

# 9TH GRADE PATHFINDER PROGRAM

## PROGRAM DETAILS

- Attend cohort meetings twice a week - each meeting is 1:30 minutes - Cohort is 4 students or fewer
- Attend weekly math and science support as assigned
- On non-meeting days, self-manage study time for about 4 hours/day, 20 hrs/week
- Available online support daily

## WHY WALNUTWOOD?

- A small, safe learning environment
- Small group support & individualized instruction
- Online or traditional curriculum options
- Students able to pursue outside interests during the normal school day, take a concurrent class, and/or play a sport at their neighborhood high school

## OUTCOMES

- Confident, independent learners
- Students have the possibility of progressing through courses at an advanced pace leading to early graduation
- Students graduate from Walnutwood with college and career readiness skills

## MEET THE TEAM

With more than 55 combined years of teaching experience, Mrs. Miller, Mrs. Franco, & Mrs. Peterson are able to adapt and meet students' different learning needs.
