Due:

Time:

10:00 a.m. CDT

Hazelwood School District
Child Nutrition Services Supply Bid
School Year 2018-2019

April 5, 2018

The Hazelwood School District is interested in bids to furnish grocery, produce, bread, paper items, and other miscellaneous items for 30 school cafeterias and other district sites during the 2018-19 school years. The first day of school is August 14, 2018 and the last day will be May 24, 2019.

Total usage is an estimate only and may increase or decrease depending upon student participation.

We are requesting two deliveries per week to all schools for everything except bread which is to be delivered daily. Deliveries are to be made between the hours of 6 a.m. and 10:30 a.m. or between 1 p.m. and 2:00 p.m. to avoid serving times in the kitchens. At the 3 high schools we will need deliveries before 9:00 a.m. two times per week.

The bid will be awarded by category; beverages may be awarded independently or bid separately. Current nutrition information and ingredient labels are required for all food items. Please submit this information on the on products bid the day of the bid opening. The information must be easy to read in a well-organized manner. It should be in alphabetical order. **We are requesting it in a spreadsheet format.**

Hazelwood School District is interested in having one to two prime vendors for the entire bid. However, because of the fresh nature of bread and produce, this may be awarded to a separate vendor or in combinations, whichever is to the advantage of the Hazelwood School District.

Deliveries are to be made to the inside of the kitchen as specified on purchase orders.

Any deviation from established standards shall be considered sufficient cause for cancellation of the contract. All dairy products shall be produced and handled in accordance with the best sanitary practices.

The successful bread vendor deliveries should be completed in all of the 30 schools and other school district sites each day by 10:30 a.m. The successful bread vendor is to supply racks, one per each elementary school and several for each secondary school. Bread is to be delivered on clean trays. Racks are to be in safe condition and attractive in appearance. All products are to be fresh daily. If at any time we are not satisfied with the quality of your service, our agreement will be terminated on two weeks' notice.

15955 New Halls Ferry Road
Florissant, MO 63031**

On days when there is no school due to inclement weather or holidays, no products shall be delivered.

Interested parties will submit five (5) copies of their bid in a sealed envelope marked “**Food Service Supplies Bid**” and **one (1)** electronic copy e-mailed to the following e-mail address: sealedbids@hazelwoodschools.org. Bids are due on or before **Friday, May 4, 2018 at 10:00 a.m.** to the following address:

Responses must be submitted on or before the date and time listed above. The Hazelwood School District is not responsible for late or incorrect deliveries from the US Postal Service (USPS) or any other mail delivery service. Supplier Diversity

The Hazelwood School District has established a Supplier Diversity Program to provide opportunities for the meaningful participation of Minority Business Enterprises (MBEs) and Women Business Enterprises (WBEs) in purchases made by the District. The District has established a MBE goal of fifteen percent (15%) and a WBE goal of five percent (5%) utilization for all manufacturers, suppliers of goods, and brokers.

A manufacturer, supplier of goods, or broker who has achieved the participation goals for MBE/WBEs, as defined herein, will be in compliance with the requirements of this specification. A manufacturer, supplier of goods, or broker who cannot achieve the goals for MBE/WBE participation must be able to demonstrate that the required positive efforts were initiated prior to submittal of the proposal. If the business partner cannot demonstrate the required positive efforts, the proposal will be rejected as non-responsive.

The District will accept, as prospective MBE/WBE participants for these projects, only those MBE/WBE firms which have been certified by one or more of the following agencies on or before the date of the bid opening:

1. City of St. Louis (St. Louis Development Corporation/Airport Authority)
2. St. Louis Minority Supplier Development Council (SLMSDC)
3. Missouri Regional Certification Committee (MRCC)
4. State Certifications, e.g., the State of Missouri and other states
5. National Minority Supplier Development Council (NMSDC)
6. Women Business Enterprise National Council (WBENC) and its affiliates

In the case of a manufacturer, the District will also accept MBE/WBE certification by any state division of purchasing or the National Minority Supplier Development Council and its affiliates.

HSD reserves the right to reject any certification if it is discovered that the same entity was denied certification by any of the other agencies listed above. If HSD does not accept a MBE or WBE's certification, HSD will notify the MBE or WBE in writing.

The Hazelwood School District reserves the right to reject any or all bids submitted. All bids must comply with the policies of the Hazelwood School District. We have tax exempt status.
