

Vision Exams

AmeriHealth Administrators NJEHP Plan Members:

Your vision exam benefit is built in to your medical plan and is administered by the medical carrier, not Davis Vision.

To search for your vision provider or to find a new provider, please visit www.myahabenefits.com.

Present your SHIF AmeriHealth Administrators ID card when services are rendered.

AmeriHealth Administrators EPO Plan Members:

Your EPO medical plan has a Davis Vision Rider attached to the plan for vision exams and materials.

You may call the Davis Vision toll-free number on the reverse side of your ID card to verify benefits, find a participating provider or visit www.myahabenefits.com to conduct a search.

If you were already receiving services from a Davis Vision participating provider, you may continue to do so, simply present your new SHIF AmeriHealth Administrators ID card.
