About the Title I, Part A Program: The purpose of Title I, Part A is to ensure that all children, particularly low achieving children in the highest-poverty schools, have a fair, equal, and significant opportunity to obtain a high quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and State academic assessments. The Title I, Part A program is the largest program mandated by the Every Student Succeeds Act (ESSA) that is supported by the Elementary and Secondary Education Act.
