

PSAT Day - IMPORTANT!

On Thursday, March 13th

Dear Grade 9 Parents/Guardians,

February 20, 2025

I hope this letter finds you healthy and well. **Thursday, March 13, 2025** is the PSAT 9 day for Freshmen. This letter provides an overview of the day. The PSAT 9 will offer students the opportunity to practice/prepare for the official SAT taken at school in Grade 11. This will be a digital assessment taken on Chromebooks on a platform called Bluebook. CollegeBoard, the parent company of PSAT and SAT, requires very specific parameters in which these assessments can be administered. Counselors will meet with all Freshmen the week of March 3rd to review Bluebook and to give an overview of the testing day.

School Day: This is a regular full school day for the entire school. Freshmen should arrive at their testing classroom by 8:10am. Freshmen will resume a regular school day when testing is completed.

Chromebooks: Chromebooks and chargers will be collected at the end of the day, the day before the test. Chromebooks will then be set up and ready in the testing classroom for when students arrive in the morning.

Testing Location: Students will test at school in classrooms or on the Auditorium stage. The specific classroom students will test in will be clearly posted outside of School Counseling prior to test day.

Bus Transportation: Regular bus transportation remains in-tact for the day.

Food: Light snacks will be provided during testing. Students can bring their own water bottle and snacks as well. Breakfast and lunch in the cafeteria remains in-tact.

Scores: Scores will be returned to students electronically in their Collegeboard.org account. Students should have or will create an account here at school. Scores will also be mailed home in June.

Cell Phones: CollegeBoard is very specific that cell phones, smart watches, ipads or any personal device with internet access cannot be on or used at any time during the testing process (even during breaks).

If you have any questions, please contact your school counselor at your convenience.
