

Memorandum

DATE: June 7

TO: Principals and Site Coordinators

FROM: Christian Bertel, Coordinator of Health Services

SUBJECT: Cold Weather Guidelines

The Hazelwood School District follows the following procedures and guidelines to address children participating in outside activities during cold weather.

Temperatures, including wind chill factor, must be monitored by the Building Administrator. Guidelines for Recess and Physical Education (PE) outdoors:

- Temperature: (Including wind chill) below 20 degrees - children should stay inside.

During cold weather, improperly clothed children should not be allowed outside for recess or PE.
