## HELP PUSD SCHOOL STAFF MAY BE ABLE TO GIVE

PUSD Homeless Program:

The Federal definition of homelessness for school districts is broad and includes students living in **temporary situations due to economic hardship or loss of housing**, including living in motels, shelters, campgrounds, substandard housing, or doubled up in someone else's home.

If a student is in any of these situations, their parent/guardian can fill out a PUSD homeless application. The front desk at school can give them an application or direct them to the Site Homeless Liaison.

The PUSD Homeless Program **does not offer housing**, but may be able to provide additional school-based services to help students be prepared for and thrive in school.

Resources are also listed on the PUSD website at: [prescottschools.com/resources/frc](http://prescottschools.com/resources/frc)
