

# GRAYSON HIGH SCHOOL PARKING

*This presentation is required viewing for  
completing your parking application process.*

*[Click here to view the guidelines.](#)*

# WHAT YOU SHOULD KNOW

Each year parking spaces are always in high demand. We typically have more applicants for parking than we do parking spaces. Please know that the number of parking spaces are limited, and parking is not offered to everyone.

You must be in good standing both **academically** and **disciplinarily** to receive and **keep** your parking pass.

# TWO COMPONENTS

**Academics:** you must pass all your classes. This includes any modified day, Maxwell, Grayson Tech, online, dual enrollment, elective, or work study classes each semester. This applies to both Seniors and Juniors with current parking decals and all rising juniors applying for parking.

*For example, if you are applying for parking, you must have passed all of your classes during the spring semester of your sophomore year and continue to uphold these grades for the duration of your parking pass.*

**Discipline:** suspensions or excessive ISS assignments may prevent students from keeping parking privileges. This includes tardies and attendance. This determination will be at the discretion of Administration.

# DISCIPLINE – SPECIFIC RULE VIOLATIONS

- Rule 6 – Weapons, Dangerous Instruments, and Explosive or Implosive Devices
- Rule 7 – Drugs, alcohol, and tobacco, including vapes
- Rule 9 – Sexual Misconduct/Indecency
- Rule 10 – Attendance including tardies (as deemed necessary by Administration)
- Rule 12 – Repeated Violations/Misbehavior/Chronic Disciplinary Incidents

Any misuse of parking privileges including parking in a non-assigned space, reckless driving, not following parking rules, or disrespect of parking lot attendant may result in the loss of parking permit.

***Refunds are not given for parking revocation due to discipline or attendance issues.***

# TICKETS

*Tickets will be issued as follows:*

**1<sup>st</sup> warning** - orange ticket will be placed under windshield wipers

**2<sup>nd</sup> warning** - green adhesive ticket will be affixed to your driver side window

**3<sup>rd</sup> warning** - car subject to towing per Administration discretion

To avoid additional consequences, all tickets must be addressed in the Breezeway with the clerk in charge of parking.

# **SPECIAL VEHICLE CIRCUMSTANCES**

- Students driving a different vehicle for one day must sign in with Parking Clerk.
- Students driving a different vehicle for more than one day must receive a temporary pass from the Parking Clerk.
- Students changing vehicles permanently must register the new vehicle with the Parking Clerk.

# REMINDER

To be in good standing, all students must meet the disciplinary and attendance requirements for the previous semester *before* their application is processed and throughout the retaining of the parking pass.

# PARKING PRIORITIES

*Parking spaces will be assigned in the following priority:*

- 1) Rising Seniors who have applied during the open enrollment dates listed AND are in good standing.
- 2) Rising Seniors who apply after the cutoff date and have defaulted to the wait list AND are in good standing.
- 3) Rising Juniors who have applied AND are in good standing.
- 4) Rising Juniors who have been placed on the waiting list AND are in good standing.

***Reminder: please make sure if you are a rising Senior who qualifies as Dual Enrollment, modified schedule, Maxwell, work-based, Gwinnett Online Campus, and partial home school AND are in good standing that you apply during the initial registration dates to accommodate your travel needs.***

# PARKING ASSIGNMENTS

Student spaces will be assigned, not chosen.

Towards the start of the school year, we will communicate our plan for the date/time for picking up parking passes. Please make every effort to attend on this date/time, as we will have multiple staff members assigned specifically for this purpose.

If you are unable to pick up your pass on that date, please see Courtney Cook in the breezeway.

***You must show your valid driver's license to pick up your pass.***

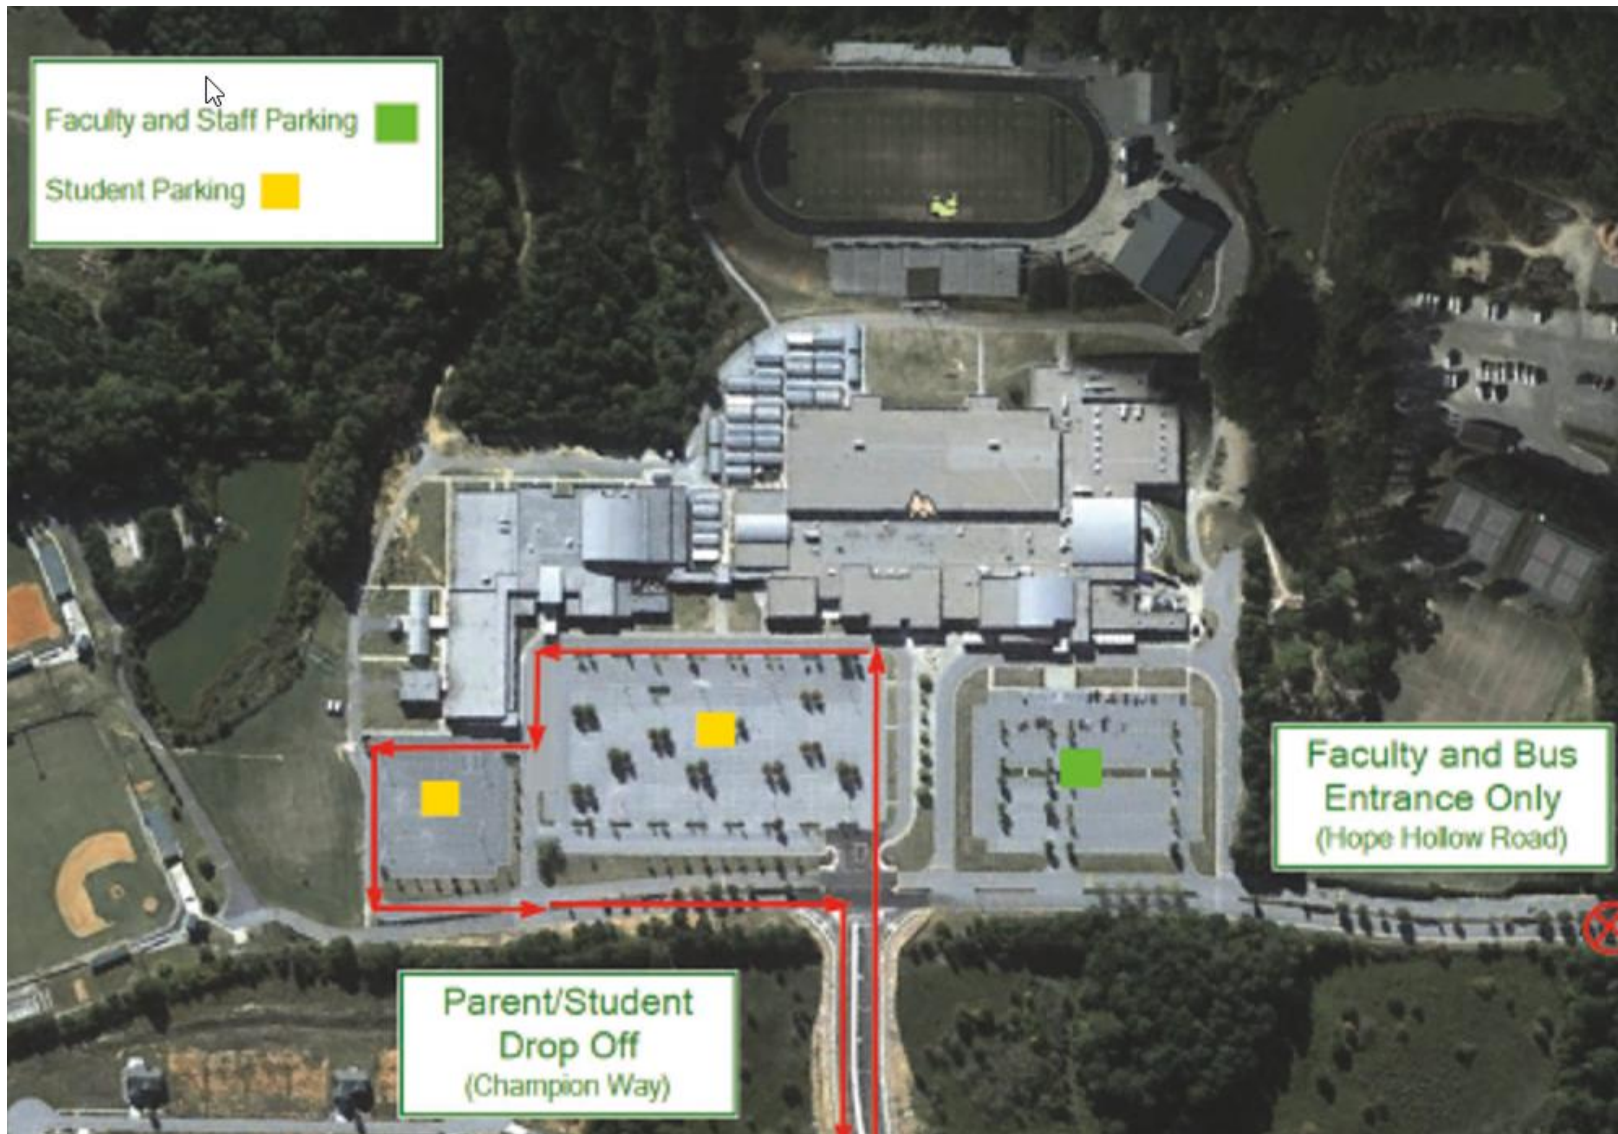

# DECAL ATTACHMENT

Once received, please affix decals to the front driver's side lower windshield for easy viewing in the morning when entering the parking lot.

All students with valid parking passes will enter the Grayson High School campus off Hwy 20 on Champion Way and will follow the traffic pattern indicated to access the student parking lot.

See map on next slide.

# STUDENT PARKING LOT MAP

Parent and student drivers should enter GHS campus using Champion Way off of Hwy. 20 then follow directional signs for either Parent Drop off or Student Parking. Student parking spots are located across from and to the left of Champion Way. ***The Hope Hollow Road entrance is for faculty/staff and bus traffic only.***

# NEXT STEPS

Please proceed to *MyPaymentsPlus* where you will complete the application, make your payment, and sign off that you have viewed this presentation.

The electronic sign-off covers both the student and the parent signatures.

If you have further questions, please contact Courtney Cook at [Courtney.Cook@gcpsk12.org](mailto:Courtney.Cook@gcpsk12.org) or (770) 554-7704.
