MEETING AGENDA NOTES

Topic with Documents	Questions/Comments	Action/Next Steps
Approval of January 6th Meeting Minutes		Approval of January 6th Meeting Minutes: First Motion Made by Hannah Holt Second Motion Made by Ximena Van Dyke Yes-11 No- 0 Abstain- 0
Math Adoption Curriculum Adoption Update- High School	Q: Does the curriculum that we select impact the decision on ODE Math Pathways? A: No, the Math Pathways Core was selected by the state and our curriculum supports the state Math Pathway decision. Savvas EnVision is a national company and its high school curriculum supports Algebra 1, Geometry, Algebra 2, and Data Reasoning broadly. EnVision has support documents that align with Oregon State Standards in support of Student Success on OSAS. The Adoption of the curriculum does not limit our content and aligns with the requirements of the ODE Math 2+1 Pathway Model. Q: How does the curriculum align to grade-level standards? A: Yes, there are Course Outcomes in each Math Subject area that connect as students progress through their High School Math Pathway.	Approval to recommend enVisionMath for High School Math Curriculum Adoption to the School Board for Consideration: First Motion made by Lyndsey Slick Second Motion Made by Natalia Larsen Votes: 11-Yes 0-No 0-Abstain
Math Adoption Curriculum Adoption Update- Middle School	Q: Will we need to buy supplemental materials outside of the Middle School Curriculum Purchase? A: No, there are a lot of high-engagement materials and we will have professional development to support our teachers on how to teach in different ways using the curriculum.	Approval to recommend i-Ready Classroom Mathematics for the Middle School Math Adoption to the School Board for consideration: First Motion made by Lyndsey Slick Second Motion Made by Natalia Larsen Votes: 11-Yes 0-No 0-Abstain

Math Adoption Curriculum Adoption Update- Elementary	Q: What is the recommended time of computer usage compared to direct instruction or small group independent work time? A: It is 15 minutes of computer time out of 60 minutes of Elementary core math. Q: Can iReady be used as an enrichment option at home? A: Yes, Students can practice in different ways and engage at home.	Approval to recommend the i-Ready Classroom Mathematics for the Elementary Math Adoption to the School Board for consideration: First Motion made by Lyndsey Slick Second Motion Made by Natalia Larsen Votes: 11-Yes 0-No 0-Abstain

From Oregon Department of Justice:

D. Requirements of the Law; 7. Minutes and Recordkeeping:
"The written minutes or recording must include at least the following information:

- *members present;*
- *motions, proposals, resolutions, orders, ordinances and measures proposed and their disposition;*
- *results of all votes; and, the vote of each member by name, except for public bodies consisting of more than 25 members unless recording by name is requested by a member of that body;*
- *the substance of any discussion on any matter; and*
- *a reference to any document discussed at the meeting, unless even a reference to the document is exempt under Public Records Law.*

Written minutes need not be a verbatim transcript, and a sound, video, or digital recording is not required to contain a full recording of the meeting, except as otherwise provided by law. However, the minutes or recording must contain the above information and must give “a true reflection of the matters discussed at the meeting and the views of the participants.”
