INTRODUCTION AND PURPOSE

The purpose of this Purchasing Manual is to assist all Board of Education employees in the proper purchasing practices to be in full compliance with:

- New Jersey Public School Contracts Law N.J.S.A. 18A:18A-1 et seq.;
- New Jersey Administrative Code N.J.A.C. 5:34-1 et seq.;
- Board of Education Policy;
- Other federal, state law and code;
- NJQSAC Fiscal DPR Indicator#15; and
- Local Finance Notices – NJ Division of Local Government Services
- Other laws and administrative code when applicable

The Purchasing Manual is designed to achieve three (3) goals:

1. Follow the law and board policy on purchasing;
2. Promote efficiency in the purchasing practices; and
3. Achieve savings of money through proper purchasing practices.

We ask you, the user of the purchasing system, to help achieve these goals through proper planning. Please allow yourself enough leeway between generating a purchase order and the actual date materials or services are needed. Please think of purchasing in terms of a whole year. What items and services do you need on an annual basis? Through proper planning, we can eliminate much of the frustration that is encountered in all public school purchasing procedures.

This manual should be reviewed with department heads, teachers, secretaries, and others who are involved in the purchasing process. It is imperative that everyone adhere to all purchasing laws and guidelines.

If you have any questions concerning the following guidelines, please do not hesitate to call the Business Office, Extension 6505.

❧ ETHICS AND CONDUCT IN PURCHASING; VENDOR RELATIONS ❧

All district employees are to practice exemplary ethical behavior in the purchasing process. Employees are to avoid any action that may be considered a conflict with their position with the district and those dealings with vendors who provide goods and services to the district. All district employees should adhere to the following terms and conditions of the board's policy on Ethics and Conduct in Purchasing; Vendor Relations.

Federal Code of Standards of Conduct

The board of education, pursuant to **Federal Regulation 2 CFR 200.318 (c) (1)**, hereby acknowledges the Ethics and Conduct in Purchasing section to be applicable to the selection, award and administration of contracts using federal funds. The code of conduct also applies to all purchases, notwithstanding the source of funding.

A. Financial Interest in any Contract with the Board of Education--Prohibited

No employee or board member may have a direct interest in any contract or agreement for the sale of goods and services to the Board of Education, nor receive any benefit, compensation or reward from any contract for the sale of goods and services to the Board of Education.
Reference—N.J.S.A. 18A:6-8.

B. Solicitation/Receipt of Gifts from Vendors -- Prohibited

School board members, school officials and employees, or members of their immediate family are prohibited from soliciting, receiving or agreeing to receive any compensation, reward, employment, gift, meal, honorarium, travel, reimbursement, favor, loan, service, or **other thing of value** from any person, firm, corporation, partnership, or business that is a recipient of a purchase order from the district, or a potential bidder, or an applicant for any contract with the district, based upon an understanding that what is solicited or offered was for the purpose of influencing the board member or school employee in the discharge of their official duties. This policy shall be consistent with the School Ethics Act—N.J.S.A. 18A:12-21 et seq.

C. School District Responsibility – Favoritism; Family Members; Businesses

School officials and employees who recommend purchases shall not extend any favoritism to any vendor. Each recommended purchase should be based upon quality of the items, service, price, delivery, and other applicable factors in full compliance with N.J.S.A. 18A:18A-1 et seq.

School officials and employees are to avoid recommending purchases from members of their families, businesses that employ members of their families and from businesses in which the official, employee or members of their immediate family have a direct financial interest.

School officials and employees who are authorized to sign off on purchase orders and/or to recommend purchases or business transactions by virtue of their signature on the purchase order certify that their actions are consistent with this policy and all applicable statutes.

D. Vendor Responsibility – Doing Business with the Board of Education

Any vendor doing business or proposing to do business with the Pennsauken Board of Education, shall neither pay, offer to pay, either directly or indirectly, any fee, commission, or

compensation, nor offer any gift, gratuity, or other thing of value of any kind to any official or employee of the Pennsauken Board of Education or to any member of the official's or employee's immediate family.

No vendor shall cause to influence or attempt to cause to influence, any official or employee of the Pennsauken Board of Education, in any manner which might tend to impair the objectivity or independence of judgment of said official or employee.

E. Vendor Certification

Vendors will be asked to certify that no official or employee of the Pennsauken Board of Education or immediate family members are directly or indirectly interested in this request or have any interest in any portions of profits thereof. The vendor participating in this request must be an independent vendor and not an official or employee of the Pennsauken Board of Education.

F. Violations of the Policy--Sanctions

In accordance with N.J.S.A. 18A:6-8, any school district employee who violates the terms of this policy may be subject to withholding of annual increments, suspension, demotion, school ethics complaint, termination and/or revocation of license to teach or to administer.

Conflict of Interest Certification—Request for Proposals and Competitive Contracting Proposals

No employee, officer, or agent of the Board of Education may participate in the selection, award, or administration of any contract, if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. Ref. 2 CFR 200.318 (c) (1)

School district employees who are part of an evaluation committee to review responses to Request for Proposals (RFP) and/or to Competitive Contracting proposals will be required to complete a Conflict of Interest certification in accordance with N.J.A.C. 5:34-4.3 (e) (f).

Possible Conflict of Interest

Any school employee, who feels there may be a potential conflict of interest with a recommendation of award with any vendor doing business with the district, is encouraged to contact the School Business Administrator for guidance.

❧ PUBLIC SCHOOL PURCHASING—LEGAL AUTHORITY ❧

Authority to Purchase

The purchase of goods and/or services by a board of education is governed by state statutes, administrative code and board policy. New Jersey State Law 18A:18A-2(b) assigns the legal authority to the Purchasing Agent to make purchases for the board of education.

The Designated Purchasing Agent is the only individual in the school district that has the authority to make purchases for the board of education.

The Pennsauken Board of Education by board resolution has authorized Gail Miller, to be the Purchasing Agent for the school district under the direction of the School Business Administrator/Board Secretary.

Authorized Purchases

All requests for purchases of goods and/or services must be made through an approved purchase order signed by the School Business Administrator/Board Secretary, prior to the goods or services to be received.

A purchase order, pursuant to N.J.S.A. 18A:18A-2 (v), is a document issued by the School Business Administrator/Board Secretary authorizing goods or materials to be ordered for the school district or work/service to begin. No goods or materials may be ordered or work/service be authorized to begin by any other individual in the school district other than the School Business Administrator/Board Secretary.

Unauthorized Purchases

Any school district employee who orders and/or receives any materials, supplies or services without first going through the approved purchase order process has made an unauthorized purchase.

Unauthorized purchases are a violation of State Law and Board Policy.

2. Memo to Superintendent

The responsible administrator shall prepare a memo explaining the reasons why proper purchasing procedures were not followed. The memo will be attached to the purchase order and a copy of the memo will be sent to the Superintendent of Schools.

At any time, during the Corrective Action Process (CAP), the Superintendent may invoke the penalties for non-compliance.

District Sanctions to Violations

All district employees are reminded that the school district may receive sanctions because of unauthorized (confirming) purchases. Employees are to note the following consequences of such actions:

1. Withholding of State Aid—N.J.A.C. 6A:23A-5.4

The Commissioner of Education may withhold State funds from any school district that fails to obey the provisions of the Public School Contracts Law—N.J.S.A. 18A:18A-1 et seq.

2. NJQSAC Fiscal DPR Indicator #15

The school district is subject to a penalty of four (4) NJQSAC points by not being in compliance with the Fiscal District Performance Review Item #15, which prohibits confirming or unauthorized orders.

3. Audit Finding and Recommendations

All financial transactions are subject to audit review. The district may receive an audit finding and recommendation for unauthorized (confirming) purchases. Repeat audit findings may lead to sanctions against the school district.

4. Employee Sanctions

The Superintendent of Schools may recommend to the Board of Education the filing of sanctions against any employee who does not comply with federal and state purchasing laws and code, board policy and district purchasing procedures. The sanctions may include, but are not limited to, paying for any unauthorized purchase, withholding of increment, employee suspension or tenure charges.

Purchasing Prohibitions1. Employees Prohibited from Signing Contracts

Board of Education employees are prohibited from signing any contract offered by a vendor. The power to sign and execute contracts after Board of Education approval lies with the Board President and the Board Secretary.

Personal Liability

Contracts signed by an employee shall be considered non-binding by the Pennsauken Board of Education with the employee accepting full responsibility for the costs of the contract.

2. Reimbursements; Employee

The Board of Education only recognizes an employee reimbursement purchase order when it pertains to tuition reimbursement, pre-approved travel, meals, and conferences. The Board will not reimburse employees for items and goods personally purchased by the employee.

3. Student Activity Accounts

Purchases made through Student Activity Accounts may not be reimbursed with Board funds. Purchase orders made payable to Student Activity Accounts for the aforementioned purpose will not be signed by the Business Administrator.

4. Private Purchases -- Prohibited

Goods and services procured by the Pennsauken Board of Education are exclusively for the use of the board and if applicable, other public and non-public schools. These goods and services are purchased through the signed purchase order process.

Employees of the Pennsauken Board of Education are prohibited from purchasing private goods and/or services off the bid prices and quotation prices offered by the vendors to the Board of Education.

Purchasing Guidance**1. Cancellation of Purchase Orders**

All requests to cancel purchase orders must be made in writing to the Purchasing Office. Reasons explaining the need to cancel the purchase order must be outlined. The Purchasing Agent maintains the sole right to cancel purchase orders. (See Appendix)

2. Credit Cards Prohibited

Pursuant to the New Jersey Department of Education Audit Program page I-5.9, a school district is not permitted to use a credit card for the purchase of goods and services. All purchases are to be made through the purchase order process in compliance with the Public School Contracts Law.

3. Contracts; Purchase Order Required

The award of contract to a vendor approved by the Board of Education at a public meeting does not automatically authorize any employee to use the services of, or purchase materials from, the vendor.

All contract purchases require the issuance of a purchase order authorizing the purchase of services and/or goods and materials from the vendor. N.J.S.A. 18A:18A-2 (v).

4. Preview of Materials

All staff members must receive permission from administrators, supervisors, or principals to preview materials. After the preview process has been completed, the item must be returned. If there is a desire to purchase the previewed item, then a purchase order must be prepared for a new item.

C. **Responsibilities of Business Office**

The Purchasing Agent reviews each purchase order. Special attention is given to the following:

1. **Available Funds**—The Requisition system will not permit a requisition to be finalized if there are insufficient funds in the account. If preparing PO, be sure to check for funds availability.
2. **What is being ordered and the cost**--The Purchasing Agent reviews the technical aspects of the purchase order to ensure compliance with State Law and Board Policy.

The Business Office checks the cost of each item and determines if it can be purchased from another vendor at a savings. The Business Office also reviews whether the purchase order exceeds:

The Quotation Limit	\$ 6,600.00
The Bid Limit	\$44,000.00

3. **Document Check – State Law**

Pursuant to various State Laws, the Purchasing Agent must ensure the following documents are on file in the Business Office before the purchase order is signed and processed:

- b. Shipping charges added;
- c. State contract numbers incorrect/missing;
- d. Vendor incorrect; and

Incomplete or improper purchase orders/requisitions will be rejected. A note will be placed in the accounting system and/or an email sent to the originator.

If the Purchasing Agent is satisfied, he/she approves the requisition.

5. **Responsibilities of the Central Administration of Schools**

The Superintendent, the Business Administrator, the Assistant Superintendent, Director of Special Services or the Director of Curriculum reviews and determines the **educational or operational value of each** purchase order. If they are satisfied, they approve the purchase order in the Smarts Budgetary Accounting computer program. The purchase order is then approved and printed by the Business Office and sent to the vendor.

The purchase order process, as explained, may take 5 – 10 days to complete. Please plan accordingly.

6. **Transfer of Funds**

The Business Office processes purchase orders only if there are appropriate funds to cover the purchase. Purchase orders lacking sufficient funds are sent back to the originator for a request to transfer funds. All requests for a transfer of funds are to be sent to the Business Office (See Appendix).

All transfers of funds have to be approved by the Board of Education at a public meeting.

In certain cases some transfer of funds requests must be sent to the State Department of Education for review. Substantive transfers of money (more than 10% of the budget line item) must be approved by the State. Purchase orders that require a transfer of funds will be mailed to the vendors the day after the State Department of Education approves the transfers.

D. **Responsibility of the Vendor**

The Business Office sends to the vendor the purchase order and the voucher. The vendor is to sign the voucher and return it to the Business Office with an invoice. If you receive a signed voucher, return it to the Business Office. A check is prepared for the vendor once the Business Office has a

The award of contract to a vendor approved by the Board of Education at a public meeting does not automatically authorize any employee to use the services of, or purchase materials from, the vendor.

All contract purchases require the issuance of a purchase order authorizing the purchase of services and/or goods and materials from the vendor.

METHODS OF PROCUREMENT

A. Bids (Purchases that exceed the bid threshold--\$44,000)

This method is used for procuring goods, materials, services and public work projects that exceed in the **aggregate** of the board of education approved bid threshold of \$44,000.

Examples of Bidding:

Building Services Department

Plumbing, Electrical, HVAC work
Custodial Supplies
Public Works Project

Technology

Computer Supplies/Equipment
Printers / Computer
Interactive Boards

Food Services Department

Ice Cream
Pest Control Services
Baking Goods—Rolls, Bread

Title I Testing

Test Scoring Services

District

Furniture
AV Equipment
Fuel

Athletics

Athletic Clothing
Athletic Supplies/Equipment
Athletic Equipment

Award of Contract--Lowest Responsible Bidder

The common thread of all these bids is that the district has to award the contract pursuant to N.J.S.A. 18A:18A-4 (a) to the lowest responsible bidder.

N.J.S.A. 18A:18A-2 (l). "**Aggregate**" means the sums expended or to be expended for the provision or performance of any goods or services in connection with the same immediate purpose or task, or the furnishing of similar goods or services, during the same contract year through a contract awarded by a purchasing agent.

Bids and Purchasing:

1. Bid Limit -- \$44,000 --this is the QPA purchasing agent bid threshold.

The Pennsauken Board of Education is restricted by New Jersey state law on how much money can be spent by the district for the entire year on materials, supplies, and services.

This restriction is called the **bid threshold** or **bid limit**. The bid limit is \$44,000. This means that any specific item, class of items, and/or services of a similar nature, purchased by the school district totaling in the aggregate more than \$44,000 for the entire year, must be competitively and advertised for bid. This restriction is for the entire district and not by location or schools.

You cannot circumvent the law by splitting purchases to be under the \$44,000 bid limit.

Administrators that have purchases that may exceed the \$44,000 bid limit are to contact the Purchasing Office to begin planning the bid process.

The formal bidding process takes about 6-8 weeks to complete as explained in the Appendix under Bid Process.

2. Annual Bids

The Board of Education, to be in compliance with N.J.S.A. 18A:18A-9, requests that central office department administrators and supervisors and school principals start to plan and prepare for Annual Bids. The bidding process begins in January and continues through June as follows:

- Administrators/Supervisors prepare technical specifications to be reviewed by Purchasing Agent.
- Purchasing Agent prepares final bid specifications to be drafted in a manner to encourage free, open, and competitive bidding.
- Annual bids are received, opened and tabulated by Purchasing Agent.
- Bid resolutions are prepared by Purchasing Agent for Board approval.
- Purchase orders are generated by Administrators/Supervisors for July/August/September delivery.

3. Bidding: Time Frame

As stated before, the formal bidding process usually takes about 6-8 weeks from start to finish. Please plan appropriately. An outline of the bidding process is located in the Appendix.

4. Exceptions to the Bid Limit

New Jersey State Law allows for some exceptions to the bid requirements. There are approximately twenty (20) exceptions where a Board of Education does not have to go out for bid for goods and services. Some of them are:

- a. Purchasing through New Jersey State Contract;
- b. Professional services as outlined by New Jersey law;
- c. *Textbooks, kindergarten supplies, student produced publications, library and educational goods;
- d. *Legal notices, food supplies, utilities, insurance, election expenses, travel and conferences; and
- e. Contracts with other government entities; county and state colleges.

* These purchases may be subject to the quotation process pursuant to N.J.S.A. 18A:18A-37(a) if practicable.

The Purchasing Agent should be contacted concerning exceptions to bidding.

B. Quotations (Purchases that fall between \$6,600 and \$43,999)

This method of procurement is used for contracts for goods, materials, services and public works projects that in the aggregate are between \$6,600 and \$43,999.

Examples:

Caps/Gowns

Generator Maintenance

Truck Rental

Field Maintenance

Tires/Tubes

Gym Floor Finish

Printing Services

Fitness Equipment

Award of Contract—Price and Other Factors

The board of education is obligated to solicit at least two (2) competitive quotations and award the contract pursuant to N.J.S.A. 18A:18A-37 (a), to the vendor whose response is most advantageous, price and other factors included.

Quotations and Purchasing**1. Quotation Limits--\$6,600 through \$43,999**

The quotation limit (threshold) is now \$6,600. This means that any specific item or group of items of a similar nature purchased by the school district, totaling more than \$6,600 and less than \$44,000 for the entire year, must be competitively quoted or advertised for bid at the discretion of the Purchasing Agent.

You cannot circumvent the law by splitting purchases to be under the quote threshold.

2. Quotation Process

All quotations shall be in writing and will be coordinated by the Office of the Purchasing Agent. When a quotation is deemed necessary, the Administrator or Principal is asked to contact the Purchasing Office. The Purchasing Agent will review these quotation specifications to determine whether they are set up to provide open and competitive quotations.

Please note: The formal quotation process could take about 2-4 weeks from start to finish.

There will be no telephone quotations except in a case of extreme urgency.

3. Receipt of Two (2) Quotations

Pursuant to N.J.S.A 18A:18A-37(a) the school district shall solicit two (2) quotations, if practicable. Evidence of the quotation process shall be kept on file. A copy of the quotation shall be scanned and attached to the requisition/purchase order.

C. Request for Proposal—RFP -- This method is preferred for the following contracts:

Professional Services

Medical
Auditor
Attorney
Engineer, Architect

Academic/Operational Services

(Contracts less than \$44,000)
Instructional Improvement Services
Educational Consultant Services
Professional Development

Award of Contract—Evaluative Criteria

The RFP method is designed to award the contract to the vendor based upon a list of criteria which include as recommended by the New Jersey State Comptroller's Office:

- Technical
 - Submission of narrative how firm will provide services; planned approach; measurable results
 - Understanding how services will be provided
- Management
 - Business organization; staffing
 - Experience; and
 - Knowledge of district
- Cost
 - Fee proposal submission; cost analysis

The contract for an RFP contract does not; I repeat *does not* have to be given to the respondent who submits the lowest price. The evaluative criteria process is designed to award the contract to the respondent whose response will provide the highest quality services at fair and competitive prices using evaluation scoring.

D. Competitive Contracting (Certain Contracts over \$44,000)

This procurement method is used for certain contracts over \$44,000.00.

The district can only use this method for contracts that are outlined in NJ State Law 18A:18A-4.1. Some of the examples that are permitted are:

- Proprietary Computer Software for Board Use
 1. Student Data Warehousing
 2. Student Information System
 3. Business Office; Human Resources Software
- Professional Development Services
- Educational Consultant Services
- Instructional Improvement Services

The award of contract is similar to the RFP award of contract. It is based upon the same evaluative criteria which are designed to award the contract to the respondent whose response will provide the highest quality services at fair and competitive prices.

The administrative process of Competitive Contracting as outlined in N.J.S.A. 18A:18A-4.1 et seq. and N.J.A.C. 5:34-4.1 et seq. is a rather lengthy process and may take 6-8 weeks to complete.

E. EUS—Extraordinary Unspecifiable Services

The EUS procurement method is used for the procurement of insurance and insurance consultant services. The Purchasing Agent will coordinate all EUS activities pursuant to N.J.S.A. 18A:18A-5 (a) (10) and N.J.A.C. 5:34-2.1 et seq.

F. Other Procurement Methods

The district also uses the following methods of procurement:

- State Contract Purchasing
- Emergency Contracts
- Cooperative Purchasing Agreements
- Shared Services Agreements
- National Cooperative Vendors
- Sound Business Practices

G. State Contract Purchasing – NJ Start

Pursuant to N.J.S.A. 18A:18A-10 (a), a Board of Education may purchase goods and services through New Jersey State Contract vendors. If the purchase exceeds the bid threshold, the Board of Education must adopt a resolution awarding the contract.

If purchasing technology, it is the recommendation of the Purchasing Agent to procure the following equipment and supplies from New Jersey State Contract vendors. Please contact the **Director of Technology Information at Ext. 6533**. He will be able to assist you with the technical aspects and the State Contract requirements of purchasing computers.

The School Business Administrator is required to have board of education approval for all NJ State Contract purchases that exceed the bid threshold. All NJ State Contract purchases will be verified by the Purchasing Agent prior to processing.

OTHER PURCHASING PROCEDURES

A. Cooperative Purchasing

The Pennsauken Board of Education may contract with Educational Data Services of Saddle Brook, NJ, or other cooperative purchasing agencies, to purchase items such as:

Emergency contracts are strictly regulated by N.J.S.A. 18A: 18A-7. A situation must exist affecting the health or safety of the occupants of school property that requires the immediate delivery of articles or the performance of a service to alleviate the emergency.

The emergency contract process is reviewed in the Appendix. Please note that the Superintendent of Schools must be notified **first** of all emergency purchase requests. Only the School Business Administrator/Purchasing Agent may award an emergency contract.

C. Federal Funds—Procuring Goods and Services When Using Federal Funds

All non-federal entities (school districts) are to follow NJ Public School Contracts Law when procuring goods and services using federal funds except where the federal standards detailed in 2 CFR Part 200 are in conflict or **more restrictive**.

Effective July 1, 2015, school districts when procuring goods and services using federal funds, are to comply with the Uniform Administrative Requirements—2 CFR Part 200.

QUICK REFERENCE GUIDE
FOR PURCHASE OF GOODS & SERVICES

In order to process requisitions for the purchase of supplies, services, textbooks, etc., the following procedure must be followed. All requests must be submitted through the SMARTS Budgetary Accounting System. Information required is as *follows*:

1. **If one line item exceeds \$800.00 or the entire requisition exceeds \$2,000.00, you must obtain two written quotes.** Please attach the quotes to the requisition when you submit for approval. Check dates – all quotes must be current. We will not accept requisitions with quotes more than 30 days old. The attachments (quotes) must be quotes and NOT invoices. A quotation received from a company is the price of the goods/services they will provide including shipping/handling (see #9). An invoice is a bill for items that have been purchased. Requisitions will be returned as rejected if the proper documentation is not attached.
2. **All contracts (goods/services) that exceed \$6,600.00 require competitive quotes. A business registration certificate AND a W-9 are required to be on file for the vendor.** All vendors must be registered with the State of New Jersey. (If using a new vendor, please send copy of the business registration and W9 to Accounts Payable to request the vendor be added to our vendor file.)
3. **All contracts (goods/services) that exceed \$17,500.00 (aggregate per vendor) require that a C271 Political Contribution Disclosure form be completed and submitted by vendor prior to the purchase order being generated.**
4. **All contracts (goods/service) that exceed \$44,000.00 must be approved by the Board of Education prior to requisition being generated.** These items must be purchased through bid, state contract, or cooperative purchasing). Please attach a copy of the board resolution to the requisition.
5. **Any purchases not required to be bid (ex. Textbooks, State Contract, Prof. Services, etc.) but in excess of \$44,000.00 also must be board approved prior to purchase.**
6. **Enter catalog/ISBN #'s/codes (any number used to identify item).** This assists the vendor when entering our order and our warehouse staff in receiving these items.
7. **Minimum Order:** The minimum order amount for all purchase orders is \$25.00.
8. **Subscriptions:** If there are items ordered on the requisition that will not be received through the warehouse, i.e.: online subscriptions; please enter them as a line item but enter ON-LINE SUBSCRIPTION on first line of description, then follow with remaining specifications. The warehouse will not hold this Purchase Order waiting for this particular line item to be delivered.

- 9. Shipping & Handling:** If not required, please state "Includes Shipping & Handling". Please do not give an estimate. Call the vendor and get a quoted cost.
- 10. State Contract:** If you purchase through state contract, the company should send you a copy of their notice of award, their state contract number and the discount you are given. Attach all quote information to requisition to submit for processing.
- 11. Services:** Contracts for service for the year; Public Works Contractors Registration (any work on public building, over \$2,000.00). Vendor must pay prevailing wage for any work that exceeds \$2,000.00 and must submit payroll verifications.
- 12. Fixed Assets:** Any one item exceeding \$2,000.00 is considered a fixed asset and must come out of a 12 account which must be included in the annual budget.
- 13. No Confirming Orders:** There are to be no confirming orders. All requests for purchases of goods and/or services must be made through an approved purchase order signed by the School Business Administrator/Board Secretary *prior* to the goods or services to be received. No goods or materials may be ordered or work/service be authorized to begin by any other individual in the school district other than the School Business Administrator/Board Secretary.
