- Current Smart Scholars Program Student
- Identify as Female

WHAT IS CODE CLUB?

Code Club is an after-school program designed to inspire Black girls and gender-expansive youth to learn coding while building sisterhood and leadership skills, fostering their interest in STEM and tech innovation.

OVERVIEW

Free: Join a group of 20 of your peers to code and have fun every week for the next 8 weeks!

CURRICULUM OFFERINGS

Get ready to code games, art, music, websites, apps and more!
