David Wagner, Director of Facilities

TO: All Staff, Faculty, and Parents/Guardians
FROM: Mr. David Wagner, Director of Facilities
SUBJECT: Annual Notice: Asbestos Hazard Emergency Response Act

The Federal Register published on October 30, 1987, part III, in Schools: Final Rule and Notice, 763.84 states that each local education agency shall ensure that workers and building occupants or guardians are to be informed at least once each school year about inspections, response actions and post-response action activities including periodic re-inspections and surveillance activities. The Pennsauken Public Schools as the local education agency retains such reports that are available for public inspection in the Office of the Principal or in the District Operations Office. This memorandum shall serve as the annual notification to interested parties regarding asbestos management activities performed by and for the Pennsauken Public Schools.

The Asbestos Management Plan documents are available for viewing by the public during normal business hours (8:00 AM to 4:00 PM) Monday through Friday at each school, as well as at the District Operations Office located at 1695 Hylton Road, Pennsauken, NJ 08110.

Notification of any planned response actions or other activities which may disturb asbestos-containing building materials shall be presented to the Board of Education meeting at least one month prior to the activity.

Questions regarding this notification or any activities related to asbestos-containing building materials may be directed to the District Operations Office at 856-662-8505, ext. 6519.

Thank you for your cooperation.
