INFORMATION SECURITY BREACH POLICY

- I. This policy is consistent with §208 of the New York State Technology Law. School districts are required to notify any New York State resident when there has been or is reasonably believed to have been a compromise of the individual's *private information*, in compliance with the Information Security Breach and Notification Act and this policy.
- II. A. 1. The definition of "private information" shall mean personal information in combination with any one or more of the following data elements, when either (1) the personal information or the data element is not encrypted or (2) encrypted with a corresponding encryption key that has also been acquired:
 - a. Social Security Number;
 - Driver's license number or non-driver identification card number;
 or
 - c. Account number, credit or debit card number, in combination with any required security code, access code, or password which would permit access to an individual's financial account.
 - 2. Private Information does not include publicly available information that is lawfully made available to the general public from federal, state, or local governmental records.
 - 3. This policy also applies to information maintained on behalf of a District by a third party.
 - 4. "Breach of the security of the system" shall mean unauthorized acquisition or acquisition without valid authorization of computerized data which compromises the security confidentiality, or integrity of personal information maintained by the District. Good faith acquisition of personal information by an employee or agent of the District for the purposes of the agency is not a breach of the security of the system, provided that the private information is not used or subject to unauthorized disclosure.

III. Notification:

A. The District shall notify an individual when it has been determined that there has been, or is reasonably believed to have been a compromise of *private information* through unauthorized disclosure.

INFORMATION SECURITY BREACH POLICY

- B. The District will notify the affected individual. Such notice shall be directly provided to the affected persons by one of the following methods:
 - written notice;
 - electronic notice, provided that the person to whom notice is required has
 expressly consented to receiving said notice in electronic form and a log of
 each such notification is kept by the District who notifies affected persons
 in such form;
 - telephone notification provided that a log of each such notification is kept by the District who notifies affected persons; or
 - Substitute notice, if a District demonstrates to the state attorney general that the cost of providing notice would exceed two hundred fifty thousand dollars, or that the affected class of subject persons to be notified exceeds five hundred thousand, or such District does not have sufficient contact information. Substitute notice shall consist of all of the following:
 - e-mail notice when such District has an e-mail address for the subject persons;
 - conspicuous posting of the notice on such District's web site page, if such District maintains one; and
 - > notification to major statewide media.
- C. The notice must include the District's contact information, a description of the categories of information that were, or are reasonably believed to have been, acquired by a person without valid authorization, including specification of which elements of private information were, or are reasonably believed to have been, so acquired.
- D. Notification may be delayed if a law enforcement agency determines that such notification impedes a criminal investigation. The notification required shall be made after such law enforcement agency determines that such notification does not comprise such investigation.
- IV. When notification is necessary, the District must also notify the following agencies as to the timing, content and distribution of the notices and approximate number of affected persons:
 - A. NYS Attorney General
 - B. NYS Office of Cyber Security & Critical Infrastructure Coordination
 - C. Consumer Protection Board
