

Welcome to 3rd Grade at Joan Martin!

Here are the supplies that you will need to be successful this year…

(The * represents items that may need to be replenished throughout the school year)

We know this may seem like a lot, but please keep in mind that these supplies are meant to last 180 days. Coming from teachers who have purchased school supplies year after year, Back-to-School sales are a great time to stock up! Please note that most of these supplies will be collected by the teacher and passed out to students when needed.
