Granville School District Talking Points and Contacting Legislators

Things to Do

- Share your personal experience with the community and its schools (number of children attending/graduating, length of time living in Granville, work/community involvement in Granville, etc.)
- Discuss the negative impact rapid, uncontrolled development will have on the rural character and village environment of Granville
- Mention the record of achievement and integration our district has with our community and the sense of identity many in our community have with our schools
- Express concern with the ability of Granville Exempted Village School District to keep up its record of high achievement given the amount of support received from the state and the need to build more or expand facilities to address growth
- Thank legislators for their service to our part of the state and to the State of Ohio in general

Things NOT to Do

- Threaten to withhold your vote or support for legislators who, in your view, do not adequately support the district
- Link the concerns of Granville to other national issues unrelated to the issue we face with annexation and facilities
- Question the support of Granville by legislators based on partisan affiliation
- Impugn or question the integrity of legislators who represent our area if they do not share our views
- Assign negative motivations to other elected officials at the expense of Granville EVSD
