The term “WORKDAY” as used in this Agreement shall refer to day(s) during which bargaining unit members are required by contract to render service.

# **ARTICLE III - ORGANIZATIONAL STRUCTURE**

## **A. ATTAINING OBJECTIVES**

Attainment of educational objectives of the District requires mutual understanding and cooperation between the BOARD, the administrative and supervisory staff, and other licensed employees. To this end, free and open exchange of views is desirable and necessary, with all parties participating in deliberations leading to the determination of matters defined as negotiable in ARTICLE IV, Section C of this Agreement.

## **B. LICENSED EDUCATORS**

It is recognized that teaching is a profession requiring specialized educational qualifications. As evidence of its acceptance of the responsibilities of EDUCATORS, CLETA endorses the Illinois School Code. It is further recognized that EDUCATORS have the right to join, or not to join, any organization for their professional or economic improvement.

## **C. BOARD OF EDUCATION**

It is recognized that the legal responsibility for education is vested in the local Board of Education, and that this responsibility of final decision-making cannot be delegated. The BOARD as employer shall not be required to bargain over matters of inherent managerial policy, which shall include such areas of direction or policy as the functions of the employer, standards of services, its overall budget, the organizational structure and selection of new employees and direction of employees. The BOARD, however, shall be required to bargain collectively with regard to policy matters directly affecting wages, hours and terms and conditions of employment as well as the impact thereon. The BOARD agrees to participate in good faith negotiations as provided herein.

## **D. SUPERINTENDENT**

The Superintendent is the chief executive officer of the BOARD and the person to whom it looks for educational leadership. In this capacity, the Superintendent shall recommend to the BOARD a course of action on all matters relating to negotiations.

## **E. GENERAL**

Nothing contained in this Agreement, unless expressly so stated, will be construed to deprive the BOARD or any EDUCATOR of any right afforded by law. Enforcement of any right afforded by law (as opposed to rights created or recognized in this Agreement) shall be had exclusively through the procedures afforded by that law, and not the procedures established by this Agreement, except as expressly stated herein.

## **F. COMMUNICATIONS**

The BOARD and CLETA recognize the importance of communication in maintaining good relationships. The BOARD and CLETA encourage attendance and participation in all District meetings. It is the responsibility of all District employees to access and read information made available by the BOARD, CLETA, and Administration.

1. The BOARD, CLETA President and/or designee(s) and the Superintendent and/or designee(s) will meet annually within two (2) weeks of the start of each school year to discuss common issues regarding the school year and establish any other meeting dates for the remainder of the school year.
2. The BOARD will make available on the District website all BOARD and BOARD committee meeting dates and locations. Meeting agendas will be posted prior to the scheduled meeting dates.
3. The BOARD will make available on the District website the BOARD meeting agenda in compliance with the timelines in the Open Meetings Act and the complete BOARD minutes after they are approved by the BOARD.
4. The BOARD will make available on the District website information regarding committees formed to provide evaluation of or feedback on departmental initiatives.
5. The email address [employeefeedback@d47.org](mailto:employeefeedback@d47.org) can be used by EDUCATORS to make inquiries or provide feedback to the BOARD and Administration.
6. Other requests for meetings between the BOARD and CLETA shall be made through the Superintendent or designee, and such meetings will be scheduled, provided that reasonable effort has been made to resolve the issue with the Administration prior to the meeting.

## **ARTICLE IV - COLLECTIVE BARGAINING**

### **A. NEGOTIATIONS**

Designated representatives of the BOARD and CLETA shall undertake the negotiations provided for herein. Negotiation meetings will be held at reasonable times and places to be agreed upon by the parties. If negotiations are requested by either party, they shall be initiated in accordance with the Illinois Education Labor Relations Act.

### **B. INFORMATION**

CLETA shall be furnished, upon request, the annual financial statement, and the annual adopted budget and other regularly and routinely prepared financial information pertinent to negotiations, which are public records. In addition, the BOARD will grant reasonable requests for other non-confidential information, which may be necessary to negotiations. Where copies of material are not readily available, CLETA shall pay a reasonable cost thereof. Nothing herein shall require the administrative staff to research or assemble information.

### **C. SCOPE**

The BOARD and CLETA agree that negotiations, in good faith, may encompass all aspects as defined by the Illinois Education Labor Relations Act.

The negotiating parties may call upon competent professional and/or lay representatives for negotiations assistance.

### **D. AGREEMENT**

When a tentative Agreement is reached on all matters being negotiated, a proposed written memorandum of understanding embodying tentative negotiated agreements will be submitted to the CLETA membership for ratification and the BOARD for approval.

Such document, if ratified/approved by both parties, will become a part of the official minutes of the BOARD and, insofar as appropriate, shall become an appendix to this Agreement. Following ratification/approval, both parties will receive an electronic finalized copy of the Agreement in Microsoft Word format. When necessary, provisions in the Agreement shall be reflected in the individual EDUCATOR'S WAGE STATEMENT. The Agreement shall not discriminate against any EDUCATOR, regardless of membership or non-membership in CLETA.

This Agreement documents all known matters regarding wages, hours and terms and conditions of employment that currently exist and are completed by EDUCATORS. Any proposed change will be bargained in accordance with the Illinois Educational Labor Relations Act.

### **E. IMPASSE**

If after a reasonable period of negotiation and within forty-five (45) calendar days of the scheduled start of the forthcoming school year, the BOARD and CLETA have reached an impasse, either party may petition to initiate mediation. The procedures for mediation will be as defined in the Illinois Educational Labor Relations Act.

### **F. NO STRIKE PROVISION**

Both parties recognize the desirability of continuous operation of the instructional program during the normal school year and the avoidance of disputes, which threaten to interfere with such operations. Since the parties have an established comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this Agreement. CLETA agrees that it will not, during the period of this Agreement, directly or indirectly, engage in or honor any other strike (as defined by the Illinois Educational Labor Relations Act), which may occur against the Employer.

## **ARTICLE V - DURATION OF AGREEMENT**

This Agreement will be effective as of the first day of the 2024-2025 school year and shall continue through the day before the first school day of 2028-2029 school year.

This Agreement shall remain in effect after the end date in Paragraph 1 unless notice is given pursuant to the Illinois Educational Labor Relations Act by either party of its desire to amend or modify the Agreement.

## **ARTICLE VI - VALIDITY**

Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, then that article, section, or clause shall be deleted from this Agreement to the extent that it violates the law. The remaining articles, sections, and clauses shall remain in full force and effect.

## **ARTICLE VII - CLETA RIGHTS AND RESPONSIBILITIES**

### **A. GENERAL MEMBERSHIP MEETINGS**

CLETA shall have the right to hold general membership meetings before or after school on District property, provided such meetings do not interfere with any aspect of the instructional program and provided that if such meetings entail additional maintenance or custodial expenses, CLETA shall pay such expenses. Application for such use shall be submitted to the principal of the building at least twenty-four (24) hours in advance of the intended time of use. If the meeting shall involve more than twelve (12) persons and less than ninety percent (90%) of those attending are employees of the District, a request for permission to use the building shall be made through the Operations Department at least forty-eight (48) hours in advance of the time of intended use, and such request shall be processed in accordance with the written policy of the BOARD. In cases of emergency, the above time limitations may be suspended.

### **B. USE OF DISTRICT EQUIPMENT**

Authorized CLETA members shall have the right to use on-site District office equipment, e-mail with approval from the building principal for building use and the Superintendent or designee for District use, and other types of media, when approval for such use has been granted by the administrator responsible for such items. CLETA shall pay the cost of all material, supplies, and the cost of any repairs' incidental to such use.

### **C. COMMUNICATION WITH MEMBERS**

Only authorized representatives of CLETA shall have the right to post notices on bulletin boards provided in the school building for that purpose and use the faculty mailboxes and e-mail with approval (from the principal for building use and the Superintendent or designee for District use) for communications of CLETA meetings, elections and the results thereof, and notices of educational and social activities. CLETA business announcements may be read over the intercom system in each school building before or after school by an authorized representative of CLETA. A list of such authorized representatives shall be provided to the Superintendent or designee each year by CLETA no later than October 1st. All CLETA notices will be identified as such.

### **D. REPORTS AT MEETINGS**

The CLETA Representative(s) will be given an opportunity at each building faculty meeting to present brief reports or announcements.

### **E. CONFIDENTIALITY**

Matters relating to supervisor-EDUCATOR or BOARD-EDUCATOR relationships shall not be discussed in the presence of students.

## **F. ASSOCIATION LEAVE**

The CLETA President or designee(s) shall be granted release time, without loss of pay or benefits, to attend to CLETA business as from time to time may be necessary. Notification of release time shall be submitted in writing one (1) week prior to the release time to the principal of the building and the Superintendent or designee by the President or designee of CLETA. Such release time shall not exceed twenty (20) DAYS per school year. CLETA may seek approval from the Superintendent or designee for additional DAYS as needed for union business. Substitute costs will be paid by the District.

## **G. ASSOCIATION INFORMATION**

The CLETA President or designee shall furnish to the Business Office annually by October 1st, the names of the principle officers, the amounts of the initiation fee, if any, and the amount of dues the members must pay.

## **H. UNSAFE OR HAZARDOUS WORKING CONDITIONS**

A safety committee will be created with equal members designated by CLETA and the BOARD that shall meet annually to discuss measures to assist and support EDUCATORS concerning safety policies.

Building administrators shall review applicable safety procedures with staff at the start of each school year to provide assistance and support to EDUCATORS.

The BOARD policies are always publicly available via the District website.

# **ARTICLE VIII – GRIEVANCE**

## **A. DEFINITIONS**

The term “GRIEVANCE” as used in this Agreement shall refer to any claim by CLETA or any EDUCATOR that there has been a violation, misrepresentation, or misapplication of this Agreement or any established policy or practice of the BOARD.

The term “DAYS” as used in this Agreement shall refer to EDUCATOR attendance days, except during the summer recess when it shall mean days on which the District Central Office shall be open, unless specifically stated otherwise.

## **B. PURPOSE**

The primary purpose of the GRIEVANCE procedure is to secure solutions at the lowest possible level and at the earliest possible time.

## **C. PROCEDURE**

The parties hereto acknowledge that it is usually most desirable for an EDUCATOR and the EDUCATOR’S immediately involved supervisor to resolve problems through free and informal communications. When requested by the EDUCATOR, a CLETA representative may accompany the EDUCATOR to assist in the informal resolution of the GRIEVANCE. If, however, such informal processes fail to satisfy the EDUCATOR and/or CLETA, a GRIEVANCE may be processed as follows:

## **1. STEP ONE:**

The EDUCATOR or CLETA must present the GRIEVANCE in writing to the supervisor immediately involved within twenty (20) DAYS from the date of the occurrence giving rise to the GRIEVANCE or twenty (20) DAYS from the date when the EDUCATOR should reasonably have had knowledge of the occurrence giving rise to the GRIEVANCE. A meeting to discuss the GRIEVANCE shall be held within ten (10) DAYS of the filing of the GRIEVANCE. The supervisor shall provide a written answer of the GRIEVANCE to the aggrieved EDUCATOR and CLETA no later than ten (10) DAYS following the meeting including reasons for the decision.

## **2. STEP TWO:**

- a. If the GRIEVANCE is not resolved at Step One or the 10-day time limit expires without the issuance of the supervisor's written reply, then the EDUCATOR or CLETA may, in writing, refer the GRIEVANCE to Human Resources within ten (10) DAYS after the receipt of the Step One answer.
- b. Human Resources shall arrange for a meeting with the EDUCATOR and/or CLETA to take place within ten (10) DAYS of Human Resources' receipt of the GRIEVANCE/appeal. Upon conclusion of the meeting, Human Resources shall, within ten (10) DAYS, provide a written decision with reasons to CLETA and the EDUCATOR.

## **3. STEP THREE:**

- a. If the GRIEVANCE is not resolved at Step Two or the 10-day time limit expires without the issuance of Human Resources' written reply, then the EDUCATOR or CLETA may, in writing, refer the GRIEVANCE to the Superintendent or designee within ten (10) DAYS after the receipt of the Step Two answer.
- b. The Superintendent or designee shall arrange for a meeting with the EDUCATOR and/or CLETA to take place within ten (10) DAYS of the Superintendent's receipt of the GRIEVANCE/appeal. Upon conclusion of the meeting, the Superintendent or designee shall, within ten (10) DAYS, provide a written decision with reasons to CLETA and the EDUCATOR.

## **4. STEP FOUR:**

- a. If the GRIEVANCE is not resolved at Step Three or the 10-day time limit expires without the issuance of the Superintendent's written reply, then the EDUCATOR or CLETA may, in writing, refer the GRIEVANCE to the BOARD within ten (10) DAYS after the receipt of the Step Three answer. Alternatively, the EDUCATOR or CLETA may proceed directly to STEP FIVE.
- b. The BOARD shall arrange for a meeting with the EDUCATOR and/or CLETA to take place within ten (10) DAYS of the BOARD'S receipt of the GRIEVANCE/appeal. Upon conclusion of the meeting, the BOARD shall, within ten (10) DAYS, provide a written decision with reasons to CLETA and the EDUCATOR.

## **5. STEP FIVE:**

CLETA may appeal the determination of either the Superintendent (STEP THREE) or the BOARD (STEP FOUR) by submitting a demand in writing within twenty (20) DAYS of such decision that the matter be carried forward to final and binding arbitration. The arbitrator shall be selected from a panel to be secured from the American Arbitration Association (AAA).

- a. Neither the BOARD nor CLETA shall be permitted to assert any ground before the arbitrator, which was not previously disclosed to the other party.

- b. The arbitrator shall have no power to alter the terms of this Agreement.
- c. Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitration and the AAA shall be divided equally between the BOARD and CLETA.
- d. If either party requests a transcript of the proceedings, that party shall bear the full costs for the transcript. If both parties order a transcript, the cost of the two (2) transcripts shall be divided equally between the BOARD and CLETA.
- e. CLETA shall be able to designate up to one (1) representative who shall be released without loss of pay for the purpose of attending each arbitration hearing provided CLETA reimburses the BOARD for the cost of the substitute.

#### **D. GUIDELINES**

1. Nothing contained in this section or elsewhere in this Agreement shall be construed to prevent any EDUCATOR from discussing a problem with the Administration and having it adjusted without intervention or representation from CLETA.
2. Any EDUCATOR has a right to be represented in the GRIEVANCE procedure. The EDUCATOR shall be present at any GRIEVANCE discussion when the Administration and/or CLETA deem it necessary, and the EDUCATOR is available. When an EDUCATOR is requested to be present at a GRIEVANCE hearing, illness or other incapacity of the EDUCATOR shall be grounds for extension of the GRIEVANCE procedure time limits.
3. When an EDUCATOR is not represented by CLETA, on its request, CLETA shall have the right to have its representative present at the formal steps of the GRIEVANCE procedure. Further, no negotiated GRIEVANCE settlement shall be inconsistent with the provisions of this Agreement unless the BOARD and CLETA agree otherwise.
4. The BOARD shall furnish CLETA with relevant public information concerning a pending GRIEVANCE provided this shall not require the BOARD to research or compile data not readily available to it.
5. No reprisals of any kind shall be taken by the BOARD or Administration against any EDUCATOR because of his/her participation in this GRIEVANCE procedure.
6. All GRIEVANCE meetings shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, and will be held insofar as possible after regular school hours or during non-teaching time of the EDUCATOR involved. Should the processing or investigation of any GRIEVANCE require that an EDUCATOR or CLETA representative be released from their regular assignment, this release time will be without loss of pay.
7. Any investigation or other handling of any GRIEVANCE by the grievant or CLETA shall be conducted so that no interference or interruption of the instructional program and related activities will occur.
8. All records dealing with the processing of a GRIEVANCE shall be filed separately from the personnel file of the participant(s).
9. A GRIEVANCE may be withdrawn at any level without establishing precedent, and if withdrawn, shall be treated as though never having been filed.
10. The BOARD and CLETA agree that any individual EDUCATOR may, in good faith, present a complaint to the immediate supervisor. If satisfaction is not reached, the EDUCATOR may present

the complaint to the Superintendent or designee. If the decision reached is not satisfactory, the EDUCATOR may present the complaint to the BOARD at a regularly scheduled meeting. The complaint may be heard in executive session if so requested. No reprisal against the EDUCATOR shall result from this procedure. The decision of the BOARD is final.

11. Time limits may be extended by mutual written consent of both parties. If the parties agree to place a GRIEVANCE on hold, the GRIEVANCE shall not remain on hold for more than ninety (90) DAYS. After ninety (90) DAYS, the GRIEVANCE shall be deemed withdrawn.

## **ARTICLE IX - LEAVES OF ABSENCE**

### **A. PAID LEAVES OF ABSENCE**

#### **1. SICK DAYS**

- a. At the beginning of each school year, each full-time EDUCATOR will be credited with fifteen (15) days of sick leave with pay. Sick leave may be used in accordance with Section 5/24-6 of the Illinois School Code (105 ILCS 5/24-6), as may be amended from time to time.
- b. The definition of sick leave is contained at 105 ILCS 5/24-6, as may be amended from time to time: personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption.
- c. The definition of immediate family is contained at 105 ILCS 5/24-6, as may be amended from time to time: parents, spouse, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians.
- d. EDUCATORS regularly employed less than 1.0 full-time equivalent (FTE) are entitled to a proportion of fifteen (15) days sick leave, in the same proportion as their hours of employment are to full-time employment.
- e. Sick days can be taken in half (1/2) or full day increments.
- f. Unused sick leave shall roll over from year to year with unlimited accumulation.
- g. When an EDUCATOR has used all accumulated sick leave, he/she may apply for the Sick Leave Bank, if the EDUCATOR is eligible.

#### **2. SICK LEAVE BANK**

The purpose of the Sick Leave Bank is to provide for chronic or serious illness up to 120 sick days in any school year to a full-time EDUCATOR when days are needed to complete the elimination period required for disability insurance. Sick Leave Bank is designed to provide financial relief to an EDUCATOR by providing sick days during an extended illness or serious illness of an immediate family member, as defined in Section 5/24-6 of the Illinois School Code, as may be amended from time to time (105 ILCS 5/24-6) (see subparagraph A.3, above, for definitions). In order to provide consistency for students in the classroom and for the well-being of the EDUCATOR, Sick Leave Bank days shall be taken in 5-DAY increments. Exceptions may be made by the Sick Leave Bank Committee on a case-by-case basis.

##### **a. Administration**

The Sick Leave Bank will be managed by a Sick Leave Bank Committee consisting of two (2) EDUCATORS appointed by CLETA and one (1) administrator appointed by the Superintendent or

designee. This Committee will manage all Sick Leave Bank days awarded to EDUCATORS. Reports to members of the Sick Leave Bank will be completed according to Sick Leave Bank rules and regulations.

**b. Procedures**

- i. All EDUCATORS are eligible to participate in the Sick Leave Bank.
- ii. EDUCATORS will automatically be enrolled in the Sick Leave Bank unless they make a written request not to join the Sick Leave Bank. Each EDUCATOR will contribute one (1) day per year for the first four (4) years of employment for a total of four (4) days to complete normal contribution requirements (not to exceed four days per EDUCATOR unless the Sick Leave Bank falls below 200 days). Days donated are recorded as consumed on the EDUCATOR'S official record of accumulated sick leave.
- iii. An EDUCATOR must have contributed to the most recent request for sick days in order to be eligible for Sick Leave Bank.
- iv. In most cases, all accumulated sick days must be used before Sick Leave Bank days are awarded to an EDUCATOR.
- v. EDUCATORS may apply for withdrawal of days from the Sick Leave Bank any time after enrollment. A Sick Leave Bank Withdrawal Application can be obtained from Human Resources.

**c. Operation Guidelines**

- i. The Board of Education will match each employee day contributed each year.
- ii. The Sick Leave Bank may provide bereavement days.
- iii. Days will be added to the Sick Leave Bank in the following manner:
  1. Whenever the days in the Sick Leave Bank reach 200 or less, a request for a contribution will be sent to the enrolled EDUCATORS.
  2. An EDUCATOR must have contributed in the last request to be eligible.
  3. A request will be made for days unless such request would put the total days over 1,200.
  4. The Sick Leave Bank Procedure can be found on the District website within the staff password-protected portal.
- iv. The balance of Sick Leave Bank days will be reported to the CLETA President on the first Monday of each month.

**3. PERSONAL LEAVE**

- a. At the beginning of each school year, each full-time EDUCATOR will be credited with three (3) days of personal leave equivalent to the individual EDUCATOR'S WORKDAY without loss of pay. The EDUCATOR shall notify the building administrator at least forty-eight (48) hours prior to using a personal day, when possible, via the District's absence reporting system. Days can be taken in half (1/2) or full day increments.
- b. Unused personal days will be converted to accumulated sick leave days at the end of each school year.

- c. The WORKDAY immediately preceding or following a legal holiday, summer vacation, school breaks, and each day after May 15th to the end of the school year shall not be available for personal leave. Unusual circumstances can be appealed to the Human Resources Department. Application shall be made through the building administrator, with final approval determined by the Superintendent or designee. Two weeks advanced noticed is preferred, if possible.
- d. Denials of these requests are subject to normal GRIEVANCE procedures as outlined in ARTICLE VIII of this Agreement.

#### **4. PROFESSIONAL LEAVE**

Administration may grant time off and reimburse reasonable expenses for in-service training activities when such training appears justified by the potential benefits to the District. The granting or denying of such leave as to one (1) EDUCATOR shall not be considered precedential with respect to the granting or denying subsequent requests either by the same EDUCATOR or other EDUCATORS.

#### **5. BEREAVEMENT LEAVE**

In case of a death in the immediate family, sick or personal days may be used in accordance with Section 5/24-6 of the Illinois School Code (105 ILCS 5/24-6), as may be amended from time to time, to allow for attendance at the wake, funeral and/or travel time. Immediate family is defined as: parents, spouse, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians. For purposes of bereavement leave only the definition of 'immediate family' includes individuals who stand in a significant relationship with the EDUCATOR.

#### **6. JURY DUTY**

An EDUCATOR called for jury duty will be paid his/her salary for those days and will turn over to the District the amount received for being a juror, exclusive of monies paid or costs incurred for travel expenses, meals, and days not counted as working days, paid holidays, or weekend jury pay.

#### **7. GRANDPARENT LEAVE**

An EDUCATOR may use any combination of their available sick and/or personal days for a total of five (5) days to visit a grandchild surrounding the time of his/her birth. The time off must be within thirty (30) calendar days of the birth of the grandchild and can only be taken by the EDUCATOR once per grandchild. The EDUCATOR may not extend the five (5) days leave by taking additional available personal days adjacent to any sick/grandparent days.

#### **B. NON-PAID LEAVES OF ABSENCE**

While on any unpaid leave of absence, an EDUCATOR shall have the option to remain an active participant in the State Teacher Retirement System and/or other FRINGE BENEFITS program by contributing the full amount required.

Upon returning from an approved leave of absence, the EDUCATOR will be returned to the same or equivalent position in the District with no loss in benefits that accrued before the leave began. He/she shall advise the Human Resources Department in writing by the end of the first workweek in January, if at all possible, with the latest date of notification being February 1st. In the case of a reduction in force, procedures outlined in the Illinois School Code (105 ILCS 5/24-12) will be followed.

Any EDUCATOR who has been employed one-hundred twenty (120) days within a school year shall be entitled to such advancement on the salary schedule as he/she would have had if the leave had not been granted. If the leave exceeds the year in which such leave commenced, the second year shall not be considered for step advancement on the salary schedule.

## **1. GENERAL LEAVE OF ABSENCE**

The BOARD may grant a leave of absence without pay to a tenured EDUCATOR for a purpose that it, in its discretion, deems appropriate and beneficial to the District for a period of up to one (1) school year upon such terms and conditions as the BOARD may elect. The granting, withholding, or conditioning of such leave of absence will be non-precedential with respect to any other request for such leave by such EDUCATOR or any other EDUCATOR.

## **2. FAMILY AND MEDICAL LEAVE ACT (FMLA)**

### **a. Term of Leave:**

Family and Medical Leave is granted to an eligible employee for up to twelve (12) weeks per school year (July 1 – June 30). Spouses employed by the District are jointly entitled to a combined total of twelve (12) weeks of Family and Medical Leave.

### **b. Eligibility and Purpose of Leave:**

All EDUCATORS who have been employed by the District for one (1) full school year shall be eligible for unpaid Family Medical Leave. Family Medical Leave shall include leaves for the EDUCATOR'S own serious health condition, for the birth and care of the EDUCATOR'S newborn child, placement with the EDUCATOR of a child for adoption or foster care, and for the care of the EDUCATOR'S child, spouse, or family member with a serious health condition as provided in the Family and Medical Leave Act.

### **c. Notice:**

The EDUCATOR will submit a written request for leave at least thirty (30) days prior to the start of the leave. If the leave is not foreseeable, the request should be submitted as soon as practical. The request will specify the estimated beginning and ending dates of the leave if possible.

### **d. Benefits:**

During an approved leave of absence, the District will continue an EDUCATOR'S health benefits that would have been provided if he/she was working. The EDUCATOR is responsible for paying his/her portion of the cost of coverage. Late payments may result in cancellation of coverage.

### **e. Return to Work:**

- i.** Before returning to work from a Medical Leave, the EDUCATOR must submit a health care provider's written certification that he/she is able to return to work. Failure to provide the certification may result in the denial or delay of return to work.
- ii.** If the EDUCATOR is medically released to return to work earlier than expected (or if on non-medical leave, desiring to work sooner than expected), the EDUCATOR must give the District the earliest practical notice of the expected date of availability.
- iii.** If the EDUCATOR anticipates the need to extend a leave, he/she must request an extension at least two (2) weeks before the expiration of the authorized leave period. If the need for extension is not foreseeable, the EDUCATOR must give the earliest practical notice.
- iv.** If the EDUCATOR fails to return to work at the end of his/her authorized leave period, the EDUCATOR will be deemed to have voluntarily resigned.

### **3. PARENT/CHILD REARING LEAVE OF ABSENCE**

A tenured EDUCATOR who has entered upon contractual continued service will be eligible for parental/child-rearing leave with limited benefits, subject to the following conditions (special circumstances for non-tenured EDUCATORS should be submitted to Human Resources):

- a.** The EDUCATOR will make a written request for leave by advising the Superintendent or designee at least thirty (30) days prior to the expected date of birth or adoption. The request will specify the estimated beginning and ending dates of the leave.
- b.** A parental/child-rearing leave may be granted to a non-tenured EDUCATOR under unusual circumstances by action of the BOARD, subject to all the conditions applicable to a tenured EDUCATOR, and provided the term of such leave will not be considered in computing full-time employment under Section 24-11 of the Illinois School Code (105 ILCS 5/24-11) for purposes of the continuous employment necessary to attain contractual continued service status. The granting of parental/child-rearing leave to any non-tenured EDUCATOR will not constitute a precedent for the granting or withholding of leave to any other non-tenured EDUCATOR. Each request will be judged on its own merits and will be within the sole discretion of the Superintendent or designee. Additional conditions or restrictions may be established for any such leave, provided nothing herein shall be construed as requiring any non-tenured EDUCATOR to apply for such leave or to accept the conditions established thereof.
- c.** Any EDUCATOR desiring adoption leave as a result of becoming an adoptive parent will notify the Superintendent or designee, in writing, when it appears that the adoption is imminent. Leave will be granted upon satisfactory written notification to the Superintendent or designee of the date the child is expected to be received. It will be the responsibility of the applying EDUCATOR to keep the Superintendent or designee informed on the status of the proceedings, and as soon as known, the expected date of the delivery of the child. The EDUCATOR may use extended personal leave or FMLA leave for personal business related to the adoption process (i.e., travel, appointments, etc.).
- d.** After consultation with the tenured or non-tenured EDUCATOR, the Superintendent or designee will prepare a plan for the commencement and termination of such leave, taking into consideration maintenance of continuity of instruction and medical factors to the maximum possible degree. The leave will not exceed the balance of the school term in which it commences and two (2) additional years. An EDUCATOR requesting the next full year will be required to state his/her intent to return, if possible, prior to the end of the first week of January in the year the leave terminates with the latest date of notification being February 1st.
- e.** BOARD paid health and/or life insurance benefits shall continue at the contractual rate for the EDUCATOR for the first twelve (12) weeks of leave (in conjunction with FMLA leave). Thereafter the EDUCATOR may maintain insurance and/or life insurance benefits by making timely payments of all premiums, which may be due to the District's Benefits Specialist or elsewhere pursuant to its direction.
- f.** Sick leave may be used during the period of the parental/child rearing leave for any disability due to pregnancy or recovery, which will run concurrently with the FMLA leave.
- g.** Sick Leave Bank may be used if there is a significant health condition for the mother or the child.
- h.** TRS offers short-term disability benefits in some circumstances. Contact TRS for more information (<http://www.trsil.org>).

#### **4. MILITARY LEAVE**

- a. A military leave of absence shall be granted to any EDUCATOR who shall be inducted, recalled, or enlists for military duty in any branch of the armed forces of the United States. The leave shall be for the period of active duty in the armed forces.
- b. EDUCATORS who are family members of military personnel may use either personal or sick days to attend graduations, pre- and post-deployment leaves, and any other situation that is deemed necessary.

#### **C. SABBATICAL LEAVE**

Any EDUCATOR who has satisfactorily completed six (6) consecutive years of full-time teaching and/or administrative service in District 47 may apply for sabbatical leave. An EDUCATOR who wishes to apply for sabbatical leave must submit his/her application in writing to Human Resources. A sabbatical leave screening committee will consider all sabbatical leave requests. This committee will be composed of one (1) member of the CLETA executive board, one (1) member of the BOARD, and the Superintendent or designee. The screening committee will present a recommendation to the Superintendent or designee who will submit the recommendation to the BOARD. Sabbatical leaves shall be governed by Section 5/24-6.1 of the Illinois School Code, as may be amended from time to time. The Sabbatical Procedure and forms can be found on the District website within the staff password-protected portal.

#### **D. RELIGIOUS LEAVE**

The BOARD shall accommodate requests in compliance with the law for an unpaid leave based on a sincerely held religious observance, practice, or belief that prohibits an EDUCATOR from working on a religious holiday that falls on a WORKDAY.

### **ARTICLE X- FLEX TIME FOR SCHOOL SOCIAL WORKERS, SCHOOL COUNSELORS AND SCHOOL PSYCHOLOGISTS**

Counselors, school social workers, and school psychologists shall receive five (5) hours of designated plan time per full week during INSTRUCTIONAL TIME. Plan time will occur in at least twenty (20) minute blocks. The BOARD and CLETA agree the professional responsibilities of counselors, school social workers and school psychologists may, on occasion, extend beyond the seven and half (7.5) hour WORKDAY. The parties also agree that the daily schedules of counselors, school social workers, and school psychologists are more fluid and flexible than other EDUCATORS. For this reason, the BOARD and CLETA agree that in order to ensure plan time for this group, weekly schedules will be shared with the building administration on the first WORKDAY of each week. During INSTRUCTIONAL TIME, it would be preferred that plan time not overlap between counselors, school social workers, or school psychologists working in the same location so that someone is always available to assist with students and/or crises. When a crisis during the school day occurs, building administration will determine if and how long a counselor, school social worker, or school psychologist needs to be involved. If the crisis extends into and/or causes a counselor, school social worker and/or school psychologist to miss plan time, the weekly schedule will be reviewed by the building administration in consultation with the counselor, school social worker, and/or school psychologist to see where plan time could be flexed in the weekly schedule (i.e., reserved time for a student but the student was absent, canceled meeting, or a meeting that the counselor, school social worker, and/or school psychologist could be excused from). Finding the time for the EDUCATOR to receive their plan time should be the first and top priority. When time cannot be found, the counselor, school social worker, and/or school psychologist should complete a timesheet and submit it to the building administrator within a week of the missed plan time for a signature for submission to the Business Office.

Flex time may be earned by counselors, school social workers, and school psychologists for direct service to students and/or families and in coordination with community agencies that extend beyond the WORKDAY provided it meets the following criteria. Flex time is not available for use by other groups or positions. Timesheets must be received by the Business Office within the month the work was performed or by the end of the following month.

#### **A. EARNING FLEX TIME**

1. The earning of flex time must be agreed upon in advance by the building administrator and the counselor, school social worker, and/or school psychologist and will be documented on a timesheet. Activities eligible for earning flex time are those that extend beyond the school day because of the needs of the student or the nature of the crisis. Examples of situations during which flex time can be earned include, but are not limited to, crisis and evening parent/family counseling sessions resulting from a restorative discipline/justice practice.
2. Flex time shall be earned in half-hour increments and is accruable in the school year in which it is earned.
3. Flex time can only be earned for duties that are in no other way being compensated.
4. Flex time may not be earned for duties performed outside of the school day that can be completed within the school day.
5. Counselors, school social workers, and/or school psychologists are permitted to volunteer for activities beyond the WORKDAY without asking to accrue flex time. Duties performed without prior administrator approval will be considered as voluntary.

#### **B. USING FLEX TIME**

1. Accrued flex time may be used to reduce work time in the DAYS scheduled for the counselor, school social worker, and/or school psychologist at the end of the school year or may be used in half-hour increments by mutual agreement between the building administrator and the counselor, school social worker, and/or school psychologist.
2. All unused flex time will lapse at the end of the contract year or upon resignation or termination of the counselor, school social worker, and/or school psychologist.
3. Accrued flex time does not follow a counselor, school social worker, and/or school psychologist who voluntarily requests to transfer to a different site during the school year.
4. No monetary reimbursement shall be awarded for flex time.
5. All records of flex time will be maintained by a building administrator.

- iii. Must not cause the District to pay a TRS employer contribution for salary increases in excess of 6%.

If the EDUCATOR provides less than four (4) years notice of retirement, the District will look back to ensure the EDUCATOR did not receive more than 6% over the EDUCATOR'S

prior year's TRS creditable earnings during the final (4) years of employment with the District immediately preceding retirement with TRS.

- b. 6% Base Salary Increase: An eligible EDUCATOR shall receive a 6% increase over the prior year's base salary for up to the final four (4) years of employment with the District.

#### **E. INSURANCE BENEFITS**

1. To be eligible for this benefit, the EDUCATOR cannot cause the District to pay a TRS excess salary contribution and must meet all other requirements for retirees set forth in Section C of this Article.
2. Approved retirees will receive \$2,700.00 annually to be applied toward the current Teacher's Retirement System Insurance Program (TRIP).

For EDUCATORS eligible to receive benefits from the Illinois Teachers' Retirement System (TRS) who have a minimum of thirteen (13) years continuous uninterrupted service with District 47, a bonus of fifty (\$50.00) dollars will be paid for any sick days earned in District 47 that are not eligible to be used toward service credit for TRS. Payment for such days will not exceed three hundred forty (340) days. This payment will be made after the final day of work, after the final paycheck for regular earnings is issued, and at least thirty (30) calendar days after the date of retirement.

#### **I. RETIREMENT TRACK EARNINGS**

EDUCATORS who have been approved for participation in a retirement incentive shall not be assigned or perform duties that will cause them to earn more than 6% over their prior year's total TRS creditable earnings. To help avoid exceeding the 6% limit, prior to October 1st, EDUCATORS who have been approved for participation in a retirement incentive will be notified by Human Resources and the Business Office of the amount of extra duty and stipends they are able to earn for the school year without causing a TRS excess salary contribution. The Human Resources and the Business Office will also notify the building principals of EDUCATORS in their building who have been approved for participation in a retirement incentive and the amount of extra duty and stipends they are able to earn for the school year without causing a TRS excess salary contribution. Before an EDUCATOR participating in the retirement incentive accepts such a new assignment/duty that he/she did not perform the prior school year, the EDUCATOR and the principal must confirm that the new assignment/duty will not cause the EDUCATOR to earn more than 6% over their prior year's total TRS creditable earnings. Eligible extra duty and stipends include, but are not

limited to, instructional extra duty, supervisory extra duty, stipends listed in Appendix A of the Agreement, and completion of District 47 coursework that is not used for salary schedule credit.

## **J. NOTICE OF RETIREMENT**

Two committee meetings will be scheduled prior to open enrollment, however, the Insurance Committee may, by agreement, elect to meet only once or more than twice as needed. Follow up communications will be sent electronically, or an additional meeting may be scheduled. The schedule of meetings will be determined by the end of each school year. The Insurance Committee is charged with the following responsibilities, to include, but are not limited to:

1. Reviewing costs of plans to consider potential plan options. Discussion will be reflected in meeting minutes.

HSA bank account information must be provided to the Benefit Specialist following the open enrollment period and prior to December 15 of each year to be eligible for this benefit. It remains the EDUCATOR's responsibility to make sure that the contributions meet IRS regulations.

## **ARTICLE XIII - PROFESSIONAL RESPONSIBILITIES**

CLETA and the BOARD are committed to employing and sustaining quality employees to enhance and maximize teaching and learning for the students. To that end, CLETA and the BOARD have agreed on the creation of a Professional Development Committee, Meeting Guidelines, and Plan Time Allotments and Guidelines to support EDUCATORS' professional responsibilities.

### **A. PROFESSIONAL DEVELOPMENT COMMITTEE:**

The Professional Development Committee advises and reviews District professional development. This committee will meet at least three (3) times a year in alignment with the D47U class approval timeline to manage district-wide professional development and D47U (the in-district professional development classes taught by district employees). The D47U professional learning will consist of professional development classes to develop and expand best teaching practices in District educators. Curriculum work, committees, and pilots are neither included in D47U nor under the direction of the committee. Building level professional development will be the responsibility of the Building Leadership Team (BLT). The Professional Development Committee is comprised of people selected by District Administrators and CLETA-selected members representing all stakeholders. The number of people selected by Administrators on the committee shall not exceed the number of CLETA members on the committee. Participation on the committee is voluntary. One District Administrator and one (1) CLETA member will co-chair the committee. Meeting minutes will be taken and provided to all committee members, the CLETA President, and the Assistant Superintendent of Curriculum, Instruction and Assessment. ## **B. MEETING GUIDELINES**

The District believes in providing flexibility for work schedules and accommodating employees' work/life balance. However, the schedule for meetings and plan time for EDUCATORS must be dictated by the needs and in the best interests of the students. As a result, each EDUCATOR'S frequency, and number of meetings to fulfill their professional responsibilities may vary weekly and monthly based on their individual role. A reasonable effort will be made by administration to minimize the number of meetings held prior to the student day for elementary and following the student day at the middle school that are not directly tied to students and/or curriculum (i.e., faculty meetings, safety/operations meetings, etc.). These guidelines do not apply to meetings that are considered professional development, have a primary focus on curriculum and/or student problem solving, and/or are voluntary in nature such as an EDUCATOR's participation on a committee and/or performing an extra duty.

All PreK EDUCATORS will attend the building session for professional development or building topics with all staff.

## **F. PLAN TIME GUIDELINES (PREK-8)**

An EDUCATOR who satisfactorily fulfills the responsibilities of the position may choose to continue in the role in the subsequent contractual year. The Administration will provide written feedback to the EDUCATOR in the event there are unsatisfactory performance concerns. The EDUCATOR will be notified of the decision to reassign the position by the last day of the school year. The procedural elements of this paragraph are grievable and arbitrable, but the determination that job performance is unsatisfactory is not grievable or arbitrable. If the employee believes the determination to reassign the position based on job performance was inaccurate, the employee may request a meeting with Human Resources and appeal the decision. All stipends will have the appropriate payroll deductions made at the time of payment.

## **ARTICLE XVIII – EDUCATOR EVALUATION**

An EDUCATOR evaluation committee comprised of CLETA members and Administrators shall meet annually to review the licensed staff evaluation process and tools to ensure they comply with applicable state and/or federal law. The number of Administrators on the committee shall not exceed the number of CLETA members on the committee. When a reduction in the number of EDUCATORS in a school or grade level is necessary, volunteers shall be given consideration, and the Voluntary Transfer process will be followed.

District Administration will discuss with the CLETA President prior to the transfer process the needs of the District and the process being used to determine the transfers needed. The decision to involuntary transfer an EDUCATOR is within the sole discretion of the Administration.

Any EDUCATOR who is involuntarily transferring classrooms or buildings will have boxes provided by the District for packing of District-owned materials. The District will also be responsible for moving these boxes/materials to the new classroom.

By September 1 of each school year, the Business Office will post on the staff password-protected portal of the District's website the current year's extra duty rates and in what month the quarterly payments will be made for such duties. An EDUCATOR who is not enrolled in direct deposit will receive his/her check at the home building assignment indicated on the WAGE STATEMENT.

Each EDUCATOR will automatically receive their remaining checks for the contractual year on the first full payroll period following the last day of school, which is indicated on the payroll calendar, unless they indicate their preference to continue to receive bi-weekly paychecks throughout the summer on the form provided by Administration. This form shall be submitted to the Business Office electronically on or before May 10th of the current school year.

#### **D. PAYROLL DEDUCTIONS**

The following deductions will be applied to each EDUCATOR'S bi-weekly paychecks:

1. Income Tax Deduction – as set forth by the IRS and State of Illinois based upon a completed W-4 form.
2. Illinois Teacher's Retirement System (TRS) Contributions – as approved by TRS.
3. Medicare Contribution – currently 1.45% of gross pay, or as amended.
4. Union Dues – as provided by CLETA leadership.
5. Tax Sheltered Annuity Deductions (optional) – as authorized in your Salary Reduction Authorization Form. (note: only deducted from the first two (2) payrolls of each month for months having more than two (2) payrolls)
6. Insurance Deduction (optional) – For all eligible, full time EDUCATORS. Represents any cost of insurance coverage beyond the BOARD monthly insurance benefit allowance. #### **ARTICLE XXVI - WITHHOLDING OF ANNUAL PAY INCREASE**

The BOARD has the right to freeze an EDUCATOR'S salary at the present placement in a cell during the current school term when there is just cause (i.e., specific determination by the BOARD that the EDUCATOR'S performance has been unsatisfactory based on the District 47 Evaluation Program and Illinois School Code). In compliance with the Evaluation Program, if remediation is satisfactorily completed the EDUCATOR, shall be reinstated to the cell on the salary schedule to which the EDUCATOR would have been entitled if remediation had not taken place. The new salary shall commence with the first pay period in the new school term following the remediation year.

The EDUCATOR may within ten (10) calendar days of the BOARD action make a binding election either to utilize the GRIEVANCE procedure in this Agreement or have the option of appearing before the BOARD at a closed meeting to discuss the recommendation and may be accompanied thereat by a CLETA/IEA representative. Failure to make such an election shall constitute a waiver of either remedy.
