

# FAIRLESS LOCAL SCHOOLS

February 25, 2025

Dear Parents,

School Districts are regularly monitored for compliance and continuous improvement in many different program areas. Fairless Preschool, in partnership with the Stark County Educational Service Center, has been selected for Tier 3 monitoring this school year. This is a continuous improvement process put in place by the Ohio Department of Children and Youth to assure preschool children with disabilities have improved outcomes and access to a Free Appropriate Public Education (FAPE).

This selection allows us to continue to grow and improve programming for students and families. Throughout this monitoring process, many different stakeholders (teachers, parents, community members, and administrators) will be surveyed to help our program reflect and continuously improve our practices.

We will be sharing a survey with you in the coming weeks and look forward to your feedback. Please reach out if you have any questions.

Sincerely,

Jamie Askren  
Director of Special Education
