Dear Haldane Community:

Please be reminded of the following traffic safety guidelines regarding school drop off and pick up:

- Please do not park on crosswalks, in fire lanes, or in numbered parking spaces.
- School buses exit campus via Mountain Avenue and Locust Ridge. Please park carefully in these areas to ensure that buses have adequate space to pass through.
- Mountain Avenue and the Cedar Street extension behind the District Office and Mabel Merritt buildings should not be used for student drop off or pick up.

Our campus is extremely congested at the start and end of each school day. We encourage families to use school bus transportation where provided or to walk onto campus. For those who must drive onto campus, please be vigilant about pedestrians and obey traffic laws. During elementary dismissal you may find parking available behind the high school.

I appreciate your cooperation in keeping our students safe as they travel throughout our campus each day.

Sincerely,
Carl L. Albano
Interim Superintendent of Schools
