SUPERINTENDENT OF SCHOOLS  
DATE FEBRUARY 25, 2025

**To:** Board of Education

**From:** Superintendent of Schools

**Date:** February 11, 2025

**Subject:** Superintendent's Proposed Budget for Fiscal Year FY26

## **Transmittal of the FY26 Superintendent's Recommended Budget**

Dear Members of the Board of Education,

I am pleased to present the Superintendent's Proposed Budget for Fiscal Year 26 (FY26). This budget reflects our commitment to excellence in education, strategic resource allocation, and the well-being of our students and staff. It also reflects our commitment to providing high-quality education while ensuring fiscal responsibility and transparency.

### **Budget Overview:**

The Superintendent's Proposed **Gross Operating Expense Budget** for fiscal year FY26 is \$51,660,289, an increase of \$1,849,260 or **3.70%** over FY25. The Superintendent's Proposed Gross Operating Revenue Budget for fiscal year FY26 is \$1,170,301, which is a decrease of \$114,827 or 8.94%, primarily due to the underfunding of the Special Education Excess Cost Grant by the State of Connecticut. The Net Budget Increase (Budget Expenses less Budget Revenue) is \$1,957,087, or 4.03%.

Factoring in the estimated fund balance being returned to member towns of **\$1,048,457** based on 6/30/24 balances reduces the **Net Assessment** to **\$49,441,531**, a 4.15% increase from FY25. This increase breaks down for Haddam to **\$622,796**, or a 2.18% increase, and for Killingworth to **\$1,346,291**, or a 7.14% increase.

We have been mindful of fiscal responsibility and efficiency in developing this budget. We have scrutinized each expense to ensure that it contributes directly to our strategic operating plan (SOP) and maximizes the value of every dollar spent. We have also sought input from stakeholders to ensure that our budget reflects the needs and priorities of our community. The original budget build by location was for an 8% increase before the district-wide prioritization process took place.

### **Budget Drivers & Priorities:**

The three major budget drivers include Health Insurance, Transportation, and Salaries. These three components comprise **75%** of the overall budget and **28%** of the aggregate budget increase.

The specific priorities planned for FY26 focus on enhancing student learning environments and supporting high-quality instruction. Here are some key initiatives:

1. **Elementary Schools of Distinction:** Prioritizing capital upgrades and improvements to ensure our elementary schools meet high standards of excellence.
2. **Health and Safety Enhancements:** Continuing improvements to the health, safety, security, and well-being of students and staff, including facility upgrades.
3. **PK-12 Service Delivery Models:** Expanding support for high-needs learners through improved service delivery models across all grade levels.

The towns of Haddam and Killingworth have provided incredible support to RSD 17 over the last three years as we've struggled with generational inflationary pressures. In a dual effort to be respectful to our local taxpayers, as well as reasonably address our pressing capital needs we are recommending utilizing our non lapsing account. The Board has demonstrated great responsibility over the course of the last several years fully funding the non-lapsing account with the intent for future capital improvement. Therefore, we are recommending moving funding for some of the planned capital improvements, including our planned projects from the [5-Year Capital Elementary Strategy](#), from this account.

These initiatives are designed to create a supportive, engaging, and safe learning environment for all students while ensuring the district's long-term sustainability and success.

### **Outstanding Achievements and Accomplishments:**

The Board of Education's strategic plan sets the course for growth at RSD17 over the last three years. Our daily work and decision-making process was driven by the priorities of the strategic plan, and we are seeing positive returns. To name just a few **outstanding achievements reflective of our SOP and VoG:**

- For the 2nd time in three years, both Burr Elementary and Killingworth Elementary have achieved **School of Distinction** honors from the CT State Department of Education (CSDE). Both schools were named for achieving in the top 10% of all schools in CT on the CSDE Accountability Index (AI).
  - KES was dually recognized for its distinction because of its improvement and high achievement. Very few schools are recognized in multiple categories.
  - Burr has been recognized as distinguished for **3 years in a row!**
- HKHS had 17 students who received recognition through all five of the College Board's [National Recognition Programs](#) for a total of 20 awards!
- For two consecutive years, the HKHS Accountability Index has grown.
- RSD 17 significantly decreased student chronic absenteeism to state-leading levels.
- Both the **boys and girls Cross Country** teams at HKHS have won the **Class SS State Championship** this year. HK had more All-State Athletes than any other high school in Connecticut.
- The HKIS student council demonstrated leadership and compassion by organizing a Thanksgiving food drive to support local food banks. The response from our school community was overwhelming, resulting in donations that provided meals for approximately 100 families during the holiday season.

- As many other districts in the state struggled to provide certified staff, for the third year in a row, RSD 17 has opened school 100% staffed with certified personnel.
- The FY24 external audit was delivered on time, with no material weaknesses or adverse findings, and all prior findings were resolved.
- For the third year in a row, RSD 17 was able to make a maximum contribution of 2% to the non-lapsing account, accruing a total of \$2.6 million.

## **What's next?**

We are committed to transparency and accountability in budget management. We will provide regular updates on budget implementation and financial performance to ensure that our stakeholders are informed and engaged in the process. We have worked hard to provide the Board with the proposed budget two weeks before our initial presentation. We welcome any feedback or questions regarding the budget and are dedicated to addressing them promptly and comprehensively.

## **Conclusion:**

RSD 17 remains dedicated to balancing excellence, investment, and sustainability in a way that directly benefits students, staff, and the broader community. Through strategic financial planning, we are stabilizing growth, supporting student success, and ensuring a thriving district for years to come.

I would like to thank the members of the Board of Education, Selectmen, Boards of Finance, parents, residents, and taxpayers for their continued support of our schools and the young people we serve. The quality of education offered by RSD17 plays a critical role in defining our community, its property values, quality of life, and the life opportunities of our school children. It enables children growing up with all the benefits of a small town to be prepared for success in the world. I look forward to building on the accomplishments of 2024-25.

Thank you for your continued support and commitment to our students and community.

Sincerely,

Jeffrey Wihbey

RSD17 provides all students with a high-quality education that prepares them for college, career, and citizenship. To achieve this mission, we ensure that every classroom is a place where students are engaged in rigorous and relevant learning tasks, supported by effective and caring teachers, and challenged to meet high expectations. This is our vision of instruction, and it is based on the instructional core framework that emphasizes the interrelatedness of the teacher, the student, and the curriculum around a task. In this document, we describe our instructional vision in detail, and how it aligns with our district goals, standards, and initiatives. Our work in developing this vision incorporated elements of our VoG, SOP, District Values, and Theory of Action, which were created by our teachers and educational leaders. ## **SUPERINTENDENT'S FY26 BUDGET AT A GLANCE**

The Superintendent's Proposed Gross Operating Expense Budget for fiscal year FY26 is \$51,660,289, an increase of \$1,849,260 or 3.70%. The Superintendent's Proposed Gross Operating Revenue Budget for fiscal year FY26 is \$1,170,301, which is a decrease of \$114,827 or 8.94%, primarily due to the underfunding of the Special Education Excess Cost Grant by the State of Connecticut. The Net Budget Increase (Budget Expenses less Budget Revenue) is \$1,957,087, or 4.03%. A balance of \$1,048,280 is being returned to member towns from FY24.

### **Expense Budget Drivers**

#### **Salaries**

Total FY26 salaries equal \$25,711,981, an increase of \$1,638,559 (6.8%) over the FY25 budget. Salaries account for 49.77% of the total proposed budget.

#### **Health Insurance Premiums**

RSD17 participates in the ECHMC cooperative health insurance program, and rates are established and distributed to member districts annually. The rate for FY26 has not been established as of this budget draft, but was estimated to increase by approximately 11%. This accounts for 16% of the total proposed budget.

#### **Professional Services**

The \$1,288,526 or 4.75% increase in professional services is primarily due to the outsourcing of contracted services for staffing vacancies, as we continue to hire directly. LEARN continues to support the financial operations that began at the beginning of FY23.

#### **Transportation**

FY26 will be year 3 of a 3-year student transportation contract, which contains a 5% rate increase for FY26 alone. This rate increase, combined with the addition of McKinney-Vento service requirements and increased PreK - SPED and SPED transportation, for a total student transportation cost of \$4,742,033 or an increase of 10.23%. This accounts for 9.18% of the total proposed budget.

#### **Tuition**

Tuition costs for both public and non-public tuitions (outplaced resident students for which RSD17 is financially responsible) is budgeted at \$3,283,371 or an increase of \$298,029 or 9.98%. Tuitions account for 6.36% of the proposed budget.

### **Debt Service**

For FY25, HKHS principal and interest paid was \$930,000, with a portion of this payment being made from the HKHS Roof Reimbursement from DAS. For FY26, we recommend utilizing the non-lapsing fund to fund this expense.

### **Revenue Budget**

The non-assessment revenue budget for FY26 at \$1,170,301, a decrease of \$114,827 or 8.94%, which represents a 70% reimbursement for any expense above four point five (4.5) times per pupil cost based on the prior year's Net Current Expenditures per Pupil (NCEP). The largest non-assessment revenue is the Excess Cost Grant budgeted at \$950,000.
