Detective Notes
 The 2025 NSBW campaign theme, "Clue In to School Lunch," reminds the entire school community that school breakfast provides a healthy and energizing start to the day for students. Studies show that students who eat school breakfast are more likely to:

- Reach higher levels of achievement in reading and math
- Score higher on standardized tests
- Have better concentration and memory
- Be more alert
- Maintain a healthy weight

"A healthy breakfast at the start of the day is a great way to ensure students are nourished and ready to learn. National School Breakfast Week helps us educate parents and students about all the nutritious and delicious choices we offer."
