

Dear Canfield Families,

Every day, I am amazed by the dedication, resilience, and heart of our students and staff. Whether it's their unwavering determination in the classroom, the kindness they show to one another, or the incredible achievements they continue to reach, their impact is felt in every corner of our schools. It's a reminder that when we support and lift each other up, we create something truly special.

Canfield Education Innovation Fund

In 2021, the Canfield Education Innovation Fund (CEIF) was established under the Community Foundation of the Mahoning Valley. The CEIF aims to promote, encourage, and enhance educational opportunities that strengthen and enrich student experiences in the Canfield Local School District. Its mission is fulfilled by awarding grants to individuals and teams employed in the district.

Due to overwhelming success in our inaugural year, we will once again be holding *Fortify the Fund: An online auction* this year. The auction will go live on Wednesday, April 2, 2025 and run through Thursday, April 10, 2025.

To make our auction a reality, we need your help! We are seeking experience-based donations such as tickets to a sporting event, a private shopping experience, time at a hotel or rental property, classes at a fitness facility, a kid's birthday party package at a local venue, and more.

If you are interested in donating an experience, please get in touch with CEIF board member Jen Coleman at 216-533-3844 or by email at mindoverlather@gmail.com.

We are also accepting monetary donations. Become a *Friend of the Fund* at any level: Platinum = $1,000+ , Gold = $750, Silver = $500, Bronze = $250. Checks can be made payable to the Community Foundation of the Mahoning Valley. Please write "Canfield Education Innovation Fund" in the memo line. Mail completed checks to:

Google Services - FinalForms

There has been a recent change in Google's policies regarding their non-core services (YouTube, Google Maps, etc), which Google refers to as "Additional Services." This is a new policy from Google and we are working quickly to ensure compliance while minimizing disruption to student learning. A parent consent form will be sent via FinalForms with more detailed information. Upon receipt of this consent form, **please complete ASAP by checking YES or NO if you want your student to have access to Google's Additional Services. As these services are currently in use, we strongly encourage each parent to select YES on the form to make sure your student's learning will not be disrupted.**
