Welcome to Junction Avenue TK-8 School. Our school is the center of the Junction Avenue community. We welcome the community and share the varied cultures through curriculum, after-school activities, classes, music, food and community events. Teachers, students, and families are working very hard to make our school academically and culturally enriching, as well as meeting the social and emotional needs of our students. At Junction Avenue TK-8 School, we believe children deserve an education that is engaging and relevant to their lives, and we strive to provide it.
