

NEWS FROM THE 6TH GRADE ART ROOM

Dear 6th Grade Parents,

It has been an exciting year so far with your student! In a short while, students will be starting a Baroque unit in art class. We need your help collecting materials for our *Baroque Shoe Sculpture!* **Each student will need to bring in at least 1 shoe, boot, or sandal for their sculpture.** (Old outgrown shoes are great. Thrift stores are a great place to find these if you don't have any at home. A pair can be split between two students.) No foam flip-flops or fuzzy slippers please. **Students will build their shoes sculpture around a THEME of their choosing.** **Please bring in at least 3 different types of items to decorate the shoe for their chosen theme.**

The following is a list of material ideas:

Legos

Small toys

Beads and baubles

Plastic or metal objects

Plastic figurine and farm animals

Marbles or small rocks

Glass stones

Sea shells

Buttons

Small Bells

Any other small, cheap trinket you can think of (plastic sprays well)

Please have the shoe and additional items in the art room for your student's art class **beginning the week of March 10th**. Items need to be in a plastic bag labeled with your student's name and class code. Feel free to contact me if you have any questions.

Thank you for your partnership!
