PENNSAUKEN TOWNSHIP BOARD OF EDUCATION

NOTICE OF PENNSAUKEN PLANNING BOARD

CAPITAL PROJECT REVIEW AND AUTHORIZATION TO PROCEED

Public notice is hereby given by the Board of Education of the Township of Pennsauken that the Board of Education formally requested on March 1, 2017, pursuant to N.J.S.A. 40:55D-31-Review of Capital Projects to the Planning Board of the Township of Pennsauken review of certain solar installations to be installed at several schools within the Pennsauken School District. On March 7, 2017, the Planning Board of the Township of Pennsauken reviewed and heard presentation during public session from the Board of Education approved solar provider, National Energy Partners, LLC regarding the solar installations at The Benjamin Franklin Elementary School, Burling Elementary School, Carson Elementary School, Pennsauken Middle School, and the Pennsauken Administration Building.

The Pennsauken Planning Board made the following recommendations to National Energy Partners, LLC:

1. The solar arrays on the roofs of the above-mentioned schools and Administration Building be allowed to move forward.
2. Insure that students are protected during construction.
3. Provide adequate property and casualty insurance to protect the constituents of Pennsauken.

FURTHERMORE, after hearing the testimony and considering the plans presented, the roof solar arrays be allowed to proceed.

BE IT FURTHER RESOLVED by the Planning Board of Pennsauken makes the following recommendations to the New Jersey Board of Education, Facilities Department;

1. Insure that students are protected during construction
2. Provide adequate property and casualty insurance to protect the constituents of Pennsauken.

By Order Of The Pennsauken Township Board Of Education
Noreen W. Boston
School Business Administrator/Board Secretary
