:

- a. Principals will share projected enrollment and tentative staffing assignments with their school staff between May 15th and June 1st.
- b. After June 1st, a committee at each school or program will meet to review ratios for the following school year. The committee will be comprised of at least three (3) members of the licensed staff, one (1) Association representative, and the principal. The committee will review individual classrooms against published ratio targets within the context of school-level ratios. Based on this review, the committee will recommend a course of action to the principal to address ratio concerns. Recommendations could include:
 - i. Blending classrooms or reassign grade levels
 - ii. Re/assign support within current school allocation
 - iii. Providing additional preparation time for impacted teacher(s)
 - iv. Any relief that is mutually agreeable between the educator(s) and the district
 - v. Submitting a request to add teacher FTE

4. In fulfilling the concept of first consideration, the District will fill posted vacancies in the following manner:
 - a. District officials will interview a minimum of six (6) in-District applicants for each position, if that many applied. The District will acknowledge receipt of the transfer form electronically. Employees will not be required to submit transcripts, work history, or other information the District already has on file.
2. At the District’s discretion, a vacancy may be filled without posting the position by offering the position to a unit member who had requested a voluntary transfer in accordance with this Article.  - c. In the intervening months, the District may fill the position with a substitute, temporary employee, or other method.
 - d. An exception will be when the selected staff member is currently less than .75 FTE and the opening to be filled is a full-time job. In that case, at the teacher's option, the transfer to the new position may occur immediately unless the position becomes open after February 1, in which case the transfer occurs at the start of the next school year unless the teacher and District mutually agree on an earlier date.
4. An employee who is granted a voluntary transfer that results in a physical change of location to perform their new work may request up to eight (8) additional hours to pack their workspace and up to eight (8) additional hours to unpack in the new workspace. This provision does not apply to voluntary transfers that begin at the start of the next school year.
 5. An employee needing to pack up a workspace due to construction, may request up to eight (8) additional hours to pack up their workspace and up to eight (8) additional hours to unpack in their workspace once the construction is completed.

Volunteers within this provision have all rights ascribed to involuntary transfers, except Section C.3 below in this article.
3. Any involuntary transfer that occurs and results in a change in building will be accompanied by a written rationale provided to the affected member and Association within 10 (ten) days following verbal notification.
4. When time permits, employees identified for an involuntary transfer will be provided the opportunity to indicate in writing any preferences regarding location or assignment.
5. Employees involuntarily transferred to teach a different course, grade level, or have the majority of the students changed whom they are assigned to serve with fewer than 20 (twenty) workdays notice shall be provided up to eight (8) hours additional preparation time.
6. Employees who are notified of an involuntary transfer, whose transfer results in a physical change in location to perform their new work will be granted eight (8) additional hours to pack their workspace and eight (8) additional hours to unpack their new workspace. This provision is in addition to any time required by Section C.5 of this Article.

2. No material derogatory to an employee's conduct, service, character, or personality will be placed in the employee's personnel file unless an investigation has been conducted and has determined the veracity of the material to be filed. The employee will have the right to respond to any derogatory material before any decision is made to place it in their file, and the right to review the material before it is placed in their personnel file. The employee will acknowledge that they have had the opportunity to review and respond to the material by affixing their signature to the copy of the material to be filed, with the express understanding that such signature in no way indicates agreement with the contents thereof. The employee also will have the right to submit a written answer to the material and their answer will be attached to the file copy. If an employee has reviewed the document, but refuses to sign the document, the supervisor may write the date and time the document was presented to the employee and that the employee refused to sign

the document. If a signed copy is submitted, it will replace the unsigned notated copy in the personnel file.

3. An employee may desire to consult with the District with respect to what materials should be retained in their file. If an employee desires, they may have an Association representative present.
4. An employee may have access to review a paper or an electronic copy of their file during regular District office hours. 2. If a complaint is serious enough that it might result in discipline an investigative meeting may be held. Notification of the meeting will include a description of the complaint in sufficient detail to apprise the employee of the reason for the meeting. When possible, notification shall be provided at least 24-hours in advance of the investigative meeting.
3. A copy of the complaint or a written summary will be provided prior to the beginning of the investigative meeting(s). The parties agree, upon request, to provide an extension for the delivery of the complaint until the conclusion of the meeting.
4. The complaint shall be discussed with the employees involved within 20 (twenty) working days of the supervisor receiving the complaint, unless prohibited because of an ongoing investigation by an outside agency. The parties agree to provide extensions of this notice period upon request.

Teachers shall be considered for retention on the basis of related experience and education. When two or more teachers are considered equally qualified for retention, seniority within the District shall be the determining factor.
2. In the event the District determines the need for a reduction in its specialist or therapist personnel, the same contract criteria and procedures applicable to teachers shall be applied except that the layoffs shall be by job classification.
3. Seniority shall be defined as the employee's total length of service since the last date of hire. Any teacher who is to be laid off will be so notified in writing as soon as practicably possible. Such notice will include the proposed time schedule and the reasons for the proposed action.
4. The District will compile and transmit to SKEA no later than January 15 of each school year a list of unit members in order of their months of continuous, creditable service to the District.

1. An employee desiring notice of recall shall notify the District in writing within 30 (thirty) days following notice of layoff. Such notice by the employee shall include the employee's address for such purpose. Failure to provide timely notice of a desire for notice of recall or to keep current address in file shall constitute waiver of notice of recall. In the event of a recall, the District shall notify an employee who has expressed a desire to return to the District of the recall by certified mail, return receipt, sent to the last address given by the employee to the District.
2. An employee will have 16 (sixteen) calendar days from the mailing of such notice to notify the District in writing of their intent to return within 45 (forty-five) calendar days of the date of such notice from the District. Failure of the employee to so respond within the time herein specified shall terminate such employee's right to recall, except that

where a laid off employee is employed by another Oregon district at the time of recall and that District is not willing to release that employee within the 45 (forty-five) days allowed for return, then the period for return shall be extended to allow the employee sufficient time to comply with the statutory requirements for notice of resignation.

3. No new teacher will be hired into the District until each teacher on the recall list deemed qualified by the District has had an opportunity to accept or refuse the position. Likewise, no therapist or specialist will be hired into the District until each specialist or therapist on the recall list deemed qualified by the District has had an opportunity to accept or refuse the position.

The employee shall be responsible for determining grades and other evaluations of students, based upon the employee's professional judgement of available criteria pertinent to any given subject area or activity for which the employee is responsible. Secondary employees may be required to provide a syllabus with grading policies to a supervisor for approval prior to the beginning of a term. Efforts will be made to provide consistency throughout departments and schools. Make-up work policies should be included in these policies. Grading policies for individual employees must comply with District Policy.
2. The grade repair process encompasses situations where an original teacher of record changes a previously transcribed grade. Working with students through the grade repair process is a voluntary process for teachers. Teachers will determine the viability of this process on a case-by-case basis. Teachers will be in communication with their supervisors regarding any supports for this process, including additional time requirements.
3. The grade replacement process encompasses situations where a student's transcript has a repeated course grade; the original grade is replaced with a NG, and a teacher other than the original teacher of record assigns a new grade. Teachers working with students through the grade replacement process will have time provided during the workday or be compensated at their hourly rate of pay for time outside of the workday. Proficiency/standards-based credit attainment methods and micro-crediting may be used during this process at the discretion of the educator.

4. Each employee may post and promote expectations of conduct, specific to their content or educational environment, which apply to students while under that employee's supervision. Such expectations will not conflict with District and/or school disciplinary procedures. When, in the judgment of an employee, students are, by their behavior, disrupting the instructional environment to the detriment of themselves and/or others, the employee will take appropriate action under the terms of the school disciplinary procedure.
5. Employees shall have the right to temporarily remove disruptive students from their classroom. Any employee sending a student to the administration shall confer with the appropriate administrator or submit a signed copy of a report including a statement of the facts, a summary of conditions which led to the student's referral, the steps taken by the employee to remedy the problem and any other steps taken by the teacher prior to referral, and recommendations for solution.
6. Following administrative action taken in accordance with the District discipline procedure, the student may be returned to the classroom. If the teacher indicates a desire for a conference with the administrator (and optimally the student and/or parent), the conference will be scheduled as soon as the parties are available. As soon as possible the referring/sending teacher will be provided information about status of referral prior to the student's return to the classroom, this will include whether a behavior plan has or will be considered.
7. The appropriate administrator will then provide the employee with a written statement of the administrative disciplinary and/or corrective action taken.
8. A summary of discipline data will be maintained by the District and data from student discipline may be reviewed by staff committees on student discipline for recommending revisions to the school and/or District disciplinary policy.

4. For students outside the special education process, in cases where the intensity, frequency, and/or duration of student behavior jeopardizes the safety of staff or students, a collaborative approach will be taken to address this situation. The concern will be brought to the school team that meets to discuss student behavior and, in collaboration with those knowledgeable of the student and staff knowledgeable of the incident(s), they will consider the need for interventions or adjustments to promote a safe environment including a behavior plan if the student does not currently have one. The student's classroom teacher or teachers will be invited to the team meeting, and the following people may be invited to attend the meeting: employee(s) knowledgeable about the student, administrator, behavior team member, and parent/guardian.

Modifications to these plans will be shared with staff, including the building representative, by the conclusion of the third week of school.

C. Physical Examinations

The District will pay the cost of required physical examinations and other required medical tests but not medical treatment. The District will establish standards for such physicals and the district reserves the right to designate the facilities where required medical tests will be conducted. Payment, if required, shall be remitted directly to the physician upon validation of the examination. If available to the District and upon the employee's request, a copy of the examination will be given to the employee at no cost.

High School A/B Schedules

The following constitutes a Memorandum of Agreement (Agreement) between Salem-Keizer Public Schools (District) and Salem-Keizer Education Association (Association) regarding secondary high school schedules for the 2023-2024 school year and shall not establish any precedent.

The parties agree that for the 2023-2024 school year, all Salem-Keizer comprehensive high schools and the EDGE high school program will be on a fixed A/B Day schedule as follows for a regular five-day week:

Monday	All 8 (eight) periods meet
Tuesday	"A" Day: Periods 1-4
Wednesday	"B" Day: Periods 5-8
Thursday	"A" Day: Periods 1-4
Friday	"B" Day: Periods 5-8

The parties further agree that each high school may schedule up to one (1) Advisory period per week. If an advisory schedule is used, there will be (one) 1 day on the Advisory schedule to maintain a balance in time between "A" and "B" days. Advisory periods may only be utilized on Tuesdays or Thursdays. Each high school may schedule Advisory periods independently from one another. Advisory periods may be used for advisory lessons and activities, student club times, and for embedded interventions.

Mondays' instructional preparation time will be two full class periods (the two full class periods may or may not be consecutive); on block days, teachers will have one class period of instructional preparation time.

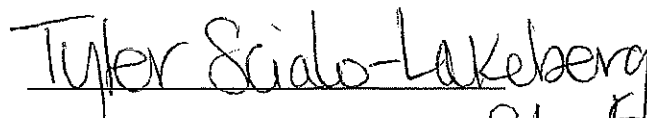

All provisions of the parties' Collective Bargaining Agreement not expressly modified by this Memorandum shall remain in full force and effect.

This Memorandum shall expire on June 30, 2024.

School Years 2023-2024 and 2024-2025 Limitations on Professional Development and District-
Assigned Duties

Salem-Keizer School District and Salem Keizer Education Association agree that funding for K-12 public education in the state of Oregon is inadequate. The parties further agree to collaborate as possible on ways to advocate for improved funding. Given the current funding limitations, the parties agree to the following limitations and restrictions for teachers and case managers:

For the remainder of the 2023-2024 school year, and upon ratification of the contract, the parties agree to educator meeting time requirements as follows:

- One Wednesday per month, before student contact time, shall be designated as district/supervisor directed time.
- All other Wednesdays in the month, before student contact time, shall be designated as educator directed time.
- One additional time before or after student contact time each week may be district./supervisor directed time. This does not include safety committee meetings.

For the 2024-2025 school year, the parties agree to educator and district/supervisor directed meeting dates and requirements as follows for the time before student contact time on Wednesdays:

Month	Educator Directed	District/Supervisor Directed
September	4 and 18	11 and 25
October	2 and 16	9 and 30
November	13	6 and 20
December	4 and 18	11
January	15 and 29	8 and 22
February	12 and 26	5 and 19
March	12	5 and 19
April	2 and 30	9, 16 and 23
May	14 and 28	7 and 21
June	4	11

- If any of these dates are canceled because of unforeseen events, delays or closures, they will not be rescheduled and the calendar will not be adjusted.
- No more than one (1) additional times before or after student contact time each week may be administrator directed time. This does not include teacher leadership team meetings.

Exceptions:

- IEP meetings may be scheduled during educator directed time as described above, and efforts will be made to ensure the educators involved, not including the case manager, miss no more than one Wednesday of educator directed time monthly and have no more than one IEP meeting during this educator directed time weekly.
- Meetings for student behaviors (as described in Article XV) or emergency meetings may occur during the above educator directed time and efforts will be made to ensure each educator involved is required to attend no more than one meeting of this type during the educator directed time weekly.

The parties agree the provisions of this Memorandum of Understanding are non-precedent setting.

This agreement goes into effect the month of ratification and expires on June 30, 2025.

Differential Schedule Review

The parties agree to complete a review of the differential schedule using a temporarily established joint committee. The committee will have equal participation from the Association and the District. The committee will review all current differentials included in the Agreement and refer recommendations to the Labor Management Committee for consideration and action. Review of existing differentials may be reviewed based on criteria that include:

- (1) Changes in the complexity, hours, or volume of the duties since the most recent establishment of the differential value; and/or
- (2) Changes in the qualifications or training required of employees qualified to perform the duties required of the extra duty; and/or
- (3) Changes in fundamental nature of the work required by the differential duty since its most recent revision.

Addition or removal of differentials may be reviewed and recommended based on criteria that include:

- (1) New roles within the district for which there is recognized and legitimate educational and/or extracurricular demand; and/or
- (2) Widespread reduction in demand for existing differentials such that it no longer warrants inclusion in the Agreement.

The review and decisions related to action shall be completed by December 31, 2024 and shall go into effect on July 1, 2025.

Parent/Teacher Conference Schedule

The following constitutes a Memorandum of Understanding (MOU) between the District and the Association regarding Parent/Teacher conferences. This MOU is a change for the 2024 spring conferences, and shall not establish any precedent, nor any change to the status quo. All licensed staff assigned to a school building are expected to participate in, or support, Parent/Teacher conferences including Instructional Mentors, Behavior Specialists, etc.

Provided that Parent/Teacher conferences are held at all levels, the District and Association agree to hold Parent/Teacher conferences on the dates and times that have been identified on the 2023-2024 school calendar:

For K-12 licensed staff conference days in spring of 2024:

Day one – Twelve (12) consecutive hours with two (2) meals and one and a half (1 ½) preps inclusive

Day two – Twelve (12) consecutive hours with two (2) meals and one and a half (1 ½) preps inclusive

The next consecutive day – No licensed staff or students

This schedule provides 30 minutes for lunch and 30 minutes for dinner for each twelve (12) hour day. Article IX will be applied to schedule prep time over the two days of twelve (12) hour conferences. The schedule will provide for a pro-rata portion of contract prep for each day of conferences (one and a half days of prep for each conference day).

This schedule does not provide an option available for members who would suffer hardship working an extended day schedule, because the schools would be closed on the third day. Licensed staff that have a bona fide hardship working the extended day will be allowed to use earned flextime, Personal Leave, or Leave Without Pay according to the CBA. Requests for Leave Without Pay should be made to the immediate supervisor. Appeals may be sent to the Executive Director of Human Resources for a final decision.

Licensed staff assigned to Departments, who do not attend Parent/Teacher conferences (e.g., District mentors, program assistants or associates, or other specialists who do not have Parent/Teacher meetings scheduled) should report to their home department at their regular schedule. This special schedule is only for staff participating in Parent/Teacher conference. However, department administrators, at their discretion, may agree to a modified schedule for

their licensed staff if it would be beneficial to the District goals to have non-school based licensed staff either attend Parent/Teacher conferences, engage in professional development activities or other work in their department using the same schedule outlined above.

The purpose of this MOU is to provide time for students and families to access employees directly connected with their education. There will be no meetings or other required professional time scheduled on these 12-hour conference days besides the regularly scheduled staff development time as indicated on the calendar (traditionally, half-day staff development paired with half-day grading at the secondary level).

Licensed staff who need to attend parent/teacher conferences for their children would be allowed to arrange time to attend conferences for their own children that is least disruptive to the employing school's conference schedule.

Athletic Trainers

The Salem-Keizer School District (District) and the Salem Keizer Education Association (Association) recognize the unique position of Athletic Trainers comes with certain unique working conditions. To that end, the parties agree to the following modifications and specific conditions for employees in the position of Athletic Trainer:

1. All time worked by an Athletic Trainer, excluding time worked on holidays, and up to the number of hours which would be worked determined by the employee's rate, will be considered as contracted regular work time.
2. Athletic Trainers will be on the same contract year as other licensed staff as defined in Article X of the parties' CBA. Athletic Trainers' work calendar will start the first day of the OSAA calendar each school year.
3. Athletic Trainers will be on the same calendar as licensed employees with significant adjustments through the use of flex time. It is possible, and even expected, that this will mean that an Athletic Trainer will use multiple days of flex time earned to fulfill their calendar year.
4. All time worked may be applied to the Athletic Trainers time for the contract year. It is possible that an Athletic Trainer works more calendar days than the contract year due to additional time worked in August or other times and may work weeks in the spring of less than 40 hours. The Athletic Trainer will use flex time to achieve a balance equivalent to 192 (8 hour) days worked.
5. Once an Athletic Trainer's days are satisfied, any additional time worked, with their supervisor's approval, will be additional earnings paid at an hourly rate based upon the employee's per diem rate of pay.
6. Athletic trainers who work (with supervisor approval) on contractual holidays, Martin Luther King Jr. Day, Presidents' Day, or inclement weather days outlined in the parties' CBA will receive additional pay, based on their per diem, for their actual hours worked. Any time worked with additional pay on these days will not be counted as part of the 192 contract days. The section of Article IV, Extended work-day/year, still applies.
7. In the event of an inclement weather day(s), Athletic Trainers will have the day(s) count as a day(s) of work. If a make-up day(s) is(are) scheduled for an inclement weather day(s), Athletic Trainers will be expected to account for the additional make up day(s). This can be achieved through the use of flex time (e.g. using the inclement weather day time earned) or working the additional day(s).
8. Athletic Trainers are expected to work athletic contests, during breaks as possible.
9. The District will make efforts to schedule athletic contests so there are minimal conflicts in order to allow Athletic Trainers to provide support to every sport.
10. Input from Athletic Trainers regarding potential athletic scheduling conflicts will be solicited in advance as possible when reviewing the upcoming year's contest schedules.

11. The capacity of the Athletic Trainers is only for OSAA sponsored high school athletics for which they are assigned and visiting teams as applicable. Athletic Trainers will attend to emergency medical situations (on District campuses) outside OSAA sponsored high school athletics, if needed. Emergency medical situations include major medical trauma events where the Athletic Trainer happens to be present on campus; they are not those situations that would normally be addressed by the school nurse or other District staff.
12. Athletic trainers who work less than 1.0 FTE shall have the same benefits and provisions in this Agreement at a pro-rated amount.

It is recognized that the normal workday and workweek standards of the CBA apply to Athletic Trainers. It is also recognized that due to the nature of the position more days will include flex time being earned or flex time being taken than any other position.

If at the conclusion of the OSAA calendar year an Athletic Trainer has not fulfilled their total hours, equivalent to 192 days, or if inclement weather days are made up by the District (on non-contest days), Athletic Directors may assign duties related to aquatics in order for the employee to meet the remainder of their contract.

The parties agree the provisions of this Memorandum of Understanding are non-precedent setting.

This Agreement expires on June 30, 2025.

A safe work environment is everyone's responsibility.

We address workplace injuries with an employee focus that fosters compassion, empathy, and respect.

Workplace injuries are reported immediately, care is given immediately, and we evaluate each incident to improve our safety programs.

Returning to work is essential to employee recovery, health, and wellness.

If You Are Injured on the Job:

Report the injury to your supervisor or office manager as soon as possible.

Review and complete the Employee Injury Report located on Insight 24J under Employee Essentials.

If you seek medical treatment, Safety and Risk Management Services needs to be notified to open your claim.

Questions? Ask your supervisor, office manager or Safety and Risk Management Services at 503-399-3070.

Injury Protocol for Supervisors

When an employee is injured:

- Speak with them and make sure that they receive any medical treatment if necessary.
 - Ask: Do you need medical assistance?
 - If yes, document the answer and follow the Workers Compensation processes.
- If a teacher is responsible for a group of students, provide coverage for their class so they may attend to any injury, have time to regroup, fill out employee injury report, address student needs, and either return to class or take leave as needed.
 - Be explicit. Encourage them to take a 15-minute break and ask them if they need more time.
 - Injuries can be traumatic, especially an injury caused by a student.
 - Provide time for the employee to recover physically and emotionally before they return to working with students.
- Listen to the employee, ensure they are heard, feel valued, and know that they are important. Be clear that you (the supervisor) will support them in their physical recovery and working with students who may be exhibiting challenging behavior.
 - Questions you may want to ask:
 - What do you need?
 - How can I help? (Use open ended questions to help evaluate what an employee may need.)
- Support the employee in filling out the injury report. All injuries need to be entered into the injury reporting system.
- Check in with the employee at the end of the day.
- Check in with the employee the following day to see how things are going, how they are feeling, and if they need additional supports.
- Check in with the employee in a week or two.
- Communicate with your level director if you believe the employee may need additional support.

Support for Student Caused Staff Physical Injuries

When a physical injury occurs because of a student interaction, follow these steps:

- Temporarily remove the student from the classroom to ensure de-escalation has occurred unless behavior intervention plan protocols can be implemented to de-escalate without removing the student.
 - Ensure the student is safe following Mandt, Ukeru, Zones of Regulation, or appropriate behavior support protocol or process.
- Provide behavioral supports for student that may include:
 - Contact family to notify of incident
 - Follow student discipline policies and procedures including considerations to IEP or any other specialized services
 - Review the IEP/504 and refer to the IEP team if applicable
 - Review or create a behavior plan if needed to prevent further similar situations.

If student has de-escalated and there are not disciplinary consequences return student to class.

For students with disabilities, the IEP team must be convened if multiple removals cause loss of instructional time that could constitute a denial of FAPE.

Injury Protocol for Employees

If you, as an employee are injured on the job:

- Take care of yourself, ask for help, and ensure students are safe and supervised.
- Report the injury to your supervisor or office manager as soon as possible.
- Review and complete the Employee Injury Report located on Insight 24J under Employee Essentials.
 - If the injury is caused by student behavior, it's important to add the student ID number in the 'Injury' section of the report.
- If you seek medical treatment, notify Safety and Risk Management Services.
 - Questions? Ask your supervisor, office manager, or Safety and Risk Management Services at 503-399-3070

Preventative Actions for Supervisors

Supervisors, you are responsible for ensuring that employees perform their work safely and in a safe environment. Good communication is critical to creating and maintaining a safe workplace.

Actions that will help:

- Ensure your building safety teams are meeting regularly.
- Talk about safety often.
- Share and reinforce expectations.
- Understand the requirements of the work environment.
- Ensure staff have appropriate protective equipment and understand how to use it.
- Monitor and adjust as needed.
