Running Start Student Success Agreement

Graduation Requirements

I understand I am responsible for tracking and completing my high school graduation requirements by June of my Senior year. This includes registering for classes that meet graduation requirements, developing a High School and Beyond Plan, and completing a graduation pathway

Information Sessions

I attended a college information session and the RHS Information session. I have reviewed the RHS information presentation with my parents/guardians.

FERPA

I understand that under The Family Educational Rights and Privacy Act, college instructors and staff cannot communicate with anyone but the student. All students taking college classes are considered adults under FERPA.

Registration

I understand I am responsible for knowing registration dates and deadlines at the college and will follow the college’s procedures each quarter.

Communication

I understand I am required to keep my LWSD email account active and will check it regularly. I am responsible for finding pertinent information about RHS activities.

College Credits

I understand I will work with my college advisor for questions about my college transcript, college academic/degree planning and transferability of credits/transferring. I understand I am creating a permanent college transcript.

Student Athletes

Student athletes participating in Running Start must meet the requirements for enrollment and academic standing to qualify for participation on school teams. Athletes are also responsible for determining NCAA eligibility for any Running Start classes.

RSEVF

I will complete and submit an electronic copy of the RSEVF for each quarter to my high school counselor. I understand the form must include the classes for which I am registering.
