Explanation of Leaves

(Each leave shall only be granted 1 time each year, except Military Leave and Worker Compensation. This explanation of benefits shall not be construed as all inclusive, as employees must refer to their Memorandum of Understanding or Handbook for more specific details.)

A. FAMILY MEDICAL LEAVE OF ABSENCE—Board Paid Benefits for the Duration of this Leave

FMLA requires Hazelwood School District to provide up to 12 weeks of unpaid, job-protected leave to employees that have worked for the district for at least one year, and for 1,250 hours over the previous 12 months. FMLA permits employees to take leave on an intermittent basis or to work a reduced schedule under certain circumstances. Unpaid leave must be granted for any of the following reasons:

- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

The employee may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met. Prior to an employees return, medical certification must be provided (if leave is taken for employee's own illness) notifying the district of the employees ability to return to work without restrictions.

The district requires all employees to use all paid comp time available during FMLA leave. This paid time off will run concurrently with FMLA. FMLA will run concurrent with all leaves, when an employee is eligible.

B. END OF BENEFIT LEAVE—Board Paid Benefits are Unavailable

All employees of the Hazelwood School District are limited to the various sick leave days and compensable days adopted annually by the Board, whether the injury is work related or not. In the event that an employee requires a longer convalescent period than the sick and compensable days available to the employee, then:

- Prior to the expiration of all comp, sick, and vacation days, the employee **must** request additional uncompensated leave (if additional time off is required);
- The employee shall furnish the Board of Education with all appropriate medical documents; and
- After the employee has used his or her compensable days and sick days, the Board may grant up to an additional ninety (90) calendar days of uncompensated leave. End of Benefit Leave will begin the first day of unpaid leave. ***This unpaid time off will run concurrently with FMLA, Pregnancy, and Adoption Leave, if applicable.***

C. PREGNANCY AND ADOPTION LEAVE—Board Paid Benefits are Unavailable

All employees are eligible for leave for the birth, adoption and first-year care of the employee's child upon proper application for a period not to exceed one (1) year. For employees who are eligible for leave under the Family and Medical Leave Act (FMLA), this leave will be applied concurrently to the FMLA leave. It is emphatically the position of the district that this policy is not intended to expand the 12-workweek applicability of the FMLA.

1. The employee giving birth may use compensable leave, if available, for days when the employee is not physically able to return to work, as verified by a physician. Medical certification is not necessary for the first 30 days of the leave but will be required for use of compensable leave beyond the first 30 contractual days. The employee taking this leave for adoption or first-year care of the employee's child may use up to 30 compensable days, if available, during the first 30 days of leave. Otherwise, pregnancy, childcare and adoption leave will be without pay.
2. Childcare and adoption leave will commence on a mutually agreeable date that shall be determined by the superintendent or designee after consultation with the employee.
3. Board-paid benefits will continue through the first 90 days of leave, if the employee qualified for the benefits prior to the leave. After the first 90 calendar days, insurance benefits may be continued at the employee's expense.

D. MILITARY LEAVE—Board Paid Benefits for 30 days ONLY

The district shall grant Military leave as required by law. Employees taking Military Leave shall give either written or verbal notice of the need for military leave unless impossible due to military necessity. The district will require a copy of any written, official orders after the military leave has exceeded 30 days. Written orders must be submitted to the district to collect a regular salary for up to 15 days per fiscal year.

Employees shall be eligible to retain insurance coverage (at their expense after the 30th day of leave) for up to 18 months or until the day after they are required to report for reemployment.

E. WORKER COMPENSATION—Board Paid Benefits for the Duration of this Leave

The district shall grant Worker Compensation as required by law. Employees shall have the option of being paid comp time or being paid under Worker Compensation (66% of regular pay). The district shall hold a position for the employee until the employee is able to return to work with or without restriction. Board paid benefits will continue throughout this period; however, employees must continue to submit their portion of insurance premiums.
