

WAIVER OF STUDENT SOCIAL SECURITY NUMBER REQUIREMENT

In order to maintain official school records for students including scholarship information such as HOPE, we kindly request that you provide your child's Social Security Number (SSN) by submitting a copy of their Social Security Card during the enrollment process at Coweta Charter Academy (as required by GA Code O.C.G.A. § 20-2-150 (d)) which requires public school authorities to request from parents and guardians the Social Security number for students being enrolled in school.

If your child's Social Security Card has been lost or destroyed, visit the [Social Security Administration website](#) for information on obtaining a replacement. **No student shall be denied enrollment in any public school of this state for declining to provide his or her social security number or for declining to apply for the number. (JBC(2) 160-5-1-.24 (f)).**

A parent or guardian who objects to the incorporation of the social security number into the official school record of their student may have the requirement waived by signing a statement objecting to the requirement. However, a Social Security Number is required by the State for a student applying for the HOPE scholarship.

Statement of Objection: A parent/guardian who objects to the incorporation of the social security number into the school records of a child may have the requirement waived by signing this provided statement, objecting to the requirement.
