

Laurel Hill Primary School

Who We Are

As a primary school, our mission is to create hands-on, engaging experiences that help build a strong academic and social-emotional foundation. In recent years, we have focused on implementing STEM materials and activities that help our students learn problem-solving and critical thinking skills while building their understanding of teamwork, perseverance, and determination.

Laurel Hill would benefit from programs and/or volunteers that can work with small groups of students with these activities, to enrich the work being done in our classrooms each day.

How to Support Us

The ideal business partner would be able to offer...

STUDENTS

- 10-15 volunteers are needed to work with groups of students on STEM-based problem-solving activities.
- 10-15 volunteers are needed to read with students to build comprehension and fluency skills. Volunteers will be paired with a classroom teacher and will read with students individually for about 30 minutes a week.

TEACHERS

- A business sponsor to provide breakfast and/or coffee to our staff of 90 once a month to boost morale and provide a positive staff climate.

Our School

School Information

Address: 3100 Thomas Cario Blvd.

Phone: (843) 849-2200

Grades Served: CD - 2nd

Students: 736
