FHS Cell Phone Policy Overview

FHS CELL PHONE VIDEO

Away FOR THE Day

Guardado durante el día

Fairview's **Cell Phone Policy** promotes a focused learning environment by outlining clear guidelines for phone use during school hours and activities. For full details, please refer to the [Cell Phone Policy Here](#).

Thank you for helping us maintain a positive school atmosphere!

Reminder: Avoid Calling Students Out of Class

To minimize classroom disruptions, we kindly ask parents to avoid calling students out of class. Instead, we encourage you to send a message to your student's BVSD email account, as most Chromebooks remain accessible during class time.

Thank you for your cooperation in supporting a focused learning environment!

A Note from the Principal

2025 State Testing Information

Dear Fairview Community,

[Haga clic aquí para leer esta carta en español.](#)

State testing is approaching, and we encourage all students to participate. In April, 9th and 10th graders will take the PSAT 8/9 or PSAT 10, while 11th graders will take the SAT and CMAS Science 11. These assessments provide valuable data for our educators, help guide district resources, and contribute to our school's performance designation. Strong results positively impact our school's reputation and rankings. Testing will be the focus on designated days, with no regular classes during testing times. If you choose to opt your student out, Boulder Valley School District requires a written request by March 5.

- 📅 **Testing Schedule:** April 14-18 (students attend only on their assigned testing day).
- 📄 **Opt-Out Form Deadline:** March 5.
- ✉️ **Questions?** Contact Assistant Principal Marisa Anderson at marisa.anderson@bvds.org. For more information [click here](#)

Thank you for your support in this important effort!

Wish Week

Wish Week is coming up, from March 3 to March 7. During the week, Fairview will be collaborating with Make-A-Wish to raise funds and help wishes come true. There will be fun activities, sports events, dress-up days, and more, so make sure to prepare and participate! **Any donations are greatly appreciated.**

Meet Adair, Fairview's Make-A-Wish kid for our upcoming collaboration from March 3-7! **Adair's wish is to meet her favorite singer, Olivia Rodrigo,** and we're excited to support her on this incredible journey. Let's show Adair some love and make her wish come true! 🎵

Join Us for Fairview's First Culture Day!

Access To Action invites you to join Fairview High School's first Culture Day! Our club hopes to bring different clubs and individuals, that make up the Fairview Culture, into the spotlight. Please reach out to us if you are interested! **This will take place April 8th but we'd like to see your faces beforehand!**

Attendance Reminder: Health Office Procedures for Ill Students

Students who become ill during the school day must report to the Health Office. Our Health Room Para will evaluate the nature of the illness, assist in contacting the parent/guardian for transportation home, and excuse the period(s) absence.

Only the Health Aide can excuse your student from classes missed, which is why it is important to speak with the Health Aide first. Parents/Guardians or the listed emergency contact person(s) are the only adults who can pick up a student from school in case of illness. Students who do not follow this procedure and go home on their own without permission from the Health Aide will be marked absent. Per school policy, we cannot excuse your student after the fact.

This policy applies to all students, regardless of whether they have a 504 or IEP.

For more details, visit the [Attendance page](#).

RYLA is a leadership-training program sponsored by Rotary International that promotes, encourages and rewards outstanding young people.

An all-expenses paid six-day conference that brings together a special group of young men and women from Colorado, Wyoming and Western Nebraska to share ideas about becoming better leaders.

An action-packed program of activities that helps build confidence and leadership skills (like problem solving games, challenge course, skits, group discussions and teambuilding activities).

Club Spotlights

This week, we're excited to highlight the Science Olympiad Club

This club is centered around the Science Olympiad competition in March. Competitors are able to participate in various events spanning all fields of STEM. Events range from hour-long tests that take place with a partner (or two), to builds, where you design and build a structure and test it at competition.
